REDEVELOPMENT PLAN FOR THE 84TH STREET REDEVELOPMENT AREA PURSUANT TO NEBRASKA STATUTES, SECTIONS 18-2101 THROUGH 18-2154.

NOW THEREFORE, BE IT RESOLVED that the Mayor and City Council, as the governing body of the La Vista Community Development Agency, ("Agency") do hereby find, determine, declare and approve as follows:

I. **FINDINGS.** The Mayor and City Council hereby find and determine as follows:

- A. A general plan for the development of the City as a whole currently exists as the La Vista Comprehensive Plan, Updated December 2018, as amended February 4, 2020 ("Comprehensive Development Plan" or "Comprehensive Plan").
- B. The Mayor and City Council, on behalf of the City and after review and recommendation of the Planning Commission and satisfying all notice, public hearing and other applicable requirements, by Resolution No.12-011 declared the 84th Street Redevelopment Area as a substandard and blighted area in need of redevelopment.
- C. The City, upon recommendations of the Agency and Planning Commission, on July 16, 2013 approved a Redevelopment Plan "84th Street Redevelopment Area" ("2013 Redevelopment Plan") and on August 2, 2016 approved Amendment No. 1 ("Amendment No. 1") to said Redevelopment Plan (such 2013 Redevelopment Plan, as amended by Amendment No. 1, is referred to herein as "Redevelopment Plan" unless otherwise expressly provided), which Redevelopment Plan included a Mixed Use Redevelopment Project and Public Improvement Redevelopment Project primarily to eliminate and prevent recurrence of the substandard and blighted area.
- D. Amendment No. 2 to the Redevelopment Plan is presented at this meeting as prepared or caused to be prepared by the Agency ("Amendment No. 2"), which Amendment No. 2 provides further specification with respect to certain improvements of the Mixed Use Redevelopment Project and related tax increment financing as proposed in supplements to the original redeveloper application, and of the Public Improvement Redevelopment Project, including without limitation the event center ("Event Venue") and anchor office building ("Office Building"), and public improvements described in Amendment No. 2. Amendment No. 2 shall supersede and control over any provisions of the Redevelopment Plan to the extent any provision of such Redevelopment Plan is inconsistent with Amendment No. 2, and all provisions of such Redevelopment Plan are deemed revised, modified, and amended to be consistent with the provisions of Amendment No. 2. Terms and conditions of the Redevelopment Plan shall continue in effect except as modified by Amendment No. 2.
- E. The Agency, in recommending and adopting the 2013 Redevelopment Plan, designated the substandard and blighted 84th Street Redevelopment Area as appropriate for one or more renewal projects, which designation the Agency ratified and affirmed in recommending and adopting Amendment No. 1 and hereby ratifies and affirms in connection with recommendation and adoption of Amendment No. 2. Accordingly, the 84th Street Redevelopment Area is a community redevelopment area. All works and undertakings in such Area pursuant to Amendment No. 2, the Redevelopment Plan, Mixed Use Redevelopment Project, Public Improvement Redevelopment Project, or Neb. Rev. Stat. Sections 18-2101 through 18-2154 ("Community Development Law") constitute one or more redevelopment projects. Furthermore, the Agency, in recommending and adopting Amendment No. 1, designated the 84th Street Redevelopment Area, which does not exceed 600 acres, as eligible for imposition of an occupation tax, which designation the Agency hereby ratifies and affirms in connection with recommendation and adoption of Amendment No. 2 and may be carried out from time to time in one or more actions, enhanced employment area(s), and occupation taxes as determined and approved by the City.

Clerk. The Planning Commission also considered and recommended the Proposed Comprehensive Plan Amendment for approval.

- I. The Agency, before recommending Amendment No. 2 to the City Council for approval, considered, and in making such recommendation determined, the following in connection with the additions, subtractions, and modifications made by said amendment, and the Redevelopment Plan, as amended by Amendment No. 2: Whether the proposed land uses and building requirements in each redevelopment project area are designed with the general purpose of accomplishing, in conformance with the City's general plan as set forth in the City's Comprehensive Development Plan (subject to City Council adoption of the Proposed Comprehensive Plan Amendment), a coordinated, adjusted and harmonious development of the City and its environs which will, in accordance with the present and future needs, promote health, safety, morals, order, convenience, prosperity, and the general welfare, as well as efficiency and economy in the process of development, including, among other things, adequate provision for traffic, vehicular parking, the promotion of safety from fire, panic and other dangers, adequate provision for light and air, the promotion of the healthful and convenient distribution of population, the provision of adequate transportation, water, sewerage and other public utilities, schools, parks, recreational and community facilities, and other public requirements, the promotion of sound design and arrangement, the wise and efficient expenditure of public funds, and the prevention of the recurrence of insanitary or unsafe dwelling accommodations or conditions of blight. Factors considered include, without limitation, the following:
 1. Proposed public improvements, including without limitation public street, intersection, and offstreet parking improvements, will make adequate provision for traffic and vehicular parking.
 2. Buildings and other improvements will be designed and constructed in accordance with applicable fire and safety codes, which will promote safety from fire, panic, and other dangers.
 3. Planned public and private recreational, entertainment, and community areas and facilities, and placement of buildings of the Mixed Use Redevelopment Project will be designed to provide for light and air, and promote healthful and convenient distribution of population.
 4. The type of mixed use redevelopment and its proximity to Nebraska State Highway 85 (84th Street), Harrison Street, Giles Road, and connectivity to other major streets and I-80 is anticipated to facilitate commuting and traffic flow, and enhance the opportunity for further development and use of public transportation for residents and visitors to and from the area and other parts of the metro area. The Mixed Use Redevelopment Project also will include adequate water, sewerage, and other public utilities. The projects will be located in close proximity to area schools, and all La Vista residents will be able to enjoy improvements in the vicinity of the former La Vista Falls golf course and other recreational areas.
 5. The proposed projects provide and promote sound design and arrangement of public and private facilities and improvements that will benefit all La Vista residents.
 6. Expenditures of public funds and proposed works and improvements will be wise and efficient in eliminating and preventing recurrence of substandard, blighted, insanitary and unsafe accommodations, conditions, facilities, and areas.

Provisions of Amendment No. 2 involving the Mixed Use Redevelopment Project include the division of taxes as provided in Neb. Rev. Stat. Section 18-2147 ("TIF") and an incremental cost-benefit analysis was conducted with respect to such provisions using a cost-benefit model developed for use by local projects which considered and analyzed the following factors:

1. Tax shifts resulting from the division of taxes as provided in Neb. Rev. Stat. Section 18-2147,

2. Public infrastructure and community public service needs impacts and local tax impacts arising from the approval of such provisions of the redevelopment project,
3. Impacts on employers and employees of firms locating or expanding within the boundaries of the area of the redevelopment project as described in Amendment No. 2,
4. Impacts on other employers and employees within the City and the immediate area that are located outside the boundaries of the area of the redevelopment project as described in Amendment No. 2,
5. Impacts on the student populations of the school districts within the City; and
6. Any other impacts determined by the Agency to be relevant to the consideration of costs and benefits arising from provisions of the redevelopment project as described in Amendment No. 2.

Such cost-benefit analysis shall supplement the cost-benefit analysis originally conducted in connection with Amendment No. 1, based on improvements and increases in the Maximum Redevelopment Loan Amount pursuant to Amendment No. 2, and the original cost-benefit analysis as supplemented shall be and be deemed to constitute the cost-benefit analysis for the Mixed Use Redevelopment Project. Because the cost-benefit analysis for the Mixed Use Redevelopment Project is based on a Maximum Redevelopment Loan Amount to which all Individual Mixed Use Redevelopment Projects comprising the Mixed Use Redevelopment Project are subject, it shall be and be deemed to constitute the cost-benefit analysis for each Individual Mixed Use Redevelopment Project. The City Administrator or her designee on behalf of the CDA shall be authorized to conduct any additional cost-benefit or other analysis from time to time as she determines in her discretion necessary or appropriate in connection with any proposed TIF.

- K. All applicable requirements of the Agency with respect to proposed Amendment No. 2, including any notice or hearing requirements, have been satisfied.

II. **RECOMMENDATION OF AMENDMENT NO. 2.** Based on the foregoing and all other relevant factors, including any public comment at the public hearing, the Agency adopts and recommends Amendment No. 2 to the City Council for approval, subject to City Council adoption of the Proposed Comprehensive Plan Amendment, and further subject to satisfaction of all applicable requirements as the City Administrator or City Administrator's designee determines necessary or appropriate to carry out provisions of Amendment No. 2, including without limitation, any required notices, hearings, authorizations, rights, conditions, or approvals with respect to Second Amendment to Redevelopment Agreement or Second Amendment to Subdivision Agreement, or with respect to any proposed or required platting or zoning action, permit, economic development program grant, Vehicle Off-Street Parking District No. 2 additional improvements, general business occupation taxes, financing, or property conveyances. This recommendation includes the following:

- A. The recommendation of the Planning Commission concerning Amendment No. 2; and
- B. The following statements:
1. The proposed method and estimated cost of the acquisition and preparation for redevelopment of the redevelopment project area(s) described in Amendment No. 2 and estimated proceeds or revenue from its disposal to redevelopers shall be as provided in Amendment No. 2 and follows:

portion thereof are hereby authorized to be sold pursuant to a negotiated sale with D.A. Davidson & Co., as initial purchaser (the "Underwriter"). In connection with such sale, the Mayor, City Administrator or Director of Administrative Services (each, an "Authorized Officer") are hereby authorized to specify, determine, designate, establish and appoint, as the case may be, in one or more written designations which may be included in a bond purchase agreement (each, a "Designation"), (i) the aggregate purchase price of the Bonds (including any original issue discount or premium) and the underwriting discount which shall not exceed 0.7% of the aggregate stated principal amount thereof, (ii) the form and contents of any bond purchase agreement in connection with such sale, (iii) the title (including series designation), dated date, aggregate principal amount (including the aggregate principal amounts of serial Bonds and term Bonds, if any), which aggregate stated principal amount shall not exceed \$3,100,000, and the final maturity date, which shall not be later than October 15, 2029, (iv) the principal amounts maturing in each year, (v) the rate or rates of interest to be borne by each principal maturity of the Bonds, provided that the true interest cost of the Bonds shall not exceed 3.0%, (vi) the principal payment dates and interest payment dates, (vii) whether the Bonds will be subject to redemption prior to their stated maturity, and if subject to such optional redemption, the provisions governing such redemption, including a redemption price not to exceed 104% of the principal amount then being redeemed plus accrued interest to the date of redemption, (viii) the amount and due date of each sinking fund installment for any of the Bonds issued as term Bonds, (ix) the designation of the Bond Registrar and Paying Agent (defined herein) and the form and content of any agreement between the City and such entity and (x) all other terms and provisions of the Bonds not otherwise specified or fixed by this Ordinance.

The 2020 Bonds shall be issued in fully registered form in the denomination of \$5,000 or any integral multiple thereof. The date of original issue of the 2020 Bonds shall be the date of delivery thereof. Interest on the 2020 Bonds, at the respective rate for each maturity, shall be payable on April 15 and October 15 of each year, commencing on such date as provided in the Designation (each an "Interest Payment Date"), and the 2020 Bonds shall bear such interest from the date of original issue or the most recent Interest Payment Date, whichever is later. Interest shall be computed on the basis of a 360-day year consisting of twelve 30-day months. The interest due on each Interest Payment Date shall be payable to the registered owners of record as of the fifteenth day (whether or not a business day) immediately preceding the Interest Payment Date (the "Record Date"), subject to the provisions of Section 4 hereof. The 2020 Bonds shall be numbered from 1 upwards in the order of their issuance. No 2020 Bond shall be issued originally or upon transfer or partial redemption having more than one principal maturity. The initial bond numbering and principal amounts for each of the 2020 Bonds issued shall be as directed by the initial purchaser thereof. Payments of interest due on the 2020 Bonds prior to maturity or earlier redemption shall be made by the Paying Agent and Registrar as designated pursuant to Section 3 hereof (the "Paying Agent and Registrar"), by mailing a check or draft in the amount due for such interest on each Interest Payment Date to the registered owner of each 2020 Bond, as of the Record Date for such Interest Payment Date, to such owner's registered address as shown on the books of registration as required to be maintained in Section 3 hereof. Payments of principal due at maturity or at any date fixed for redemption prior to maturity together with any unpaid interest accrued thereon shall be made by the Paying Agent and Registrar to the registered owners upon presentation and surrender of the 2020 Bonds to the Paying Agent and Registrar. The City and the Paying Agent and Registrar may treat the registered owner of any 2020 Bond as the absolute owner of such 2020 Bond for the purpose of making payments thereon and for all other purposes and neither the City nor the Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary whether such 2020 Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any 2020 Bond in accordance with the terms of this Resolution shall be valid and effectual and shall be a discharge of the City and the Paying Agent and Registrar, in respect of the liability upon the 2020 Bonds or claims for interest to the extent of the sum or sums so paid.

Section 3. The Authorized Officers, or any one or more of them, are hereby authorized to appoint a Bond Registrar and Paying Agent (the "Paying Agent and Registrar" or the "Registrar") for the Bonds, which Registrar may be a bank or trust company, or the City Treasurer. The Registrar shall keep the books for the registration and transfer of Bonds at its office. If the Registrar is a bank or trust company, the Registrar shall serve in such capacities under the terms of an agreement entitled "Paying Agent and Registrar's Agreement" between the City and the Registrar, the form of which shall be approved by an Authorized Officer. The Mayor and Clerk are hereby authorized to

execute said agreement. The Registrar shall keep and maintain for the City books for the registration and transfer of the 2020 Bonds at the Registrar's designated office. The names and registered addresses of the registered owner or owners of the 2020 Bonds shall at all times be recorded in such books. Any 2020 Bond may be transferred pursuant to its provisions at the office of the Paying Agent and Registrar by surrender of such bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to said Paying Agent and Registrar, duly executed by the registered owner in person or by such owner's duly authorized agent and thereupon the Paying Agent and Registrar on behalf of the City will register such transfer and will deliver at its office (or send by registered mail to the transferee owner or owners thereof at such transferee owner's or owners' risk and expense), registered in the name of such transferee owner or owners, a new 2020 Bond or 2020 Bonds of the same interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the 2020 Bonds by this Resolution, one 2020 Bond may be transferred for several such 2020 Bonds of the same interest rate and maturity and for a like aggregate principal amount, and several such 2020 Bonds may be transferred for one or several such 2020 Bonds, respectively, of the same interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a 2020 Bond, the surrendered 2020 Bond or 2020 Bonds shall be cancelled and destroyed. All 2020 Bonds issued upon transfer of the 2020 Bonds so surrendered shall be valid obligations of the City evidencing the same obligations as the 2020 Bonds surrendered and shall be entitled to all the benefits and protection of this Resolution to the same extent as the 2020 Bonds upon transfer of which they were delivered. The City and said Paying Agent and Registrar shall not be required to transfer any 2020 Bond during any period from any Record Date until its immediately following Interest Payment Date or to transfer any 2020 Bond called for redemption for a period of 30 days next preceding the date fixed for redemption.

Section 4. In the event that payments of interest due on the 2020 Bonds on an Interest Payment Date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such Interest Payment Date and shall be payable to the registered owners of the 2020 Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Section 5. The 2020 Bonds shall be subject to redemption, in whole or in part, prior to maturity at any time on or after the fifth anniversary of the date of original issuance of the 2020 Bonds at a price equal to 100%, plus accrued interest on the principal amount redeemed to the date fixed for redemption, or upon such other terms as provided in the Designation. 2020 Bonds shall be redeemed only in amounts of \$5,000 or integral multiples thereof. Any 2020 Bond redeemed in part only shall be surrendered to said Paying Agent and Registrar in exchange for a new 2020 Bond evidencing the unredeemed principal thereof. Notice of redemption of any 2020 Bond called for redemption shall be given, at the direction of the City in the case of optional redemption and without further direction in the case of mandatory sinking fund redemption, by said Paying Agent and Registrar by mail not less than 30 days prior to the date fixed for redemption, first class, postage prepaid, sent to the registered owner of such 2020 Bond at said owner's registered address. Such notice shall designate the 2020 Bond or 2020 Bonds to be redeemed by maturity or otherwise, the date of original issue and the date fixed for redemption and shall state that such 2020 Bond or 2020 Bonds are to be presented for prepayment at the office of said Paying Agent and Registrar. In case of any 2020 Bond partially redeemed, such notice shall specify the portion of the principal amount of such 2020 Bond to be redeemed. No defect in the mailing of notice for any 2020 Bond shall affect the sufficiency of the proceedings of the City designating the 2020 Bonds called for redemption or the effectiveness of such call for the 2020 Bonds for which notice by mail has been properly given and the City shall have the right to direct further notice of redemption for any such 2020 Bond for which defective notice has been given.

Section 6. If the date for payment of the principal of or interest on the 2020 Bonds shall be a Saturday, Sunday, legal holiday or a day on which the banking institutions in the City of La Vista, Nebraska, are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such date shall have the same force and effect as if made on the nominal date of payment.

Section 8. Each of the 2020 Bonds shall be executed on behalf of the City with the manual or facsimile signatures of the Mayor and City Clerk of the City. The 2020 Bonds shall be issued initially as "book-entry only" bonds under the services of The Depository Trust Company (the "Depository"), with one typewritten bond per maturity being issued to the Depository. In such connection said officers of the City are authorized to execute and deliver a Letter of Representations (the "Letter of Representations") in the form required by the Depository (which may be in the form of a blanket letter previously executed and delivered by the City), for and on behalf of the City, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the 2020 Bonds. Upon issuance of the 2020 Bonds as "book-entry-only" bonds, the following provisions shall apply:

(a) The City and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds 2020 Bonds as securities depository (each, a "Bond Participant") or to any person who is an actual purchaser of a 2020 Bond from a Bond Participant while the 2020 Bonds are in book-entry form (each, a "Beneficial Owner") with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the 2020 Bonds,

(ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the 2020 Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the 2020 Bonds. The Paying Agent and Registrar shall make payments with respect to the 2020 Bonds only to or upon the order of the Depository or its nominee, and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such 2020 Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange 2020 Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so. The Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the City, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the 2020 Bonds or (ii) to make available 2020 Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such 2020 Bonds shall designate.

(c) If the City determines that it is desirable that certificates representing the 2020 Bonds be delivered to the ultimate Beneficial Owners of the 2020 Bonds and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of bond certificates representing the 2020 Bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the 2020 Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Resolution to the contrary, so long as any 2020 Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such 2020 Bond and all notices

with respect to such 2020 Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the 2020 Bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the 2020 Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee;

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section.

(f) In the event of any partial redemption of a 2020 Bond unless and until such partially redeemed 2020 Bond has been replaced in accordance with the provisions of this Resolution, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such 2020 Bond as is then outstanding and all of the 2020 Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced or upon termination by the City of book-entry-only form, the City shall immediately provide a supply of bond certificates for issuance upon subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement bond certificates upon transfer or partial redemption, the City agrees to order printed an additional supply of bond certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting officers. In case any officer whose signature or facsimile thereof shall appear on any 2020 Bond shall cease to be such officer before the delivery of such 2020 Bond (including any bond certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption) such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such 2020 Bond. The 2020 Bonds shall not be valid and binding on the City until authenticated by the Paying Agent and Registrar. The 2020 Bonds shall be delivered to the Paying Agent and Registrar for registration and authentication. Upon execution, registration and authentication of the 2020 Bonds, they shall be delivered to the City's Treasurer, acting on behalf of the City, who is authorized to deliver them to the Underwriter in exchange for the purchase price thereof plus accrued interest on the stated principal amount of the 2020 Bonds to date of delivery of the 2020 Bonds. Said initial purchasers shall have the right to direct the registration of the 2020 Bonds and the denominations thereof within each maturity, subject to the restrictions of this Resolution. Such purchaser and its agents, representatives and counsel (including the City's bond counsel) are hereby authorized to take such actions on behalf of the City as are necessary to effectuate the closing of the issuance and sale of the 2020 Bonds, including, without limitation, authorizing the release of the 2020 Bonds by the Depository at closing. The City Clerk shall make and certify a transcript of the proceedings of the Mayor and Council with respect to the 2020 Bonds which shall be delivered to said purchaser.

Section 9. Pursuant to the terms of the Program (as approved by the voters of the City and as set forth in Ordinance No. 921), the City hereby agrees to appropriate and deposit into the Economic Development Fund in each budget/fiscal year (the period commencing October 1 of each year and ending September 30 of the following year) commencing with the City's budget/fiscal year beginning October 1, 2020, so long as the 2020 Bonds remain outstanding and until and including the budget/fiscal year ending September 30, 2029, an amount from collections received with respect to the Special Tax Portion or other sources sufficient to pay the principal and interest on the 2020 Bonds as the same fall due, subject to the limitation set forth in Ordinance No. 921 that such deposited amount shall not exceed \$2,000,000 in any such budget/fiscal year. The City hereby covenants and agrees that there shall be set up within the Economic Development Fund a separate special account in the Economic Development Fund designated as the "Economic Development Fund Bond Payment Account" (the "Bond Payment Account") which shall constitute a separate and special account held by the City Treasurer of the City of La Vista for the benefit of the registered owners of the 2020 Bonds. In each budget/fiscal year, the City further hereby covenants and agrees that it shall deposit to the Bond Payment Account from amounts attributable to the Special Tax Portion an amount sufficient to pay principal of and interest on the 2020 Bonds as the same fall due, after taking into consideration any other amounts available for such purposes in the Bond Payment Account. the Bond Payment Account in any budget/fiscal year from any other amounts in the Economic Development Fund to satisfy its obligation under the terms of this Resolution to make deposit of amounts from the Special Tax Portion. Receipts from the Special Tax Portion required to be deposited to the Bond Payment Account and any such other amounts deposited to the Bond Payment Account are hereby pledged for the payment of the 2020 Bonds as the same fall due. The pledge and hypothecation provided for the 2020 Bonds in this Resolution is intended to and shall provide for a first and prior pledge or lien upon and security interest on amounts held in the Bond Payment Account superior to any pledge, lien or security interest made or given with respect to any other indebtedness of the City and is intended as an exercise of the powers of the City provided for in Sections 18-2701 to 18-2738, R.R.S. Neb., as now or hereafter amended, with respect to such deposited amounts. In the event of default of any of the provisions of the 2020 Bonds, the bondholders (or any receiver appointed for their protection) shall have the right at any time while such default continues to apply or require the application of receipts from the Special Tax Portion to the indebtedness evidenced by the 2020 Bonds, equally and ratably, subject to the limitation set forth in Ordinance No. 921. For purposes of holding, allocating and applying the receipts from the Economic Development Fund, the City hereby agrees to establish and maintain under this Resolution the Bond Payment Account in accordance with the following terms and conditions:

BOND PAYMENT ACCOUNT - In each budget/fiscal year, as and when received, revenues from the Special Tax Portion or allocated from other available funds in the Economic Development Fund shall be deposited to the Bond Payment Account until such account has credited thereto an amount equal to the amount of principal and interest falling due on the 2020 Bonds in such budget/fiscal year. The City Treasurer is hereby authorized and directed, without further authorization, to withdraw monies credited to the Bond Payment Account in an amount sufficient to pay, when due, the principal of and interest on the 2020 Bonds (including amounts necessary for any mandatory sinking fund redemptions as set forth in Section 5 of this Resolution) and to transfer such amounts to the Paying Agent and Registrar for the 2020 Bonds on or before each principal and interest payment date (including any mandatory sinking fund redemption date). Amounts required to make payments on the 2020 Bonds falling due on October 15, 2029 shall be deposited to the Bond Payment Account on or before September 30, 2029.

The provisions of this Section 9 shall require the City to maintain a set of books and records in accordance with such accounting methods and procedures as are generally applicable to municipal funds and accounts, which books and records shall show credits to and expenditures from the separate account required by this Section. Monies credited to the account described in this Section 9 shall be deposited or invested separate and apart from other City funds. The City shall not be required to establish separate bank or investment accounts within its separate and segregated Economic Development Fund, for the account described in this Section 9. In any fiscal year collections from Special Tax Portion appropriated to or budgeted for the Economic Development Fund, after satisfying the requirements for the Bond Payment Account may be applied to any other purposes of the Program determined appropriate by the Mayor and Council. The City hereby acknowledges and agrees (a) that the provisions of the Program and Ordinance No. 921 both provide for the levying of taxes on all the taxable property in the City of La Vista to provide funding for the Program; (b) that the Program as presented to the voters of the City indicated that property taxes as authorized under the terms of the Program were not expected to be required to be applied to the funding of the Program; (c) that if, for any reason, including but not limited to changes in law or changes in economic conditions, receipts for the Special Tax Portion or other sources are not sufficient to make the deposits to the Bond Payment Account and payments on the 2020 Bonds as provided for in this Section 9, the City shall cause to be levied and collected annually a tax on all the taxable property in the City sufficient in rate or amount (within the limitation to \$2,000,000 per budget/fiscal year as set forth in the Program) to pay the principal of and interest on the 2020 Bonds as the same fall due, after application of all other available resources.

Section 10. Until the 2020 Bonds have been paid in full, the City agrees that it will not incur any additional indebtedness or issue any bonds or notes payable from the Economic Development Fund unless such indebtedness, bonds or notes are expressly made subordinate to the 2020 Bonds, with the payments for such bonds or

Any such money so deposited with a bank or trust company may be invested and reinvested in Deposit Securities and all interest and income from such Deposit Securities in the hands of such bank or trust company, in excess of the amount required to pay principal of and interest on the bonds for which such monies were deposited, shall be paid over to the City as and when collected. The term "Deposit Securities" as used in this Section shall mean direct obligations of or obligations the principal and interest which are unconditionally guaranteed by the United States of America, including obligations issued in book-entry form.

Section 13. The terms and provisions of this Resolution do and shall constitute a contract between the City and the registered owner or owners of the 2020 Bonds and no changes, variations or alterations of any kind, except for changes necessary to cure any ambiguity, formal defect or omission, shall be made to this Resolution without the written consent of the registered owners of two-thirds (2/3rds) in principal amount of the 2020 Bonds then outstanding, provided, however, that neither the principal and interest to be paid upon any 2020 Bond nor the maturity date of any 2020 Bond shall be changed without the written consent of the registered owners of all such bonds then outstanding. Any registered owner of a 2020 Bond may by mandamus or other appropriate action or proceedings at law or in equity in any court of competent jurisdiction enforce and compel performance of this Resolution and every provision and covenant hereof, including without limiting the generality of the foregoing, the enforcement of the performance of all duties required of the City by this Resolution and the applicable laws of the State of Nebraska, including in such duties the collecting of revenues pursuant to the provisions of the Program and Ordinance No. 921 and the segregation of such revenues in the Bond Payment Account of the City's Economic Development Fund for the 2020 Bonds as described in Section 9 of this Resolution. Any and all actions brought by any registered owner or owners of the 2020 Bonds shall be maintained for the equal and ratable benefit of all registered owners of the 2020 Bonds then outstanding and no registered owners of any of the 2020 Bonds shall have any right in any manner whatsoever by any action or proceedings to affect, disturb or prejudice the pledge created by this Resolution.
