RECOMMENDATION

Approval.

BACKGROUND

The rebuilt transmission replaces the transmission in police cruiser unit #543, a 2020 Chevy Tahoe that was making noises and slipping out of gear. Further examination revealed metal fragments in the transmission fluid, confirmed by AAMCO and indicative of transmission failure. The existing transmission is no longer under warranty. This purchase totaling \$5,789 includes \$3,288 for the transmission and \$2,501 in labor and supplies.
