BACKGROUND

The Public Works Director requested this item be tabled on the August 17, 2010 Council Agenda in order for several outstanding questions to be answered concerning the purchase. Those questions have been adequately answered.

The proposed equipment request is to replace a 1994 Cues Sewer Inspection System. On August 9, 2010 bids were received and publically read aloud. Public Works is recommending the bid be awarded to Woodhouse Ford as the low compliant bidder. A synopsis of the bids received is listed below:
