La Vista Board of Adjustment

Section 8.03 Powers and Jurisdiction on Appeal

The Board of Adjustment shall have the following powers:

- 8.03.01 To hear and decide appeals where it is alleged there is error in any order, requirement, decision or determination made by an administrative official or agency based on or made in the enforcement of any zoning regulation or any regulation relating to the location or soundness of structures;
- 8.03.02 to hear and decide, in accordance with the provisions of this Ordinance, requests for interpretation of any map, or for decisions upon other special questions upon which the Board is authorized by this Ordinance to pass; and
- 8.03.03 To grant variances, where by reason of exceptional narrowness, shallowness or shape of a specific piece of property at the time of enactment of this Ordinance, or by reason of exceptional topographic conditions or other extraordinary and exceptional situation or condition of such piece of property, the strict application of any regulation under this Ordinance would result in peculiar and exceptional practical difficulties to or exceptional and undue hardships upon the owner of such property, to authorize, upon an appeal relating to the property, a variance from such strict application so as to relieve such difficulties or hardship, if such relief may be granted without substantial detriment to the public good and without substantially impairing the intent and purpose of this Ordinance.
- 8.03.03.01 The Board of Adjustment shall authorize no such variance, unless it finds that:
1. The strict application of the Ordinance would produce undue hardship;
 2. Such hardship is not shared generally by other properties in the same zoning district and the same vicinity;
 3. The authorization of such variance will not be of substantial detriment to adjacent property and the character of the district will not be changed by the granting of the variance; and
 4. The granting of such variance is based upon reasons of demonstrable and exceptional hardship as distinguished from variations for purposes of convenience, profit or caprice. No variance shall be authorized unless the Board finds that the condition or situation of the property concerned or the intended use of the property is not of so general or recurring a nature as to make reasonably practicable the formulation of a general regulation to be adopted as an amendment to this Ordinance.

In exercising the above mentioned powers, the Board may reverse or affirm, wholly or partly, or may modify the order, requirement, decision or determination appealed from, and may make such order, requirement, decision or determination as ought to be made, and to that end shall have all the powers of the officer from whom the appeal is taken. The concurring vote of four (4) members of the Board shall be necessary to reverse any order, requirement, decision or determination of any such administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under this Ordinance or to effect any variation in this Ordinance.
