Good morning Ann & Barbara -

Yesterday afternoon I received in my mailbox Invoice #2 for some of TD2's services as a subconsultant to DLR Group for construction materials testing, special inspections and SWPPP inspections for the LVCC Lot 12 parking lot - 10-17105-42 for a total of \$5,599.50.

The costs are within the estimated amounts for the scope of services performed, so this invoice should be approved and paid as soon as possible.

I'm attaching a copy of the invoice to this email and it is saved here as well:

\\dlrgroup\data\projects\OMA\10-17105-42\+Acctg\Consultants\Invoices\inv_TD2-166483_241028.pdf

As with the last TD2 invoice, we can invoice the City for this consultant scope at cost +10% - so it can invoice at \$5,599.60*1.1 = \$6,159.56

5 | Reimbursable Expenses:

In addition to the Lump Sum Construction Services Fee noted above, DLR Group proposes a not to exceed reimbursables amount of Twenty Three Thousand Five Hundred Dollars (\$23,500) to cover DLR Group reimbursable expenses, and sub-consultant expenses to TD2, who will provide Construction Staking and Surveying, Special Inspections and Materials Testing, and SWPPP Inspection services:

DLR Group reimbursable expenses will be invoiced based upon the expenses incurred plus 10%, at the Rates defined in Exhibit A, Prevailing Reimbursable Expenses.

Reimbursable costs for sub-consultant services are based on anticipated visits as defined in this letter and within TD2's Construction Services Unit Prices as shown on Exhibit C. Additional testing or site visits will be considered additional services performed at the Unit Prices noted on Exhibit C.

DLR Group will invoice the Owner for TD2's Construction Staking and Surveying, Special Inspections and Materials Testing, and SWPPP Testing as a Reimbursable Consultant at cost plus 10% for managing and coordination.

6 | Additional and Supplemental Services

In addition to those listed in the AIA B103 Agreement, any services not specifically provided for in the above scope, or that are beyond the assumptions listed below, will be considered additional services and can be performed at our current hourly rates or mutually agreed upon lump sum. Additional services will only be performed after receipt of written notice to proceed by Owner. Additional services that can be provided, but are not limited to, the following:

| AUTHORIZE PURCHASE – RADAR DETECTION UNITS | ◆ RESOLUTION ORDINANCE RECEIVE/FILE | BRADY SMALL STREET SUPERINTENDENT |

SYNOPSIS

A resolution has been prepared to authorize the purchase of four (4) Wavetronic Traffic Signal Radar Detection Units from Vierregger Electric Co., Omaha, Nebraska in an amount not to exceed \$47,405.

FISCAL IMPACT

The FY25/FY26 Biennial Budget provides funding for the proposed purchase.

The Wavetronic system is a radar system requiring minimal maintenance. Most detection adjustments can be made from the ground. Unlike the camera system, Wavetronic Radar is not affected by weather or sun glare and is a step forward towards the Share the Road initiative to help detect cyclists using the roadway.

2.4 Reservation of Rights. BS&A reserves all rights not expressly granted to Customer in this Agreement. Except for the limited rights and licenses expressly granted under this Agreement, nothing in this Agreement grants, by implication, waiver, estoppel, or otherwise, to Customer or any third party any intellectual property rights or other right, title, or interest in or to the BS&A IP.

2.5 Suspension. Notwithstanding anything to the contrary in this Agreement, BS&A may temporarily suspend Customer’s and any Authorized User’s access to any portion or all of the Platform if: (i) BS&A reasonably determines that (a) there is a threat or attack on any of the BS&A IP; (b) Customer’s or any Authorized User’s use of the BS&A IP disrupts or poses a security risk to the BS&A IP or to any other customer or vendor of BS&A; (c) Customer, or any Authorized User, is using the BS&A IP for fraudulent or illegal activities; (d) subject to applicable law, Customer has ceased to continue its business in the ordinary course, made an assignment for the benefit of creditors or similar disposition of its assets, or become the subject of any bankruptcy, reorganization, liquidation, dissolution, or similar proceeding; (e) BS&A’s provision of the Platform to Customer or any Authorized User is prohibited by applicable law; or (f) any Customer Data submitted, posted, or otherwise transmitted by or on behalf of Customer or an Authorized User through the Platform may infringe or otherwise violate any third party’s intellectual property or other rights; (ii) any vendor of BS&A has suspended or terminated BS&A’s access to or use of any Third-Party Products required to enable Customer to access the Platform; or (iii) in accordance with Section 7.1 (any such suspension described in subclauses (i), (ii), or (iii), a “**Service Suspension**”). BS&A shall use commercially reasonable efforts to resume providing access to the Platform as soon as reasonably possible after the event giving rise to the Service Suspension is cured. BS&A will have no liability for any damage, liabilities, losses (including any

loss of data or profits), or any other consequences that Customer or any Authorized User may incur as a result of a Service Suspension.

3. **Customer Responsibilities.**

3.1 **General.** Customer is responsible and liable for all uses of the Platform and Documentation resulting from access provided by Customer, directly or indirectly, whether such access or use is permitted by or in violation of this Agreement. Without limiting the generality of the foregoing, Customer is responsible for all acts and omissions of Authorized Users, and any act or omission by an Authorized User that would constitute a breach of this Agreement if taken by Customer will be deemed a breach of this Agreement by Customer. Customer shall use reasonable efforts to make all Authorized Users aware of this Agreement's provisions as applicable to such Authorized User's use of the Platform and shall cause Authorized Users to comply with such provisions.

3.2 **Third-Party Products.** BS&A may from time to time make Third-Party Products available to Customer or BS&A may allow for certain Third-Party Products to be integrated with the Platform to allow for the transmission of Customer Data from such Third-Party Products into the Platform. For purposes of this Agreement, such Third-Party Products are subject to their own terms and conditions. BS&A is not responsible for the operation of any Third-Party Products and makes no representations or warranties of any kind with respect to Third-Party Products or their respective providers. If Customer does not agree to abide by the applicable terms for any such Third-Party Products, then Customer should not install or use such Third-Party Products. By authorizing BS&A to transmit Customer Data from Third-Party Products into the Platform, Customer represents and warrants to BS&A that it has all right, power, and authority to provide such authorization.

3.3 **Customer Control and Responsibility.** Customer has and will retain sole responsibility for: (i) all Customer Data, including its content and use; (ii) all information, instructions, and materials provided by or on behalf of Customer or any Authorized User in connection with the Platform; (iii) Customer's information technology infrastructure, including computers, software, databases, electronic systems (including database management systems), and networks, whether operated directly by Customer or through the use of third-party platforms or service providers ("Customer Systems"); (iv) the security and use of Customer's and its Authorized Users' access credentials; and (v) all access to and use of the Platform directly or indirectly by or through the Customer Systems or its or its Authorized Users' access credentials, with or without Customer's knowledge or consent, including all results obtained from, and all conclusions, decisions, and actions based on, such access or use. For purposes of clarity, Customer Systems do not include BS&A's information technology infrastructure, including computers, software, databases, electronic systems (including database management systems), and networks operated directly by BS&A and its third-party service providers.

4. **Support.** Subject to and conditioned on Customer's compliance with the terms and conditions of this Agreement, including payment of applicable Fees, BS&A will use commercially reasonable efforts to provide Customer with basic customer support via BS&A's standard support channels during BS&A's normal business hours.

5. **Professional Services.** BS&A will perform Professional Services as described in an Order or Statement of Work. Customer will provide BS&A all reasonable cooperation required for BS&A to perform the Professional Services, including without limitation timely access to any reasonably required Customer materials, information, or personnel. Subject to any limitations identified in an Order or Statement of Work, Customer will reimburse BS&A's reasonable travel and lodging expenses incurred in providing Professional Services. To the extent the Professional Services result in any work product of any kind or character ("Work Product"), all such Work Product will remain owned solely and exclusively by BS&A and, to the extent any such Work Product consists of enhancements, improvements, or other modifications to the Platform, such Work Product may be used by Customer solely in connection with Customer's authorized use of the Platform under this Agreement.

BS&A may increase the Fees annually, provided that BS&A will provide Customer at least thirty (30) days' notice of such increase prior to the end of the then-current Term. The amount of the Fee increase will be in BS&A's sole discretion, provided that Customer agrees that the increase may be at least the greater of: (i) five percent (5%); or (ii) the annual increase in the relevant Consumer Price Index for all Urban Consumers published by the Bureau of Labor Statistics for the then-current calendar year, in each case as compared to the Fees applicable during then-current Term, as applicable. Fees paid by Customer are non-refundable. Customer shall make all payments hereunder in US dollars by ACH or via another reasonable method chosen by BS&A, to such account as BS&A may specify in writing from time to time, or by another mutually agreed-upon payment method. If Customer pays via invoice, Customer will pay the invoiced amount within thirty (30) calendar days of the invoice date. If Customer fails to make any payment when due, and Customer has not notified BS&A in writing within ten (10) days of the payment becoming due and payable that the payment is subject to a good faith dispute, without limiting BS&A's other rights and remedies, and to the fullest extent permissible under applicable law: (i) BS&A may charge interest on the undisputed past due amount at the rate of 1.5% per month, calculated daily and compounded monthly or, if lower, the highest rate permitted under applicable law; (ii) Customer shall reimburse BS&A for all reasonable costs incurred by BS&A in collecting any late payments or interest, including attorneys' fees, court costs, and collection agency fees; and (iii) if such failure continues for ten (10) days or more, BS&A may suspend Customer's and its Authorized Users' access to all or any part of the Platform until such amounts are paid in full.

7.2 Taxes. All Fees and other amounts payable by Customer under this Agreement are exclusive of taxes and similar assessments. Customer is responsible for all sales, use, and excise taxes, and any other similar taxes, duties, and charges of any kind imposed by any federal, state, or local governmental or regulatory authority on any amounts payable by Customer hereunder, other than any taxes imposed on BS&A's income.

8. Confidential Information.

8.1 Definition. From time to time during the Subscription Period, either Party may disclose or make available to the other Party information about its business affairs, products, confidential intellectual property, trade secrets, third-party confidential information, and other sensitive or proprietary information, whether orally or in written, electronic, or other form or media that: (i) is marked, designated or otherwise identified as "confidential" or something similar at the time of disclosure or within a reasonable period of time thereafter; or (ii) would be considered confidential by a reasonable person given the nature of the information or the circumstances of its disclosure (collectively, "**Confidential Information**"). Except for Personal Information, Confidential Information does not include information that, at the time of disclosure is: (a) in the public domain; (b) known to the receiving Party at the time of disclosure; (c) rightfully obtained by the receiving Party on a non-confidential basis from a third party; or (d) independently developed by the receiving Party without use of, reference to, or reliance upon the disclosing Party's Confidential Information.

Notwithstanding the foregoing, each Party may disclose Confidential Information to the limited extent required (i) in order to comply with the order of a court or other governmental body, or as otherwise necessary to comply with applicable law, provided that the Party making the disclosure pursuant to the order shall first have given written notice to the other Party and made a reasonable effort to obtain a protective order; or (ii) to establish a Party's rights under this Agreement, including to make required court filings. Further, notwithstanding the foregoing, each Party may disclose the terms and existence of this Agreement to its actual or potential investors, debtholders, acquirers, or merger partners under customary confidentiality terms.

Each Party's obligations of non-use and non-

disclosure with regard to Confidential Information are effective as of the Effective Date and will expire three (3) years from the date of termination or expiration of this Agreement; provided, however, with respect to any Confidential Information that constitutes a trade secret (as determined under applicable law), such obligations of non-disclosure will survive the termination or expiration of this Agreement for as long as such Confidential Information remains subject to trade secret protection under applicable law.

9. Data Security and Processing of Personal Information.

9.1 Customer Data. Customer hereby grants to BS&A a non-exclusive, royalty-free, worldwide license to reproduce, distribute, and otherwise use and display the Customer Data and perform all acts with respect to the Customer Data as may be necessary for BS&A to provide the Platform and otherwise perform its obligations hereunder. Customer may export the Customer Data at any time through the features and functionalities made available via the Platform. For the avoidance of doubt, aggregated, de-identified, and anonymized portions, sets, or other combinations of Customer Data that do not contain personally identifying elements of Customer's identity or of any Authorized Users are Usage Data and not Customer Data.

10.4 Feedback. If Customer or any of its employees or contractors sends or transmits any communications or materials to BS&A by mail, email, telephone, or otherwise, suggesting or recommending changes to the BS&A IP, including without limitation, new features or functionality relating thereto, or any comments, questions, suggestions, or the like ("Feedback"), BS&A is free to use such Feedback irrespective of any other obligation or limitation between the Parties governing such Feedback.

11. Mutual Warranties; Disclaimer of Other Warranties.

11.1 Mutual Warranties. Each party hereby represents and warrants to the other that: (i) it has the full right, power, and authority to enter into, execute, and perform its obligations under this Agreement without any conflict with or violation of any other obligations to which it may be subject; and (ii) this Agreement is binding on such party in accordance with its terms.

BS&A MAKES NO WARRANTY OF ANY KIND THAT THE BS&A IP, OR ANY PRODUCTS OR RESULTS OF THE USE THEREOF, WILL MEET CUSTOMER'S OR ANY OTHER PERSON'S REQUIREMENTS, OPERATE WITHOUT INTERRUPTION, ACHIEVE ANY INTENDED RESULT, BE COMPATIBLE OR WORK WITH ANY SOFTWARE, SYSTEM OR OTHER PLATFORM, OR BE SECURE, ACCURATE, COMPLETE, FREE OF HARMFUL CODE, OR ERROR FREE.

12. Indemnification.

12.1 BS&A Indemnification.

(a) BS&A shall indemnify, defend, and hold harmless Customer from and against any and all losses, damages, liabilities, costs (including reasonable attorneys' fees) ("Losses") incurred by Customer resulting from any third-party claim, suit, action, or proceeding ("Third-Party Claim") brought against Customer alleging that the Platform, or any use of the Platform in accordance with this Agreement, infringes or misappropriates such third party's US intellectual property rights; provided that Customer promptly notifies BS&A in writing of the claim, cooperates with BS&A, and allows BS&A sole authority to control the defense and settlement of such claim.

(b) If such a claim is made or appears possible, Customer agrees to permit BS&A, at BS&A's sole discretion: to (i) modify or replace the Platform, or component or part thereof, to make it non-infringing; or (ii) obtain the right for Customer to continue use. If BS&A determines that neither alternative is reasonably commercially available, BS&A may terminate this Agreement, in its entirety or with respect to the affected component or part, effective immediately on written notice to Customer, and as Customer's sole and exclusive remedy therefor, BS&A will provide to Customer a prorated refund of prepaid, unused Fees attributable to the Platform (and not including any one-time Fees for Professional Services).

To the extent permitted under applicable laws, Customer shall indemnify, hold harmless, and, at BS&A's option, defend BS&A from and against any Losses resulting from any Third-Party Claim alleging that the Customer Data, or any use of the Customer Data in accordance with this Agreement, infringes or misappropriates such third party's intellectual property or other rights and any Third-Party Claims based on Customer's or any Authorized User's (i) negligence or willful misconduct; (ii) use of the Platform in a manner not authorized by this Agreement; or (iii) use of the Platform in combination with data, software, hardware, equipment or technology not provided by BS&A or authorized by BS&A in writing; in each case provided that Customer may not settle any Third-Party Claim against BS&A unless BS&A consents to such settlement, and further provided that BS&A will have the right, at its option, to defend itself against any such Third-Party Claim or to participate in the defense thereof by counsel of its own choice.

12.3 Sole Remedy. THIS SECTION 12.3 SETS FORTH CUSTOMER'S SOLE REMEDIES AND BS&A'S SOLE LIABILITY AND OBLIGATION FOR ANY ACTUAL, THREATENED, OR ALLEGED CLAIMS THAT THE PLATFORM INFRINGE, MISAPPROPRIATE, OR OTHERWISE VIOLATE ANY INTELLECTUAL PROPERTY RIGHTS OF ANY THIRD PARTY.

THE FOREGOING LIMITATIONS OF LIABILITY WILL NOT APPLY WITH RESPECT TO LIABILITIES ARISING FROM: (A) A PARTY'S BREACH OF ITS CONFIDENTIALITY OBLIGATIONS UNDER SECTION 8; (B) A PARTY'S GROSS NEGLIGENCE, FRAUD, OR WILLFUL MISCONDUCT; OR (C) A PARTY'S INDEMNIFICATION OBLIGATIONS UNDER SECTION 12 (PROVIDED THAT BS&A'S TOTAL AGGREGATE LIABILITY IN CONNECTION WITH SUCH INDEMNIFICATION OBLIGATIONS WILL NOT EXCEED THREE TIMES (3X) THE TOTAL AMOUNTS PAID AND/OR PAYABLE TO BS&A UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE CLAIM).

14. Subscription Period and Termination.

14.1 Subscription Period. The initial term of this Agreement begins on the Effective Date and, unless terminated earlier pursuant to this Agreement's express provisions, will continue in effect for the period identified in the

Order (the “**Initial Subscription Period**”). This Agreement will automatically renew for additional successive terms equal to the length of the Initial Subscription Period unless earlier terminated pursuant to this Agreement’s express provisions or either Party gives the other Party written notice of non-renewal at least thirty (30) days prior to the expiration of the then-current term (each a “**Renewal Subscription Period**” and together with the Initial Subscription Period, the “**Subscription Period**”).

Except as otherwise provided in this Agreement, a Notice is effective only: (i) upon receipt by the receiving Party; and (ii) if the Party giving the Notice has complied with the requirements of this Section.

15.4 Force Majeure. In no event shall either Party be liable to the other Party, or be deemed to have breached this Agreement, for any failure or delay in performing its obligations under this Agreement (except for any obligations to make payments), if and to the extent such failure or delay is caused by any circumstances beyond such Party's reasonable control, including but not limited to acts of God, flood, fire, earthquake, explosion, war, terrorism, invasion, riot or other civil unrest, strikes, labor stoppages or slowdowns or other industrial disturbances, or passage of law or any action taken by a governmental or public authority, including imposing an embargo.

15.5 Amendment and Modification. No amendment or modification to this Agreement is effective unless it is in writing and signed by an authorized representative of each Party.

15.6 Waiver. No failure or delay by either Party in exercising any right or remedy available to it in connection with this Agreement will constitute a waiver of such right or remedy. No waiver under this Agreement will be effective unless made in writing and signed by an authorized representative of the Party granting the waiver.

15.7 Severability. If any provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability will not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal, or unenforceable, the Parties shall negotiate in good faith to modify this Agreement so as to effect their original intent as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

15.8 Governing Law; Submission to Jurisdiction. To the extent permissible under applicable laws, this Agreement is governed by and construed in accordance with the internal laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule that would require or permit the application of the laws of any jurisdiction other than those of the State of Delaware. To the extent permissible under applicable laws, any legal suit, action, or proceeding arising out of or related to this Agreement must be instituted in the federal courts of the United States or the courts of the State of Delaware in each case located in New Castle County, Delaware and each Party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action, or proceeding. If Customer is located in a jurisdiction that requires that this Agreement be governed by and construed in accordance with laws other than those of the State of Delaware, or that require any legal suits, actions, or proceedings arising out of or related to this Agreement be instituted in state and federal courts located anywhere other than New Castle County, Delaware, then the Parties agree that such other laws shall apply and to institute any such legal suits, actions, or proceedings in such other jurisdiction(s).

15.9 Assignment. Neither Party may assign any of its rights or delegate any of its obligations hereunder (except in the case of either Party utilizing authorized subcontractors and consultants), in each case whether voluntarily, involuntarily, by operation of law or otherwise, without the prior written consent of the other Party. Any purported assignment or delegation in violation of this Section will be null and void. No assignment or delegation will relieve the assigning or delegating Party of any of its obligations hereunder. This Agreement is binding upon and inures to the benefit of the Parties and their respective permitted successors and assigns. Notwithstanding the foregoing, either Party may freely assign this Agreement to an affiliate or successor in interest in the event of a merger, acquisition, sale of all or substantially all of its assets, corporate reorganization, or other change in control, without the prior consent of the other Party.

15.10 Export Regulation. The Platforms utilize software and technology that may be subject to US export control laws, including the US Export Administration Act and its associated regulations. Customer shall not, directly or indirectly, export, re-export, or release the Platform or the underlying software or technology to, or make the Platform or the underlying software or technology accessible from, any jurisdiction or country to which export, re-export, or release is prohibited by law, rule, or regulation. Customer shall comply with all applicable federal laws, regulations, and rules, and complete all required undertakings (including obtaining any necessary export license or other governmental approval), prior to exporting, re-exporting, releasing, or otherwise making the Platform or the underlying software or technology available outside the US.

15.11 US Government Rights. Each of the Documentation and software components that constitute the Platform is a "commercial item" as that term is defined at 48 C.F.R. § 2.101, consisting of "commercial computer software"

and “commercial computer software documentation” as such terms are used in 48 C.F.R. § 12.212. Accordingly, if Customer is an agency of the US Government or any contractor therefor, Customer only receives those rights with respect to the Documentation and the Platform as are granted to all other end users, in accordance with (a) 48 C.F.R. § 227.7201 through 48 C.F.R. § 227.7204, with respect to the Department of Defense and their contractors, or (b) 48 C.F.R. § 12.212, with respect to all other US Government users and their contractors.

15.12 Equitable Relief. Each Party acknowledges and agrees that a breach or threatened breach by such Party of any of its obligations under Section 8 or, in the case of Customer, Section 2.3, would cause the other Party irreparable harm for which monetary damages would not be an adequate remedy and agrees that, in the event of such breach or threatened breach, the other Party will be entitled to equitable relief, including a restraining order, an injunction, specific performance and any other relief that may be available from any court, without any requirement to post a bond or other security, or to prove actual damages or that monetary damages are not an adequate remedy. Such remedies are not exclusive and are in addition to all other remedies that may be available at law, in equity or otherwise.

The FY25/FY26 Biennial Budget includes funding for years 1 & 2 of the plan.

BACKGROUND

The 1 and 6 Year Plan establishes prioritization and cost estimates for street improvements which are identified in the Capital Improvement Program (CIP). Both the 1 and 6 Year Plan and CIP are living documents that may change as unforeseen issues and/or opportunities arise.

Counties and municipalities are still required to have a One and Six Plan on file but are only required to submit a compliance resolution to the NBCS.
