

AGENDA ITEM 4A

One & Six Year Road Plan

Memorandum

To: Planning Commission
From: Jeff Calentine, Deputy Director of Public Works
Date: 10/8/2020
Re: 1 & 6 Year Street Improvement Plan

The One and Six-Year Street Improvement Plan establishes prioritization and cost estimates for street improvements for the City of La Vista as identified by the Public Works Department.

In the spring of 2019, the Nebraska Legislature passed LB82 which made significant changes to requirements on reporting of the One and Six Plan to the Nebraska Board of Public Roads Classifications and Standards (NBCS). Counties and municipalities are still required to have a One and Six Plan on file but are only required to submit a letter of compliance to the NBCS.

The Planning Commission is no longer required statutorily to hold a separate public meeting for the One & Six Road Plan. All of the One & Six project information is contained within the CIP presentation that will still be presented to the Planning Commission as part of the budget process. Whether or not to continue to hold a separate meeting on the One & Six Plan is a decision that the Planning Commission can decide on moving forward.

RECOMMENDATION:

Staff recommends approval of the 1 and 6 -Year Street Improvement Plan Compliance Letter.
