Transformation of the 84th Street corridor hit high gear in 2018 with a number of projects being completed and significant progress being made on others in both La Vista City Centre and Civic Center Park. Here is a rundown of activity:

**La Vista City Centre**
On the public side, the City completed several projects, including installation of most of the public streets and sewers. Construction was also completed on a new right in/right out intersection, 84th Street and Barmettler Drive, which will open to traffic in the spring.

Significant progress was also made on the City's first public parking structure, and construction is expected to be complete in late 2019.

The private developer associated with the City Centre project, City Ventures, has two apartment/retail buildings under construction. The first building (located directly behind the existing Chili's) is slated for completion and occupancy later this year.

**Civic Center Park**
Civic Center Park improvements are taking place in phases. The first phase consisting of site grading and the creation/expansion of the two lakes was completed in late summer.

Work on Phase Two has started and includes the installation of irrigation, electrical conduit, some trails, a fountain in the large lake, and construction of a fire access road from Central Park to the north end of the City Centre development. Work on these projects will resume in the spring.

**Other**
Omaha Public Power District has been working to reroute a transmission line that originally ran through the north end of the City Centre property. Temporary lines were placed in Civic Center Park while preparation was being made for the rerouting of this line along 72nd Street and on Harrison Street. The relocation is nearing completion, and the temporary transmission lines in Civic Center Park have been removed.

The City Council also approved the Corridor 84 Streetscape Plan, which is now in the design phase.

The large building at the center of the photo is the first apartment/retail building in La Vista City Centre, which is scheduled for completion later this year. The City's parking structure can be seen behind this building. The second apartment building under construction is at the left.

**What Will Happen in 2019?**
City projects scheduled for this year include:

- Completion of the first public parking structure.
- Completion of the projects associated with Phase Two of Civic Center Park.
- Construction of a new intersection at 84th Street & City Centre Drive, which will replace the existing 84th & Summer Drive intersection.
- Completion of an asphalt resurfacing project on 84th Street from Harrison to Giles (see page 5 for more information).
- Implementation of the 84th Street Adaptive Signal Project, which will help move traffic more efficiently along the 84th Street corridor from Omaha to Papillion.
- Phase Two of the Streetscape Plan which includes the creation of design documents and an implementation schedule.
- Placemaking and landscape design work to create the public connection between the City Centre development and Civic Center Park as well as green spaces within the development.
CITIZEN PARTICIPATION IS VITAL TO A THRIVING COMMUNITY - THAT’S WHAT I SAID LAST YEAR, AND BASED ON THE RESPONSE TO THE COMMUNITY INTEREST & OPINION SURVEY, I'D SAY LA VISTA IS DEFINITELY THRIVING!

FROM THE 1,500 SURVEYS SENT, WE WERE HOPING TO GET AT LEAST 400 RESPONSES. WHEN THE RESULTS CAME IN, WE WERE THRILLED TO SEE THE 530 RESPONSES WE RECEIVED. THIS LEVEL OF PARTICIPATION IS AMAZING, AND IT IS AN INDICATION OF HOW MUCH OUR RESIDENTS CARE ABOUT THIS COMMUNITY.

I WOULD ENCOURAGE YOU TO READ THE STORY ON THE NEXT PAGE REGARDING THE SIGNIFICANCE OF THE SURVEY RESULTS. VIEW THE RESULTS FOR YOURSELF ON OUR WEBSITE AT CITYOFLAVISTA.ORG/SURVEY.

WHEN IT COMES TO PLANNING THE FUTURE OF OUR COMMUNITY, YOUR PARTICIPATION IS KEY TO HELPING US OFFER THE PROGRAMS AND SERVICES YOU AND YOUR FAMILY NEED AND DESIRE.

IN ADDITION TO THE SURVEY, RESIDENTS HAVE HELPED US PLAN THE CORRIDOR 84 STREETSCAPE, WHICH IS CURRENTLY IN THE DESIGN PHASE.

THE RECORD-BREAKING ATTENDANCE AT TASTE OF LA VISTA LAST SUMMER ALSO GAVE US AN INCREDIBLE OPPORTUNITY TO SHARE INFORMATION WITH YOU AND TO HEAR DIRECTLY FROM YOU.

WE WILL CONTINUE TO PROVIDE OPPORTUNITIES FOR YOU TO SHARE YOUR IDEAS AND OPINIONS WITH US.

I CAN’T EXPRESS TO YOU ENOUGH HOW PROUD I AM TO SEE SUCH ENTHUSIASM FROM OUR RESIDENTS AND TO SERVE AS YOUR MAYOR.

I LOOK FORWARD TO WHAT’S AHEAD!

– Mayor Douglas Kindig

Holiday Season was Merry & Bright!
Events hosted in December at Santa’s Workshop, Library and Community Center

It seemed like Santa was everywhere this past holiday season! Santa’s Sleigh Ride and the annual Tree Lighting Celebration & Soup Supper kicked off the season, and Santa’s Workshop gave him a chance to visit with hundreds of children.

Survey Shows Interest in Lifelong Programming

Results from the recent Community Interest & Opinion Survey will help the City set priorities in the coming years for the Library and Recreation Department.

The survey was an opportunity for residents to say what activities and programs they would like to see the City offer, as well as what they think about existing programs and events.

The results indicated that residents have a need for most of the services and facilities provided by the City, but desire additional amenities focused on lifelong wellness, such as senior activities, adult wellness, computer/technology training.

For example, nearly 80 percent of those responding to the survey said they would be supportive of the City establishing dedicated space for senior programming, classes and fitness opportunities.

The survey identified future priority investments by weighing unmet needs and the importance of programs and amenities.

For the Library, these priority investments included book and ebook rentals as well as programming for children and technology training. For Recreation, these included a swimming pool and/or splash pad as well as adult wellness classes, special events and pet-friendly events.

“Staff is diving into the data and talking about ways to use it to make improvements to our existing services,” said City Administrator Brenda Gunn. “I think we’re finding that people’s needs are much more centered around experiences than formal, organized activities, so we’ll be looking at how to incorporate these ideas and this data into our existing programs and services.”

The full survey results are available on the City’s website at CityofLaVista.org/Survey.
Our Businesses Make a Difference

Time and time again La Vista area businesses are willing to share their time and talents to support the community. While they do this selflessly and without expectation of being recognized or rewarded, we want them to know just how much their dedication is appreciated.

Beginning with this issue of CityWise, we will recognize our business partners who give back and help make a difference in the community.

Recognizing...

Apple Roofing

When Josh Brown, Omaha Branch Manager for Apple Roofing, visited the swimming pool this past summer, he observed that the roof of the shelter was in need of replacement. He inquired about replacing the roof as an opportunity to train a new employee while doing something to improve the community.

We want to thank Apple Roofing not only for their generosity in donating the materials and labor, but for recognizing the opportunity to make the community better.

Thank you for your contributions to our community!

Secure your valuables!

As the seasons change, so do the patterns of thieves. Here are some tips to take extra precautions to ensure the safety of yourself and your property.

Lock your doors. Statistically, an unlocked vehicle is always the first choice for a thief.

Remove or conceal property. Some of the common targets inside vehicles are GPS units, cell phones, laptops, and iPads.

Park near lighted areas. When parking in large lots, if you can’t park near the entrance, park as close to security lights as possible. This includes your residence - if you have motion-detecting lights, be sure they are positioned toward your vehicle. Ensure that you change the light bulbs when needed.

Report suspicious activity. For crimes in progress or suspicious activity, call 911. To report crimes that have already occurred, call the LVPD non-emergency number, 402-331-1353.

For more information, contact Officer Dana Miller, 402-331-1582 or via e-mail at DMiller@cityoflavista.org.
With winter weather comes pothole season, which keeps the Streets Division of Public Works busy throughout the year. The number and severity of the potholes each year is triggered by the freeze/thaw cycle during the winter months - the more temperatures go up and down, the worse the potholes.

Pothole repair happens in two phases. During the winter months, crews use a cold patch material, which often does not adhere to the concrete like hot asphalt and isn’t available until spring. So this is a temporary fix until asphalt plants reopen in the spring.

During cold patch operations, crews clear each hole of debris, fill it and smooth it with a shovel. A street sweeper follows sometime later to clean up any debris left in the street.

When hot asphalt is available, crews go back to the areas where cold patch was previously used and apply the more permanent fix to the hole.

As weather fluctuates, especially if temperatures get colder or it snows, asphalt operations cease until conditions allow it again.

As La Vista’s streets continue to age, the City will continue to prioritize repair and maintenance of the infrastructure.

Resurfacing Projects Planned for 84th St., Park View Blvd. & Brentwood Dr.

Several resurfacing projects are in the works for this summer. This will affect traffic, but improve the condition of these roads:

1. 84th Street - Harrison to Giles
2. Brentwood Drive - 84th to 87th
3. Park View Boulevard - 72nd to 84th

Start dates have not yet been set for these projects, but watch the website as well as the City’s social media channels for more information in the coming months.

Voters Re-elect City Councilmembers

La Vista residents re-elected four City Council members during the General Election in November.

Serving for four more years are:

- Ward I: Kim Thomas, Council President
- Ward II: Terrilyn Quick
- Ward III: Alan Ronan
- Ward IV: Kelly Sell

City Council ward maps are online CityofLaVista.org/WardMaps
**New Lighting**

Beginning in February, crews will be working to install new lighting at the Library, so please be patient with us during this work!

**Weather Announcement**

When Papillion-La Vista Schools close due to weather, the library will cancel all programming scheduled for that day.

**Phone and Tablet Assistance**

Did you get a new phone or tablet for the holidays? We can help you. Librarian Jean Hurst can sit down with you and show you the ropes and shortcuts to getting the most from your new device.

Call the Library, 402-537-3900, to set up an appointment that’s convenient for you.

**Winter Reading Program for Adults (18+)**

Through March 30!

Read 10 books by March 30 to be entered to win a prize! Bonus entry awarded for books over 500 pages.

Keep track of the books you read on your Winter Reading Bookmark, and once you have completed 10, turn it in at the Library.

**Language Resources at your Fingertips!**

Access with your Library card

If you’re planning a summer trip to Paris or maybe a cruise to Mexico and need to learn the language, the La Vista Public Library has the tools you’ll need to learn at your own pace and be ready for your next adventure!

Using your library card, you can access two electronic language resources, which allow you to learn from your computer: Mango and Rocket.

Mango features more than 70 languages, including Spanish, Czech, Polish and even Pirate! On Rocket, you can learn American Sign Language, Korean or even English as a second language.

To access these resources, you will need to create an account with your library card number, name, and e-mail address.

As always, if you need assistance, please reach out to our staff at 402-537-3900 or stop by the Library.

You can access these resources, and so many more, on our website at: [CityofLaVista.org/Databases](http://CityofLaVista.org/Databases)

**Library Notes**

The library hosts programs throughout the week for each age group. Generally our programs are on the following schedule:

- Birth-Pre-K - Mon., Wed.
- K-3rd grades - Tuesdays
- Tweens (4th-6th) - Mon.
- Teens - Varying days
- Adults - Varying days

**Council Clips**

The following items are highlights of recent City Council action:

- Swore in a new police officer, Tyler Boyer.
- Approved a professional services agreement to update the space needs at City Hall.
- Approved a professional services agreement with Design Workshop for Corridor 84 Streetscape Design Development.
- Approved purchase of 2 spreaders to be used in pick-up trucks during snow removal operations and a medium duty truck for the Public Works Department.
- Recognized the work of Eagle Scout Nolan Stengel, whose project helped improve Jaycee Park.
- Received the results of the Community Interest & Opinion Survey.
- Approved the purchase of body worn cameras, portable and mobile radios and a law enforcement voice recognition system for the Police Department.
- Approved the purchase of a pick-up truck for the Community Development Department.

**Annual Spring Clean-Up Days**

**Joint Event with Papillion**

La Vista’s annual spring Clean-Up Days will be expanding from two days to four days this year thanks to a joint effort with the City of Papillion.

The clean-up event will take place **April 25-28, 7 a.m.-5 p.m. each day, at Papillion’s Public Works Department**, which is located at 9909 Portal Road, directly across from the La Vista Public Works facility.

All residents of both communities, including those in La Vista’s Extra-Territorial Zoning Jurisdiction, are encouraged to take advantage of this free disposal service.

“The goal with this joint event is to offer more opportunities for La Vista residents to use this free service,” said Joe Soucie, Director of La Vista Public Works. “This cooperative effort will also save taxpayer dollars in both communities, which is always a plus. We recognize that wait times may be longer, because residents from both communities will be participating, so we ask that you plan accordingly and be patient with our crews as they move everyone through as quickly as possible.”

Examples of items that will be accepted include: major appliances, televisions, lawn and household furniture, toys, bikes, lawn mowers, grills, mattresses as well as yard waste, leaves and grass clippings. Tree branches and stumps of any size will also be accepted. Household batteries and vehicle batteries will also be accepted.

Electronic recycling is available this year. Items accepted will include: computers, computer monitors, mouse, stereos, speakers and printers. Computer hard drive erasing and destruction will also be offered.

Television sets will not be accepted for recycling, but can be disposed with other debris on site.

Paint and household chemicals and cleaners will not be accepted, but can be dropped off at Under the Sink, 4001 S. 120th Street. Tires will also not be accepted.

Proof of residency will be required with either a valid driver’s license or a utility bill.
