Swing into Summer with La Vista Daze!

La Vista Daze 2014, featuring the theme “Swing into Summer” will bring back some annual traditions along with some new events. The festival will take place on Memorial Day weekend, May 22-25.

Among this year’s new events will be a **Glow Ball golf outing** on Saturday, May 24, beginning at 9:30 p.m. at La Vista Falls Golf Course. With the carnival atmosphere as a backdrop, enjoy this unique golf experience! Play all nine holes on a shortened course. The greens fees will be donated to the La Vista Community Foundation. **Register online by May 19** at www.cityoflavista.org/lavistadaze.

Also new this year is a **pool party**, scheduled for Sunday, May 25, 3-5 p.m., at the pool. Bring the whole family and swim for free and enjoy music from a DJ.

Veterans, active duty members of the military and their families will enjoy Sunday, which has been named, **Faith & Freedom Day**. On May 13, La Vista voters will be asked to make an important decision. The ballot for the primary election will include a proposal to extend our sales tax by an additional half-cent, to be used specifically for the redevelopment of 84th Street.

The City’s first priority in conjunction with this project is addressing vacant properties along the corridor. With revenue from the additional sales tax, the City could initiate the acquisition and demolition of property as well as finance infrastructure projects such as improving pedestrian safety and access. The costs associated with the redevelopment efforts are significant, but the estimated $1.1 million in annual revenue generated by the additional half-cent of sales tax could cover debt payments associated with potential projects.

Over the past 10 years the area has continued to decline and the private sector has been unable to make any progress. Residents have voiced their concerns about 84th Street and the City Council and I have heard you. The additional half-cent is being proposed to allow the City to jump start the redevelopment efforts.

Before going to the polls, learn more about the ballot proposal by visiting our website, www.citoflavista.org/84thsalestax, or calling City Hall at 402-331-4343. Additional information is available including answers to some frequently asked questions.

We need to hear from you on this important issue—please take time to vote on May 13.

A number of traffic signal improvements have taken place at the intersection of Giles Road and Southport Parkway.
The right-hand lane for southbound traffic on Southport Parkway turning right on Giles to go toward the interstate was changed to be a right-turn only lane and the signal was modified to include a right-turn arrow.

These improvements have increased the amount of time available for motorists to make right turns.
