FOR IMMEDIATE RELEASE

La Vista Days scheduled for May 30 & 31

Annual festival features free family fun!

La Vista's annual celebration, presented this year by Kellogg Credit Union, will take place on May 30 & 31.

Events on May 30 include a free community concert at The Astro Amphitheater in La Vista City Centre featuring the bands **Women of Rock** and **Ventura Blvd.** (Tom Petty tribute). Food trucks and activities will also be available in The Nines Plaza, adjacent to the amphitheater. Tickets are not required for entry to the amphitheater for this event, and the venue has a clear bag policy.

Festivities on Friday will end on a high note with an immersive fireworks and drone show, sponsored by Veridian Credit Union, which will launch in Central Park and can be viewed from The Astro Amphitheater as well as other locations in the area.

Saturday, June 1, events begin at 10 a.m. with the annual parade down Park View Boulevard. Activities will also include a free community cookout, car show, activity zones with games and activities for any age group, pickleball tournaments, and a bingo tent. Food trucks and beer gardens will also be available for purchasing food and beverage.

The proceeds from the bingo tent will be donated to the local non-profit, **Moving Veterans Forward**. While all other activities at La Vista Days are free, there is a small 25 cent fee per bingo card.

Games and activities will include a virtual reality game truck, three shows from Wildlife Encounters, a foam party, face painting, climbing wall and tons of other fun surprises. Entertainment from the Main Stage will feature a brand new drumming competition, the Omaha Mobile Stage's first youth talent show of the summer, School of Rock and the day will conclude with a concert from Lemon Fresh Day. **The full schedule of events is included with this press release.**
