Applicant Signature

I hereby state that the information submitted on this application is accurate and correct. I recognize that the issuance of this permit shall not grant approval to violate any of the provisions of the building codes or zoning ordinances enforced by this jurisdiction, county, state, and federal law; and that this permit shall not prevent the Chief Building Official from requiring construction to be in compliance with all applicable code provisions during field inspections. This building shall comply with the latest adopted code requirements for structural, electrical, plumbing, and mechanical provisions at the time of permit issuance. A separate building permit application is required prior to any construction activity.
