BACKGROUND

A public hearing has been scheduled and an ordinance prepared to amend Sections 2.04 (Definitions-C) and 5.14 (I-2 Heavy Industrial District) of the Zoning Ordinance to allow concrete batch plants as a permitted use in the I-2 District.

The proposed changes to the Zoning Ordinance defines concrete batch plants and allows them as a conditional use in the I-2 Heavy Industrial District. Staff has been contacted by the Lyman-Richey Corporation regarding a potential project which would expand their plant located on the northwest corner of 96th Street and Portal Road. Because concrete batch plants are not listed as a use in the I-2 District, the current use is nonconforming and expansion would not be permitted. Staff has evaluated their proposal and concluded that we would recommend an amendment to allow concrete batch plants as a conditional use in the I-2 District.

Redline copies of the proposed amendments are attached.

The Planning Commission held a public hearing on August 16, 2018, and unanimously recommended to the City Council approval of the text amendments.
