BACKGROUND

A review of the Traffic Code has revealed that changes need to be made in order to improve the Police Department’s ability to enforce parking regulations within the City. Specific recommendations include:

Section §70.090, Definitions, would specifically not include a “parking violation notice” in the definition of citation as used in the subchapter.

Section §70.111, Abatement of Parking Violation, would add the Code Enforcement Officer into the ordinance giving the position the ability to abate parking violations.

Section §72.21, Parking After Snow, would delete the “two or more inches of snow, ice and/or sleet” provision and the ordinance would be enforceable after the Mayor or his/her designee has declared a snow emergency. Current language relies on snow estimates of “two or ...” “or when the Mayor or his/her designee shall declare a snow emergency” for the parking prohibition to take effect. Many times the police officers and more importantly the public is unaware if the ordinance is applicable unless a snow emergency has been declared.

Section §72.58, Parking Violations Bureau, deletes the specific parking violation penalty and refers the penalty to what is set forth in the Master Fee Ordinance. Additionally, proposed changes allow for a petition procedure for contesting a parking violation notice as opposed to a court appearance. Another change allows the Chief of Police to assign persons (such as the Code Enforcement Officer) to issue parking violation notices.

Section §72.59, Administrative Fees, removes the specific parking violation penalty and refers the penalty to what is set forth in the Master Fee Ordinance.
§ 70.090 DEFINITION.

As used in this subchapter, "citation" shall mean any citation issued by any officer of the city police to any person for any offense which is a traffic infraction, or other infraction, or for any violation or alleged violation of any ordinance of the city or any statute of the state of Nebraska, and any copy thereof. The term does not include parking violations or the City Police Department file copy of a citation which has previously been forwarded to the County Attorney, which file copy may be disposed of in such manner as the Chief of Police may determine when he or she determines that retention of such file copy is no longer necessary.

§ 70.111 ABATEMENT OF PARKING VIOLATION.

If any vehicle found to be parked in violation of any applicable provision of this code, state law or city ordinance, rule or regulation is not described in § 70.110(A), (B) or (C) above, a police officer or code enforcement officer of the city shall affix to such vehicle a parking violation complaint and notice of a public nuisance and misdemeanor, and order to abate such nuisance within the time stated therein. The Police Department shall develop and apply a uniform schedule of time for abating nuisances based on the violation giving rise to the nuisance. The owner or person in possession of such vehicle shall, within the time specified in such order, abate such nuisance. Each separate period of time that a vehicle is found to be parked in violation of any applicable provision of this code, state law or city ordinance, rule or regulation shall constitute a separate and distinct nuisance and misdemeanor and a separate and distinct complaint, notice and order of abatement shall be affixed to such vehicle for each such period of time. (Ord. 924, passed 1-20-94)
§ 72.21 PARKING AFTER SNOW.

Whenever there may have fallen two or more inches of snow, ice and/or sleet on the streets of the city, or when the Mayor or his/her designee shall declare a snow emergency, with notice thereof to the news media, it shall be unlawful for any automobile to be parked on any public street within the city for 24 hours or until after such accumulated snow shall have been removed by snow removers provided by the city-whichever is later. Any automobile left parked in violation of this section may be ordered removed by the Chief of Police and such illegal parking shall constitute appointment of the Chief of Police as agent of the owner and any mortgagee thereof to contact with any other party to remove said automobile and grant a lien to such remover of said automobile of his or her charges for removal and storage thereof. If such unlawfully parked automobile is not removed, and by reason of its presence any part of the streets of the city are impossible to plow clear the snow, the person in violation of this section shall be civilly liable to the city for any added plowing expense necessarily incurred as a result of such unlawful parking, unless the violator shall promptly clean such unplowed area himself or herself.
