## MINUTE WITH THE MAYOR

Happy 2025, La Vista. Seeing so many residents celebrating together during our City's holiday events renewed my pride in our community. We truly have the best people in La Vista!

I've said it here before, and I firmly believe that La Vista's volunteers shape who we are as a community. Volunteers and their selfless acts of service make a meaningful impact that cannot be overstated. That's why I'm proud to share that for a second year in a row, the City is hosting a Volunteer Recognition event during National Volunteer Month in April to show appreciation for individuals and groups who give their time and talents in La Vista.

**The Volunteer Recognition event will take place during the City Council meeting on Tuesday, April 15.** If you have volunteered on a board or at a City event in the past 12 months, please consider joining us so we can formally thank you for your contributions.

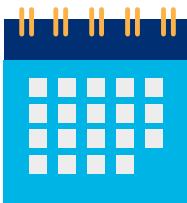

La Vista can always use more helping hands. The Recreation Department, the Library and our event teams rely on assistance from community helpers throughout the year. I encourage you to visit [CityofLaVista.org/Volunteer](http://CityofLaVista.org/Volunteer) to learn about volunteer opportunities with the City. There is a form to fill out if you'd like to be contacted about volunteer positions. This is a great way to find opportunities that match your interests. Spring and summer events are quickly approaching and I know our Event Team would welcome helpers at La Vista Days.

Speaking of La Vista Days, be sure to look at page five of this newsletter to see some preliminary information about the event. La Vista Days will again take place on the weekend following Memorial Day, so set your calendar reminder now for May 30-31. Then, watch for an announcement soon about the musical acts performing at the concert on Friday, May 30.

I'm looking forward to another great year in the City of La Vista.

**MAYOR**

*Douglas Kindig*

# RETIREMENTS

Two long-time City of La Vista employees retired late last year, with two more retiring next month. We're grateful for the contributions of these dedicated employees and their combined 94+ years of service to the community.

Here is a brief look at their careers and their plans for retirement.

## POLICE CAPTAIN

### D.J. BARCAL

Captain D.J. Barcal will retire March 7 after nearly 36 years with the La Vista Police Department. D.J. was originally hired by LVPD as a police officer and worked patrol for many years before later being promoted to Captain. Fun fact: The City only had 12 officers when he was hired!

D.J. is the current Uniform Patrol Bureau Commander. Before coming to La Vista, he served in the Air Force and worked for Douglas County Corrections and the Metro Community College Public Safety Department.

During his more than three and a half decades with the City, D.J. has enjoyed seeing the positive growth across La Vista and its Police Department. He's also proud to have worked to create La Vista's Police Honor Guard Unit.

D.J. and his wife, Rose, (who is the Director of the La Vista Public Library) love La Vista and look forward to living here for years to come. During his retirement, he'd like to serve on La Vista's Civil Service Commission to remain involved in the future direction of the Police Department.

## CITY CLERK

### PAM BUETHE

Pam Buethe retired in December after serving as La Vista's City Clerk for 18 years. While she had a wide range of responsibilities as City Clerk, La Vista residents may best know Pam for her role at City Council meetings.

Prior to accepting her position with La Vista, Pam was the City Clerk/Treasurer for the City of Gretna.

Last year, Pam was named the 2024 Outstanding Clerk of the Year by the Nebraska Municipal Clerks Association. Of her many notable achievements, Pam is proud of her work to successfully implement the City's records management system. She also takes great pride in having been the Civil Service Secretary, which allowed her to participate in the hiring and promotional processes for the Police Department.

Pam is excited to spend more time with her family now that she's retired. She also intends to complete many long-overdue projects at home.

## MAINTENANCE WORKER II (PARKS DIVISION)

### RON KELLER

Ron Keller, a valued member of the Public Works Parks Division, retired this past October after serving the City for more than 20 years.

Ron was appreciated for being a reliable team member who was always willing to lend a helping hand. He was first hired for the Parks Maintenance Worker I role, and later moved into a Maintenance Worker II position. Ron's supervisor, Park Superintendent Jason Allen, shared that

Ron was a wonderful employee, known for his dedication, accountability, and incredible contributions to the City.

"Ron is a devoted family man who has consistently demonstrated a strong commitment to both his work and his loved ones. His hard work and integrity have left a lasting impact, and he will be greatly missed," said Allen.

Ron worked side-by-side with another Keller in the Public Works Department. Ron's son, Tim Keller, is also a Public Works employee.

## MECHANIC

### RICK ROY

Rick Roy is retiring next month after 20 years of service to La Vista's Public Works Department. Rick began his career with the City as a shop assistant. He later transitioned to the role of mechanic.

Rick came to Public Works after having worked in the maintenance department at the Pamida/Shopko warehouse. He is known for being a talented expert in his trade, and for his resemblance to Santa Claus. In fact, Rick shared that a favorite memory he'll carry with him from his time with La Vista is assisting with the

City's annual Sleigh Ride. For years, Rick has braved the cold to help bring joy to La Vista residents.

Rick has enjoyed the opportunity to work with great people in the Public Works Department and explained that these people are a big part of what makes La Vista special.

Rick plans to remain active into retirement and will be working part-time at Liberty First Credit Union Arena in Ralston helping maintain the ice.

## Introducing La Vista's New City Clerk: Rachel Carl

La Vista has a new City Clerk, Rachel Carl. Mayor Douglas Kindig appointed Carl to the position in December to fill the role following the retirement of longtime Clerk Pam Buethe.

The City Council approved her appointment and Carl officially stepped into the role on December 21.

Carl has served the City of La Vista for more than six years, first as Deputy City Clerk and later as the Assistant to the City Administrator.

Carl began her career in local government in 2003 with the City of Ocean Shores, Washington, where she held various positions within the Public Works Department before becoming the City Clerk there. She came to La Vista in 2018, bringing with her a wealth of knowledge and a passion for public service.

Some of Carl's responsibilities as Clerk include managing records, issuing occupation licenses, maintaining the municipal code, publishing legal notices, and of course, keeping City Council agendas and minutes.

Carl sees the City Clerk as being La Vista's ultimate record keeper and hub of information.

"There are many facets to the work of the Clerk, and it often varies by the size of the city," said Carl. "Whether it be legislative actions of the City Council, financial records, or licenses issued, the City Clerk maintains the history of a community."

Carl's professional role aligns with her personal interests. Outside of work, she enjoys scrapbooking old family photos—a nod to her role as her family's historian.

Carl said she's thrilled to continue serving the La Vista community and looks forward to contributing to its growth and success.

## PERMIT REMINDER PROTECT YOUR HOME AND COMMUNITY

As you plan your next home improvement project, we're here to ensure it's a success. Many projects require permits to make sure the work meets safety standards and protects your investment. Examples of projects that require a permit include, but are not limited to:

- New or expanded decks • Sheds • Garages • Carports • Fences • Electrical or plumbing work
- Water heaters and HVAC systems • Remodeling kitchens or bathrooms, and finishing basements
- Adding, removing, or replacing walls, windows, doors, siding, and roofs

By obtaining the proper permits, you help ensure the work is safe for you, your family, and your neighbors. Performing work without the proper permits can lead to fines and complications when selling your home.

For more information on permit requirements and how to apply, visit [CityofLaVista.org/BuildingPermits](http://CityofLaVista.org/BuildingPermits) or contact the Community Development Department at **402.593.6400**.

My name is Jacob Ackerman. I was born and raised in the La Vista/ Bellevue area and have a love for my community, the outdoors and my family. After graduating from Bellevue West High School in 2014, I completed a two-year college ministry program at my church. During the ministry program and for two years after while working for the Youth Pastor, I was able to serve my community and act as a positive influence for many high school students. I have also volunteered on the security team at my church for many years.

Before coming to the LVPD, I worked in HVAC and then as an arborist. My wife and I have two young sons, and we enjoy spending time at the zoo. I am honored to serve the City of La Vista.

### Officer Brian Maddy

My name is Brian Maddy, and I am very excited to be part of the La Vista Police Department. Prior to becoming a police officer, I was the 8th Grade Counselor at La Vista Middle School. This is a great community, and I am eager to continue working with the people of La Vista.

I graduated from Iowa State University with degrees in Communication Studies and Elementary Education. I went on to earn a master's degree in School Counseling. My wife and I have two children. Our daughter, a recent graduate of Papillion-La Vista High School, is a freshman at Iowa State University and our son is a freshman at PLHS.

It is a real honor and privilege to serve this community as a police officer.

### Officer Conner Barnett

Hello, I'm Conner Barnett. I am a Nebraska native and prior to my career in law enforcement I was a teacher for a year. I attended Bellevue University and graduated with bachelor's degrees in education and U.S. history. I am a Nebraska Cornhuskers fan and a KC Royals fan.

## NATIONAL GIRLS AND WOMEN IN SPORTS DAY

La Vista Recreation proudly joins communities nationwide in recognizing National Girls and Women in Sports Day on February 5.

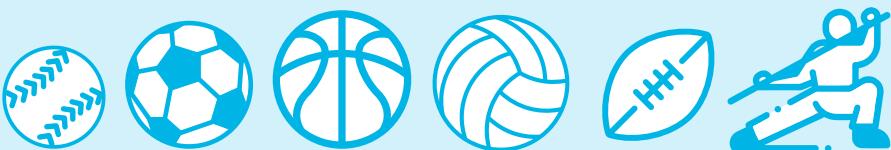

National Girls and Women in Sports Day is observed annually in the United States to highlight the positive impact of female involvement in sports. Playing sports empowers girls and women by building confidence, teaching teamwork, developing healthy habits and fostering lifelong leadership skills.

La Vista's Recreation Director, Heather Buller, says the Recreation Department is pleased to provide a wide range of opportunities for both girls and women to learn, grow and thrive through involvement in sports.

*"Positive role models in sports, whether they're coaches, teammates, or even professional athletes, help shape how young girls see themselves and their potential," said Buller.*

"For a young girl or woman to see local and national sports reflect them illustrates the endless possibilities that are available to them. Encouraging participation and creating inclusive environments is key to fostering not only athleticism, but also the leadership and determination that will stay with them in every aspect of their lives."

In the spring and fall of each year, La Vista's soccer clinics offer girls as young as three an introduction to team sports. T-ball, softball, volleyball, basketball, flag football and aikido are a few of the other sports offered through the Recreation Department that provide enriching experiences to girls of various ages—from elementary through high school levels. La Vista's popular women's volleyball league at the Community Center attracts players ranging from recent high school graduates to women in their sixties. Multiple teams in the league have mother/daughter pairs on their roster, and several teams have sisters playing together.

"Whether on the field or in the gym, we strive to create supportive environments and positive experiences that get young girls excited about sports—and physical activity in general," Buller said. "Our athletic programs are designed to be fun and equip girls with skills that will keep them active into adulthood," said Buller. "And, we give women opportunities to continue playing sports and participating in activities they enjoy throughout their lives."

**Happy National Girls and Women in Sports Day to all of La Vista's athletes, coaches and officials.**

## Staying Active and Connected: The Perks of La Vista's Senior Program

Long-time La Vista residents Harvey and Sally Swanger are enjoying a fulfilling retirement. Most days of the week, the couple can be found at the La Vista Community Center taking part in Senior Program activities. The Swangers credit the Senior Program for providing them with opportunities to make meaningful connections and maintain a sense of purpose during their current chapter of life.

Harvey and Sally have called La Vista home for more than 40 years. Sally retired four years ago, and Harvey has been retired for two years. They were familiar with the Community Center and had visited with their children over the years, but they didn't know much about the Senior Program until recently.

***"It wasn't until we retired that we really looked into the Senior Program to see what it offered," Sally said.***

"I'd say it was about a year and a half ago that we started coming

here, just occasionally to see what was going on," said Sally. Their visits quickly increased in frequency as they found new activities to add to their schedule.

***"We come here a minimum of three days a week," said Harvey.***

From crafts to balloon hockey, and bingo to volunteering as lunch servers, the couple has tried nearly all the Senior Program's offerings.

"When you have a lot of activities going on, you have a reason to go somewhere," Sally said. "I know some people who retire and say they just sit around the house—we don't. It gives you a good reason to get up and out, and you just feel more involved in your community."

According to the Swangers, the best part about the Senior Program is that it has introduced them to new people who have become dear friends.

"You meet your neighbors and a lot of nice people you didn't know before. So, you really expand your horizon of friends," said Sally.

Harvey added, "We just really enjoy the people that are here and the camaraderie."
