WHAT HAPPENS IN A MILE?

The transformation of the 84th Street corridor is underway. The transition of this multifaceted vision into reality has been dubbed Corridor 84.

As these exciting changes take place, watch for regular updates in the newsletter, online at Corridor84.com and social media.

5 Things You Need to Know

1. DEMOLITION & SITE PREPARATION

Demolition and site grading for City Centre are nearly complete for a significant portion of the site.

Demolition of remaining buildings will take place over the next two years.

2. PUBLIC INFRASTRUCTURE IMPROVEMENTS & OFF-STREET PARKING

Construction of streets and sewers in City Centre will begin this fall. The first parking structure should be completed by the fall of 2018.

3. PRIVATE DEVELOPMENT

The City has received a building permit application for a new First National Bank on Lot 3. Also on file are permit applications for Lots 14 and 15, which will be a mix of apartments, retail, offices and dining.

4. CIVIC CENTER PARK

The first phase of lake grading will be complete by approximately the end of November. Following that the lake will be filled with water.

5. GET INVOLVED!

The Corridor 84 Streetscape Plan will begin soon and include several opportunities for you to be involved. Stay tuned!
I hope you are as excited as I am about the progress being made on the redevelopment of 84th Street.

While there are many moving parts, the cover of this newsletter highlights what is currently underway and what is expected in the near future.

What was once a plan, Vision 84 has become Corridor 84, which is the plan in action. Watch for regular Corridor 84 updates in the newsletter, our website as well as our Facebook page (www.facebook.com/cityoflavistagovernment) and Twitter account (www.twitter.com/cityoflavista).

The Corridor 84 website is being established and within the next 30 days, you can find updated information about the 84th Street projects at www.corridor84.com. On that website you’ll be able to ask questions and sign up to receive updates.

As progress on Corridor 84 continues, it is vital that residents and business owners stay informed and get involved. We will soon begin working to develop an attractive streetscape plan that will be visually significant and help promote the City’s image and character.

We need your help in identifying preferences for streetscape design elements, such as benches, landscaping, signage/way-finding, lighting, etc.

More detail regarding opportunities for public participation will soon be available. I hope that you will choose to get involved.

Mayor Douglas Kindig
Salute to Summer Festival Kicks Off Summer in La Vista!

Summer kicked off in grand fashion Memorial Day weekend with the City’s annual celebration, the Salute to Summer Festival.

The third annual Hometown Heroes Event was held on Thursday evening at City Hall, dignitaries, veterans and families attended this event, which was designed to honor those who have served our nation in the military and those who have given the ultimate sacrifice for our freedom.

A new recognition during this year’s festival was the Military Family of the Year, which is designed to recognize those families who have long traditions of military service. This year’s Military Family of the Year was Romie and Karen Brown, who both served in and retired from the United States Air Force and have been La Vista residents for nearly 15 years.

The Salute to Summer Festival would not be possible without the generous contributions of the La Vista Community Foundation, Bellino Fireworks and La Vista Keno.

Central Park was filled all weekend with people who took in the carnival and vendors.

Thousands of people enjoyed the Community Cookout on Friday evening, sponsored by the La Vista Community Foundation, and the fireworks display, provided by Bellino Fireworks.

The third annual Hometown Heroes Event was held on Thursday evening at City Hall, dignitaries, veterans and families attended this event, which was designed to honor those who have served our nation in the military and those who have given the ultimate sacrifice for our freedom.

Summer Fun!
The City continues to host a number of fun summer events such as concert/movie events, the Dinosaur Egg Hunt, hydrant party and many exciting programs at the library as part of the summer reading program.

Still to come this summer is the third concert/movie event on August 11.

For more information on all our upcoming events, visit our website at www.cityoflavista.org/2017events.

Halloween Safe Night
Instead of going door-to-door with your children this Halloween, why not get all of trick-or-treating done in one place!

La Vista’s Halloween Safe Night is scheduled for 5:30-7 p.m., Tuesday, October 31, at the Community Center, 8116 Park View Boulevard.

All children ages 12 and under, accompanied by a parent or guardian, are invited to attend this popular annual event. We will have trick-or-treating in the gym as well as free hot dogs and hayrack rides outside!

Local businesses and organizations are also invited to participate in the event by sponsoring a table and handing out candy to those in attendance. To sponsor a table, contact Mitch Beaumont at City Hall, 402-331-4343, or via e-mail at mbeaumont@cityoflavista.org.

For more information about the event, visit our website, www.cityoflavista.org/2017halloween.

Andover Pointe Apartments Under Construction near 132nd and Chandler
Contractors and building companies are busy in various parts of La Vista completing a variety of projects, big and small.

Pictured is the Andover Pointe apartments, which is under construction near 132nd Street and Chandler Road. Construction has been completed on the first phase of this development, which includes four buildings and 108 units.

A building permit has been issued for the next phase, which includes a total of three buildings and 78 units.
Fall Leaf Collection

Once you've finished your lawn clean-up this fall, you can bring your leaves and branches and other yard waste to the Public Works Department during our annual Fall Leaf Collection Day.

This annual event will take place Saturday, November 4, 8 a.m.–3 p.m. at the La Vista Public Works Facility, 9900 Portal Road. This service is available to residents and those living in the City's Extra-Territorial Zoning Jurisdiction.

In addition, a self-serve dumpster will be available for leaf and yard waste disposal Monday through Friday, October 16–November 3, 7:30 a.m.–3 p.m. at the Public Works Facility.

Leaves, grass clippings and garden debris will be accepted. Residents can also drop off tree branches, which can be any length but no larger than 6 inches in diameter. Used motor oil, anti-freeze and all batteries will also be accepted.

Please bring a proof of residency, either a valid driver’s license or a copy of a utility bill.

For more information contact the La Vista Public Works Department at 402-331-8927.

Public Works Ices the Competition

Although the snow wasn’t flying, staff members from the Public Works Department spent some time in May brushing up on their winter maintenance skills at the Winter Maintenance Workshop in Grand Island.

The event brings together equipment operators from all across the state, and incorporates classroom educational sessions, hands-on technical training, testing on safety and maintenance protocols and an equipment operation skills competition.

The workshop is designed to enhance the skill sets of equipment operators who perform winter maintenance activities, and the highlight is an equipment operation skills test where participants run equipment through an obstacle course designed to mimic situations the operator would face in winter operations.

Congratulations to Randy Seffron from the Streets Division who finished first in backhoe competition, which earned him the opportunity to compete in the national competition against operators from all 50 states. Dutch Sevener and Ron Keller from the Parks Division finished second overall in the two-man snow plow truck competition.

Used Tire Collection

In an effort to help prevent West Nile Virus, the Public Works Department will once again host a used tire collection the week of August 21-26. Used tires can be dropped off at the Public Works Facility located at 9900 Portal Road.

Drop-off times are August 21-25, 7:30 a.m.-3 p.m., and August 26, 8 a.m.-3 p.m.

The project is made possible by a grant received from the Sarpy/Cass Health Department for West Nile Virus Prevention. Used tires left outside collect water and become prime breeding sites for mosquitoes. The used tires are collected and then sent to a recycling company for shredding.

For more information contact the La Vista Public Works Department at 402-331-8927.
GED Students Celebrate Graduation

In May, 13 students from the La Vista Public Library’s GED program celebrated their graduation through a joint effort with Creighton University.

La Vista’s GED program has been in existence for more than two years and during this time, more than 30 students have achieved their General Education Diploma, many of them moving on to college.

The GED program began initially as a partnership between the library and The Literacy Center and this year the program became officially affiliated with the City when Program Coordinator Mary Hagerup became a library employee.

The program is free and is designed to let students drop in as they need while preparing for the tests. Hagerup and her volunteers are the library on Tuesdays, Wednesdays and Thursdays from 9 a.m. to 1:30 p.m.

For more information on the GED program at the library, visit the City’s website, www.cityoflavista.org/library, or call the library, 402-537-3900.

Library Welcomes New Teen Coordinator

There’s a new face among the staff at the library!

Elizabeth Brown recently became the library’s new Teen Coordinator. She is a recent graduate of the University of Iowa, but is no stranger to this area.

Brown grew up in Ralston and worked previously at the Papillion Times.

She will be working with tweens (grades fourth through sixth) and teens (middle school through high school) to plan events, purchase books and work with the Teen Advisory Board.

For more information about upcoming tween and teen programs, contact Brown via e-mail at ebrown@cityoflavista.org or call the library, 402-537-3900.

Author Joe Starita to Visit the Library September 21

Author Joe Starita will visit the library on September 21 presenting his book: A Warrior of the People: How Susan La Flesche Overcame Racial and Gender Inequality to Become America’s First Indian Doctor.

On March 14, 1889, Susan La Flesche received her medical degree, becoming the first Native American doctor in U.S. history. She earned her degree 31 years before women could vote and 35 years before Indians could become citizens in their own country. By age 26, this fragile but indomitable Indian woman became the doctor to her tribe. Overnight, she acquired 1,244 patients scattered across 850 square miles of rolling countryside with few roads.

For more information about this presentation, call Jan Bolte at the library, 402-537-3900.

Library Notes

Delay Your Requested Books!

Going on a trip? Did you know you can have your requested books delayed? Log-in to your library account at www.cityoflavista.org/catalog and click on “My Account”. Next, click on “Reserves/Requests”. The second option will let you defer your reserves until you get back. Any questions, just ask your friendly library staff.

Emusic available!

Ebooks, emagazine, audio books and emusic (electronic music) online can all be accessed from the City’s website, www.cityoflavista.org/databases. Visit the library for passwords.

Library Memberships

For your convenience, the La Vista Public Library now has three memberships to choose from for those who live outside the City limits: annual for $60; six-months for $35; or monthly for $7.
Council Clips

The following items are highlights of recent City Council action:

- Approved agreements with Omaha Public Power District and HDR for the 84th Street Redevelopment Project.
- Awarded the contract for the replacement of the roof on the Sports Complex concession building.
- Authorized the purchase of a single-axle dump truck and the lease of an excavator for the Public Works Department.
- Approve an agreement with Papillion-La Vista Community Schools to provide for a School Resource Officer at La Vista Middle School.
- Approved an agreement for the design of a traffic signal to be installed at 96th Street and Brentwood Drive.

Local Dentist Donates Old Fire Truck

At a recent City Council meeting, Dr. Joel Janssen and his wife, Lynette, donated the City’s first-ever new fire truck back to the City. The truck was built and purchased in 1972 under the direction of then-Fire Chief Ed McGinnis. The Janssen’s found and purchased the truck from Otoe County about 10 years ago. Pictured with the Janssen’s and Mayor Kindig is Chief McGinnis’ wife, Doty, La Vista’s former City Clerk. It will be determined where to keep the truck and how to display it in the future.

Continued from page 1, 84th Street Corridor

The former golf course is being transformed into Civic Center Park with a lake that will be more than four acres, which is approximately five times larger than the original golf course lake.

At left is a rendering of the new lake looking north, 84th Street is on the left side and the clubhouse is just above the small body of water at the top of the image. The shape inside the new lake shows the size of the old lake.
Arbor Day

The annual Arbor Day celebration was held this spring at City Hall and the Community Center. This event included a story time with Bob Dreessen from TD2, a local engineering and surveying firm, pictured above, free prizes for the children in attendance and the planting of a new tree in the green space next to City Hall. Also pictured is one of the 25 trees donated to the City by TD2, which are planted along the Thompson Creek corridor.
Tenth Annual Dinosaur Egg Hunt

Southwind Park was full of excitement one day this summer as parents and children set out in search of dinosaur eggs! Our hunters found eggs left by the Watermelonasaurus, Cantalopeasaurus and the very rare Easter Eggasaurus!

Of course this was all part of our 10th annual Dinosaur Egg Hunt, which also included a storytime with Mayor Kindig.

We host events such as these throughout the year. For the most recent list of upcoming events, visit our website, www.cityoflavista.org/2017events.
