Community Involved in Streetscape Project

The Corridor 84 Streetscape Project, which focuses on transforming the space within the right-of-way along 84th street, has been a community-centered process. Approximately 200 citizens attended the project’s first public meeting in November, where they provided feedback through live polling and a question and answer session. Gathering information from that meeting and online surveys, Design Workshop, the City's consultant, developed a preferred streetscape design - the Sculpted Walk. The preferred design includes feature walls, trails to be shared by a variety of users as well as groupings of trees and plantings. Plaza spaces, which will provide key links to nearby development, will feature lighting and furniture to establish gathering places along the corridor. Also featured is an iconic bridge-like structure that will be an important opportunity to connect the east and west sides of 84th Street.

The design was presented to citizens at a second public meeting in January where again they participated in live polling, this time indicating their preference for more specific design elements – paving, furniture, lighting, landscaping and bridge options.

A full recording of the second meeting, digital copies of the materials from the meeting and a survey are available on our website at Corridor84.com/Streetscape.

The Mayor’s Youth Leadership Council has participated all along the way in the planning process, offering their own perspectives and vision for the corridor. Members have completed two design activities with a focus on prioritizing the best viable uses for the expansive green space available on either side of 84th Street.

The youth council provided feedback on desired design elements and, through a budgeting simulation, priority ranked those elements. Results and findings from those activities were presented by the Youth Council at public meetings in November and January. Among the priorities (continued, page 3)
**La Vista City Calendar**

Key to our successes at the City of La Vista has been a tradition of ambitious, yet intentional, strategic planning. Through this planning we move the City forward connecting our long-range aspirations with short-term goals and actions.

I’m pleased to tell you the City has a new Strategic Plan, which the City Council adopted in January.

The new plan establishes the framework that will guide the City’s work for the next three years. Within the plan are five strategic priorities:

For each strategic priority there are indicators to track progress towards the plan’s success. The next step will be to align this plan with department operational plans as well as the budget. This will ensure that we are using resources and spending time on what matters most for the long-term benefit of the community.

For more information and to read the full plan, visit our website, [www.cityoflavista.org/strategicplan](http://www.cityoflavista.org/strategicplan).

Registration now open for Hometown Heroes Banner Program

Registration is now open for the fourth year of the Hometown Heroes Banner Program.

Banners are available at a cost of $175, which covers the banner, installation materials and maintenance. The banners, which measure 80 inches long by 30 inches wide, will be on display on utility poles along 84th Street and will feature a photo of the person being honored.

Applications are now being accepted and will close when 38 slots have been reserved. The banners will be displayed from Memorial Day through the Fourth of July. Each banner purchased is guaranteed to be displayed a minimum of two seasons.

For more information on the Hometown Heroes Banner Program, visit the City’s website, www.cityoflavista.org/hometownheroes, or call City Hall, 402-331-4343.

identified in their work were multi-use pedestrian paths accessible for bike and foot traffic and community gathering spaces.

Their contributions have helped to make this a truly community based plan, reflecting the views of various segments of the community.

A third public meeting will be held on March 21 at 6 p.m. at City Hall to present the final design concept.

Meet Your New Neighborhood Police Officers

There are three new additions to the Police Department.

Officer Lucas Tiberi was hired in October and is currently in the final phase of field training. Officer Tiberi came to La Vista after more than two years as a police officer with the St. Louis County Police Department in Missouri.

In December Officers Brian Straw and Tanner Reiss graduated from the Police Academy in Grand Island. Both are currently in the Police Department’s Field Training Program and will be assigned to the Uniform Patrol Bureau upon successful completion of training.

Training Director Named for Sarpy-Douglas Law Enforcement Academy

Scott Wagner, a 26-year veteran of the Douglas County Sheriff’s Office, was recently announced as the training director for the Sarpy-Douglas Law Enforcement Academy. The Sarpy-Douglas Law Enforcement Academy will train new officers and deputies for the La Vista, Bellevue and Papillion police departments and the Douglas and Sarpy County Sheriff’s offices.

Instead of sending officers to the Nebraska Law Enforcement Training Center in Grand Island, the agencies’ recruits would be trained together, rotating through classroom space and training facilities at the various departments.

The SDLEA will help the agencies recruit, build teamwork within the agencies and provide an opportunity to localize and expand on the state curriculum. Wagner is tasked with combining efforts of the five agencies into one entity.

Wagner will work out of the La Vista Police Department and the first group of recruits is planned for summer 2018, with its first graduating class this fall.

The Library hosted a special program this year for little children, ages birth through preschool, which included a story time with Santa in his office!

Once again the former golf course clubhouse was transformed into Santa's Workshop, where children and their families could visit with Santa on many occasions throughout the month of December. Young and old alike enjoyed the atmosphere at Santa's Workshop.

Two of the Santa's Workshop events featured live reindeer.

Santa's Workshop featured a model train, which mesmerized the kids!

The annual Tree Lighting Celebration and Soup Supper featured entertainment from La Vista Middle School.

For the 25th year, the holiday season kicked off with Santa's Sleigh Ride on the Sunday after Thanksgiving. Families lined sidewalks throughout the City to greet Santa as he traveled across the community.

'Twas the Lights Before Christmas Merry and Bright with Events
Heeeeere’s Neptune!

A big THANK YOU to Karl Meister for his donation and allowing the library to be Neptune’s new home. Neptune is a Red Eared Slider. Yes, turtle, also known as a terrapin! Neptune is seven years old and semiaquatic. She is among the most popular pet turtles in the United States and is also popular as a pet in the rest of the world. Most live 20-50 years but are known to live up to 70 years. Welcome, Neptune!

B.U.I.L.D. Collective

The library has received a grant from the American Library Association for the Loleta D. Fyan Tween and Teen B.U.I.L.D. Collective. B.U.I.L.D. stands for Building to Uphold Imagination and Learning Daily. This grant will provide tweens and teens with educational tools based around a common theme of building that will foster their sense of imagination and help them become more creative.

Past programs have included robotics, coding, Architecture Madness, Construction Camp, the construction of an obstacle course, mini golf course and life-sized games. Most recently the B.U.I.L.D. items have been used during outreach programs for teens in the community who cannot make a trip to the library.

In the near future B.U.I.L.D. kits will be added to the library’s catalog for check-out so items can be utilized in the community, especially at home.

Check the library, or our website, www.cityoflavista.org/library, for a current list of B.U.I.L.D. Collective programming.

Movers and Shakers Grant

The library has received a grant from the Nebraska Library Commission’s Youth Grant for a program called Movers and Shakers.

This programming will ensure that each child (babies, toddlers, and children ages 3 and above) who participates is able to explore a variety of appropriate musical instruments and other things like scarves designed for their young age.

Check the library, or our website, www.cityoflavista.org/library, for a current list of programming.

Annual Clean-Up Days to Include Electronics Recycling
La Vista's annual Clean-Up Days will be held on Friday, April 27 and Saturday April 28.
All residents, including residents in the City’s Extra-Territorial Zoning Jurisdiction, are encouraged to take advantage of this free disposal service by bringing discarded items to the Public Works Facility, 9900 Portal Road. Hours of operation will be 7:30 a.m. to 3:30 p.m.
Examples of items that will be accepted include major appliances, televisions, lawn and household furniture, toys, bikes, lawn mowers, grills and mattresses. There will be a separate dumpster to collect yard waste, leaves and grass clippings. Tree branches will be accepted if their diameter is less than 6 inches. Motor oil and anti-freeze will accepted but must be free of debris. All types of batteries will also be accepted.

Electronic recycling will be available this year
Items that will be accepted include: computers, computer monitors, mouse, stereos, speakers and printers. Computer hard drive erasing and destruction is also offered. Television sets will not be accepted for recycling, but can be disposed with other debris on site.

Paint, tires, hazardous waste will not be accepted. Paint and household chemicals and cleaners can be dropped off at Under the Sink, 4001 S. 120th Street.

Proof of residency will be required with either a valid driver’s license or a utility bill. For more information contact the Public Works Department, 402-331-8927.

2018 Construction Projects
The following projects are anticipated to begin during the 2018 construction season. For more information regarding any of the projects, contact the Public Works Department at 402-331-8927.

• **108th & Chandler Road Drainageway Stabilization** - Repair erosion and damaged storm sewer pipe.
• **Portal Drainageway** - Storm sewer pipe repair and channel rehabilitation from Portal Road south to Papillion Creek. This is a joint project with the City of Papillion and the Papio NRD.
• **132nd & West Giles Road** - North to south connections were completed in 2017. The leg of Giles Road west of 132nd Street should be completed in the spring of 2018.
• **84th Street Adaptive Signals** - Install upgraded communications, controllers and software to enable traffic to be monitored and move more efficiently.
• **66th Street Reconstruction** - Design roadway improvements for 66th Street from Harrison Street to Giles Road.
• **Giles Road Widening** - Study the feasibility of widening Giles Road to six lanes from Eastport Parkway to the Interstate.
• **96th & Brentwood Traffic Signal** - Installation of fully signalized intersection with additional turn lanes.

Council Clips
The following items are highlights of recent City Council action:
• Awarded the contract for construction of a parking structure in Offstreet Parking District No. 2 in the 84th Street Redevelopment project area.
• Approved the acquisition of demolition and site preparation rights for Chili’s Bar & Grill in the 84th Street Redevelopment project area.
• Approved the purchase of five battery back-up traffic light systems to allow traffic signals to continue functioning during power outages.
• Swore in three new police officers, Lucas Tiberi, Brian Straw and Tanner Reiss and a new police sergeant, Mike Czarnick.
• Approved interlocal agreement with Papio-Missouri River Natural Resources District and the City of Omaha for construction of the West Papio Trail extension from Giles Road to Millard.
• Approved the creation of a neglected building registration program.
Fourth Annual Cops and Kids Event

This past December, the Police Department participated in the fourth annual Cops and Kids program, which was organized by Officer Jamie Brown. Children from La Vista schools whose families would be struggling to provide Christmas presents, were selected by school officials. On a Sunday morning in December, the children were treated to a shopping trip through the Papillion Super Target store, accompanied by members of the Police Department. Other sponsors of the event were Baxter Auto, Edge Body Boot Camp and Eyman Plumbing. Officer Amanda Eby assists one of the children in selecting a gift.

To participate, call or sign-up at the La Vista Community Center to reserve your meal by noon the business day before you intend to join us for lunch. Be sure to look at the other activities. You may want to come early or stay late! The meal program is sponsored by ENOA, and catered by Treat America. Visit our website, www.cityoflavista.org/seniorcenter, for the monthly senior newsletter, and to look at scheduled activities/trips and lunch menus. For more information contact David Karlson, 402-331-3455.

Special Services Bus

Available for senior citizens age 60 and older and all special needs/handicapped residents residing in the cities of La Vista and Ralston. The service operates Monday-Friday, 7 a.m.-4:30 p.m., including a second bus Tuesdays and Thursdays. The service does not operate on City of La Vista declared holidays or when Papillion-La Vista or Ralston schools are closed due to weather conditions. For questions about service, fees, etc., please call the La Vista Recreation Department at 402-331-3455 or visit us online at www.cityoflavista.org. For reservations, call 402-657-3550 at least 48 hours in advance. We make every effort to accommodate, but due to prior scheduling, we may not be able to help everyone at their requested times.
