Approval.

**BACKGROUND**

Ordinance No. 921 established the City's Economic Development Program and formed the Citizen Advisory Review Committee which is charged with reporting to the Mayor and City Council in a public hearing at least once every six months.

## LA VISTA CITIZEN ADVISORY REVIEW COMMITTEE

---

To: Mayor and City Council

Dt: March 22, 2018

Fr: City Advisory Review Committee

Re: Economic Development Program Review

---

The Citizen Advisory Review committee is required to report to the Mayor and City Council at least once every six months regarding the Economic Development Program. The following is provided for the Committee's information and generally covers activity for FY17 (the period from October 1, 2016 to September 30, 2017) and the first part of FY18.

One application to the Economic Development Program has been received to date. The application was from John Q. Hammons to construct a full service Embassy Suites Hotel and conference center facility, which opened in July of 2008 and a Marriott Courtyard Hotel, which opened in May of 2009. These facilities are located in the Southport West subdivision.

1. The City has been collecting sales tax revenue for the Economic Development fund since its effective date. In FY17 the fund received \$800,000 in sales tax revenue, (bringing the total sales tax revenues transferred to the fund since its inception to \$4.4 million), and \$1,186,573 in loan payments (interest only) from John Q. Hammons. Expenditures in FY17 were \$1,995,741 for debt service associated with the grant and construction loan.
2. The Economic Development Fund Budget for Fiscal Year 2018 anticipates the receipt of \$16,997,265 in revenue from the balloon loan payment that is due from JQH.
3. The City's assessed valuation for 2018 is \$1,496,821,908, which is an increase of 6.11% from 2017. Over the past several years, the growth in the City's valuation has averaged approximately 5.6% annually.

FY2015 Valuation - \$1,269,085,286

FY2016 Valuation - \$1,331,138,549 (up 4.89%)

FY2017 Valuation - \$1,410,681,076 (up 5.97%)

FY2018 Valuation - \$1,496,821,908 (up 6.11%)

4. Sales and use tax revenue has continued to show a substantial increase over the last several years. The City has started to build a sales and use tax reserve for potential future rebates. FY2017 sales tax revenues (earned) were up 12.3% over last year.

FY2010 Sales and Use Tax - \$3,499,187 (up 9.2%)

FY2011 Sales and Use Tax - \$3,741,187 (up 6.9%)

FY2012 Sales and Use Tax - \$4,471,391 (up 19.5%)

FY2013 Sales and Use Tax - \$5,999,367 (up 34.2%)

FY2014 Sales and Use Tax - \$3,212,977 (actually received - \$2.4 million rebate to SON)

FY2015 Sales and Use Tax - \$6,956,421 (up 23.9% over total earned in FY14)

FY2016 Sales and Use Tax - \$8,238,608 (up 18.4%)

FY2017 Sales and Use Tax - \$7,550,882 (actually received - \$1.7 million rebate to SON; earned total up 12.3% over FY16)

FY2018 Sales and Use Tax - \$1,500,195 (through November). No sales tax revenue was received in December through February as the state is currently withholding payments to cover another large rebate. Revenue will start to come in again once the amount of the rebate has been satisfied.

5. Building permit valuations are reported in calendar year, not fiscal year. The past several years have remained fairly consistent—up and down somewhat based on various construction projects.

2008 - \$43,487,781 (a decrease from the previous year).

2009 - \$27,316,647

2010 - \$50,312,009 (two large multi-family projects at the end of the year)

2011 - \$34,936,491

2012 - \$28,813,664

2013 - \$31,603,604

2014 - \$48,455,140

2015 - \$53,935,091

2016 - \$27,782,343

2017 - \$43,036,890

2018 - \$ 2,098,359 (through Feb)

Total building permit valuations since 1997 are nearly \$1.14 billion.
