#### **SYNOPSIS**

A resolution has been prepared to approve a change order to the contract with Swain Construction, Inc. to provide for an additional item of work in the amount of \$53,465.74. Total contract amount not to exceed \$3,794,262.31.

#### **FISCAL IMPACT**

Approval

#### **BACKGROUND**

A contract was approved with Swain Construction on October 20, 2020, to construct concrete panel repairs as well as reconstruct curb ramps in accordance with current ADA standards within the intersection of 96<sup>th</sup> Street and Giles Road. In review of the impacts to the existing traffic signal loop detection system within the intersection due to the proposed concrete work, it was determined by staff that an upgrade to radar detection at this time would be advantageous for current and future operations of the intersection and be consistent with operational initiatives to upgrade existing signal systems to radar detection. The radar system recommended is the Vantage Vector system that was installed at the Giles Road and Southport Parkway intersection earlier this year, as well as what is proposed to be installed with the 114<sup>th</sup> Street and Giles Road Intersection Improvements project anticipated to start in July of 2021.

Changer Order No. 1 would increase the contract amount by 1.43%, or \$53,465.74 for a revised total amount not to exceed \$3,794,262.31.

**RESOLUTION NO. \_\_\_\_\_**

A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA AUTHORIZING THE CHANGE ORDER NO. 1 TO A CONTRACT WITH SWAIN CONSTRUCTION TO PROVIDE AN ADDITIONAL ITEM OF WORK IN THE AMOUNT OF \$53,465.74, INCREASING THE CONTRACT PRICE TO AN AMOUNT NOT TO EXCEED \$3,794,262.31.

WHEREAS, the Mayor and City Council of the City of La Vista Nebraska have determined that the 96th Street & 108th Street reconstruction project is necessary; and

WHEREAS, The FY21/FY22 Biennial Budget provides funding for this project; and

WHEREAS, Subsection (C) (9) of Section 31.23 of the La Vista Municipal Code requires that the City Administrator secure Council approval prior to authorizing any expenditure over \$5,000.00.

**RECOMMENDATION**

Approval.

**BACKGROUND**

On March 16, 2021, the City Council authorized the advertisement of request for proposals for preparation of a Business Continuity and Disaster Recovery Plan. The request for proposals was published and mailed to various consulting firms on or after March 17<sup>th</sup> and proposals were due by April 30<sup>th</sup>. The City received four proposals:

Martin Yarborough	\$25,005.
Business Contingency Group	\$44,754.
BerryDunn	\$49,105.
Moss Adams	\$62,360.

All four firms were interviewed by the Information Technology (IT) Committee the week of May 24<sup>th</sup>. Business Contingency Group and Moss Adams firms were recommended for further inquiries and reference checks.

The IT committee recommends the selection of Moss Adams LLP, from Seattle, Washington. Based on a background check, Business Contingency Group did not fare as well as Moss Adams. Moss Adams is much more rounded in their experience with business continuity and disaster recovery plans. The other firms had experience in one or the other but not both types of plans. Moss Adams demonstrated more experience in handling both sets of plans as identified in the RFP.

A draft contract from Moss Adams LLP will be reviewed by the City Attorney. Any revisions, as well as, adjustments to the schedule will be discussed with the consulting firm. The attached resolution authorizes the selection of Moss Adams LLP as the consulting firm and authorizes the City Administrator to negotiate a contract in an amount not to exceed \$65,000.

**BACKGROUND**

The Mayor and City Council have had previous discussions regarding the potential of locating a dog park in the City and have considered several sites. One of the sites considered during this process was the land north of and adjacent to the Library/Metro Community College Sarpy Center. This land is jointly owned by the City and MCC.

At the February 16, 2021 City Council meeting, discussion was held regarding a dog park located at the Library/Metro CC Site. Neighborhood residents addressed the City Council in support of this location. The Southwind Homeowners Association also submitted a letter to the City indicating their support.

The La Vista Metro Condominium Association, at their February 8, 2021 meeting agreed to that on a trial basis.

The Metropolitan Community College Board subsequently met June 22, 2021 and approved the lease and interlocal agreement for placement of the dog park on the Library/Metro CC site to commence August 1, 2021 and end May 31, 2022 unless renewed or extended by mutual agreement of both parties.

The City Clerk has verified with our current liability insurance carrier that the City is covered for claims such as a dog causing bodily injury in cases where the city was liable.
