REPORTS FROM CITY ADMINISTRATOR AND DEPARTMENT HEADS

City Administrator Gunn informed Council that City Hall and the Community Center will be closed until 1:00 p.m. due to repair work being performed by MUD which will require the water to be shut off until that time.

Recreation Director Stopak thanked everyone for their help with the La Vista Swimming Pool Splash Bash that was held on Sunday, August 16, 2009. Mayor Kindig thanked Stopak and his staff for the extended pool hours this week.

B. RENTAL INSPECTION PROGRAM

1. ORDINANCE – ADOPT RENTAL INSPECTION PROGRAM
   (TABLED FROM 8/4/09 MEETING)

Councilmember Ellerbeck introduced Ordinance No. 1095 entitled: AN ORDINANCE TO ADOPT AND CODIFY A RENTAL LICENSING AND INSPECTION PROGRAM AS SECTION 150.6 OF THE LA VISTA MUNICIPAL CODE; TO REPEAL CONFLICTING ORDINANCES PREVIOUSLY ENACTED; TO PROVIDE FOR SEVERABILITY; AND TO PROVIDE FOR THE EFFECTIVE DATE HEREOF.

Mayor Kindig then asked that members of the public wishing to speak for or against this agenda item come to the podium, sign in and state their name and address for the record. He asked that they keep comments to three minutes and to try not to repeat what has already been said.
Barbara Babitt, 1108 Kingston Ave, addressed Council to state she has owned rental property since 1972. She does not feel we should hold landlords to a higher standard than home owners. Tenants of 10 years will move if this ordinance is passed.

Jeanette Brezina, 712 Dublin Dr, presented a handout to Mayor and Council. She stated that statistics say foreclosures will increase and landlords will not purchase homes. She stated she has put her heart and soul into her rental property.

Tina Boles, 7605 S 72nd St, informed Council that as a renter, she would not want a person she does not trust inspecting her home.

Shirley McNally, 1323 William Street in Omaha, suggested a HUD program – for "rental rehab: to help owners with grants. The City should use this program to obtain money from the Federal Government.

Martin Ware, 7311 Lillian Ave, showed Council pictures of houses. He says the City has laws on the books, of which he is a proponent, to take care of concerns. He has fought for 44 years to ensure residents follow these laws.

Sharon Gottschalk, 15013 S 27th St, said Council should vote "no" to selective code enforcement. She said she has lived in a home over 15 years that has not been inspected. Rental property is repainted every 2 years and re-carpeted every couple of years. She has never rented property without the tenants seeing/inspecting the property before signing a lease.

Jared Hollinger, 17101 Fairway Cir., told Council their goals are noble, but the methods are misguided. He stated that at the August 4th meeting, he invited all Councilmembers to contact him. He received a call from Councilmember Crawford. He gave figures on what was spent on rehabilitation of rental properties as requested by Councilmember Crawford. He also asked why there were not proponents on this issue. Mayor Kindig asked Mr. Hollinger to end his comments because his time had expired.

Mark Bowler, 2602 Platteview Rd, quoted the 2000 census which stated that 41% of homes in La Vista and 40% of homes in Omaha are rental properties. He also stated that this was not among the top three concerns in the Citizens Survey done by the City.

Tom Klinkacek, 13426 Edna St, informed Council he is a City of Omaha real estate agent. He is against the ordinance as it discriminates against landlords, who will in turn, pass fees on to their tenants.

Bill and Terri Russell, 7427 S 69th St, addressed Council to state that many houses in their neighborhood, which are rentals, are unkempt. They stated that they support this program.

Wanda Prescott, 10040 Regency Circle, a representative of the Richdale Group, stated the ordinance will infringe on space, and an employee of Richdale will have to be present when inspections are performed.

After hearing from the public, Mayor and Council discussed the agenda item. Councilmember Crawford stated that the "tenant-landlord act" is already a law that needs to be enforced. He suggests putting information in the quarterly newsletter.

Councilmember Sheehan feels this is a problem that needs to be dealt with, but the City has not brought in all parties involved. He feels the City should have taken input from all sides. Councilmember Carlisle agreed with Councilmember Sheehan. She would like to see a roundtable sessions.

Councilmember Gowan feels they need to do what is right for the city. He feels the tenants might fear reporting problems in a rental property. Gowan stated there are many businesses in the City that are inspected [and this is no different]. He would like to see a report of concerns from these inspections.

Mayor Kindig asked staff to look at the number of meetings that have been held over the past year to discuss this concern with the public. Renting property is a business, and businesses in La Vista are required to have an Occupation License. The fee called for under this program would be less than the current Occupation Tax. The Occupation Tax fee would be waived with this ordinance, and a rental inspection program license fee ($50.00 for single family dwellings and $6.00 per unit for multi-family dwellings) would be charged. This new license fee would be waived the first year. With regard to alleged inconvenience of inspections, Mayor Kindig does not believe this will be the
case – noting that, based on an estimate by City staff, only 1.5 hours every two years would be needed on average for inspection of single family rental having no major code violations. The inspection program is being proposed to ensure a minimum standard of living of tenants, but more importantly primarily out of concern for tenant safety. Rather than having a negative impact on the rental market, Mayor Kindig stated this ordinance could be used as a marketing tool to bring good tenants into the area. According to his research, similar programs have worked very well in other communities. The opposition to the program from landlords is similar to the opposition City leaders experienced from developers when development design standards were first proposed; he noted the success of design standards and how other communities in the area have since followed suit. He does not see the ordinance as an invasion of privacy.

Councilmember Sell made a motion to approve Ordinance No. 1096 on its first reading and pass it on to a second reading. Seconded by Councilmember Sheehan. Councilmembers voting aye: Sell, Quick, Ellerbeck, and Gowan. Nays: Ronan, Sheehan, Carlisle, and Crawford. Absent: None. Mayor Kindig voted aye to break a tie vote. Motion carried.
