

RE: Rental Property Registration

Dear Property Owner/Manager:

This is a courtesy **reminder** that every year all rental property owners are required to register their rental properties and provide proof of a pest control inspection. If you have a pest inspection currently on file with the City of La Vista that is dated **January 1, 2020**, or later, you can use that as your proof of a pest inspection for the 2021 registration year.

Attached is the 2021 Rental Inspection Program Registration Form. **Due to COVID19, there will be no charge for the Rental Inspection Program as the City is unable to conduct on-site inspections at this time. However, completion of the registration is still required.** The registration form and proof of pest inspection are due by **April 30, 2021.**

If the status of your rental property within the City of La Vista has changed, please submit a letter to the Community Development Department at 8116 Park View Blvd, La Vista, NE 68128 with an explanation as to how the property is currently being utilized.

If you have already submitted your 2021 renewal packet, please disregard this notice. If you have any questions, please do not hesitate to call me at 402-593-6401.

***Due to COVID19, inspections will not occur until it is deemed safe by the Chief Building Inspector to enter occupied properties.**

Sincerely,

Meghan Engberg
Permit Technician
