(b) The Bonds or any portion thereof are hereby authorized to be sold pursuant to a negotiated sale with D.A. Davidson & Co., as initial purchaser (the “Underwriter”). In connection with such sale, the Mayor, City Administrator, Director of Administrative Services, City Finance Director, and City Clerk (each, an “Authorized Officer”) are each hereby authorized to specify, determine, designate, establish and appoint, as the case may be, in one or more written designations which may be included in a bond purchase agreement (each, a “Designation”), the following with respect to the Bonds: (i) the aggregate purchase price of the Bonds and the underwriting discount which shall not exceed 0.75% of the aggregate stated principal amount thereof, (ii) the form and contents of any bond purchase agreement in connection with such sale, (iii) for each series, the title, dated date, aggregate principal amount (which aggregate stated principal amount shall not exceed \$7,200,000; provided, however, such amount may be increased as necessary to the extent the Bonds are sold at a net original issue discount), and the final maturity date, which shall not be later than December 15, 2045, (iv) the principal amounts maturing in each year and whether maturities will be issued as serial or term bonds (v) the rate or rates of interest to be borne by each principal maturity, and any original issue premium or original issue discount, provided that the true interest cost of the Bonds shall not exceed 5.00%, (vi) the principal payment dates and interest payment dates, (vii) whether the Bonds will be subject to redemption prior to their stated maturity, and if subject to such optional redemption, the provisions governing such redemption, including a redemption price not to exceed 104% of the principal amount then being redeemed plus accrued interest to the date of redemption, (viii) the amount and due date of each sinking fund installment for any of the Bonds issued as term Bonds, (ix) the designation of the Paying Agent and Registrar and the form and content of any agreement between the City and such entity (x) whether one or more series, and certain maturities, of the Bonds (such bonds referred to herein as the “Insured Bonds”) to be insured by the Assured Guaranty Municipal Corp. (the “Bond Insurer”) as determined pursuant to section 15 of this Ordinance and the terms and provisions related to the Bonds and any such bond insurance policy, and (xi) all other terms and provisions of the Bonds not otherwise specified or fixed by this Ordinance.

(c) The Bonds shall be issued in fully registered form in the denomination of \$5,000 or any integral multiple thereof. The date of original issue for the Bonds shall be date of original delivery. Interest on the Bonds, at the respective rates for each maturity, shall be payable semi-annually on March and September of each year beginning March 15, 2026 (or such other dates as may be determined in the Designation, each an "Interest Payment Date"), and the Bonds shall bear interest from the date of original issue or the most recent Interest Payment Date, whichever is later. The interest due on each Interest Payment Date shall be payable to the registered owners of record as of the fifteenth day immediately preceding the Interest Payment Date (the "Record Date"), subject to the provisions of Section 4 hereof. The Bonds shall be numbered from 1 upwards in the order of their issuance. No Bond shall be issued originally or upon transfer or partial redemption having more than one principal maturity. The initial bond numbering and principal amounts for each of the Bonds issued shall be as directed by the initial purchaser thereof. Payments of interest due on the Bonds prior to maturity or earlier redemption shall be made by the Paying Agent and Registrar, as designated pursuant to Section 3 hereof, by mailing a check or draft in the amount due for such interest on each Interest Payment Date to the registered owner of each Bond, as of the Record Date for such Interest Payment Date, to such owner's registered address as shown on the books of registration as required to be maintained in Section 3 hereof. Payments of principal due at maturity or at any date fixed for redemption prior to maturity, together with unpaid accrued interest thereon, shall be made by said Paying Agent and Registrar to the registered owners upon presentation and surrender of the Bonds to said Paying Agent and Registrar. The City and said Paying Agent and Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of making payments thereon and for all other purposes and neither the City nor the Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary, whether such Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any Bond in accordance with the terms of this Ordinance shall be valid and effectual and shall be a discharge of the City and said Paying Agent and Registrar, in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid.

Section 3. BOKF, National Association, Lincoln, Nebraska, is hereby designated to serve as Paying Agent and Registrar for the Bonds, provided that the City reserves the right to designate a bank or trust company to serve in such capacity and upon such agreed terms as may be determined in the Designation by one or more Authorized Officers or at any time by the Mayor at the Mayor's discretion. If a bank or trust company is designated, such bank or trust company shall serve as Paying Agent and Registrar in such capacities under the terms of an agreement entitled "Paying Agent and Registrar's Agreement" between the City and said Paying Agent and Registrar, the form of which is hereby approved. The Mayor and City Clerk are hereby authorized to execute said agreement on behalf of the City in the form as an Authorized Officer shall deem appropriate on behalf of the City. The Paying Agent and Registrar shall keep and maintain for the City books for the registration and transfer of the Bonds at its office. The names and registered addresses of registered owner or owners of the Bonds shall at all times be recorded in such books. Any Bond may be transferred pursuant to its provisions at the office of said Paying Agent and Registrar by surrender of such bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to said Paying Agent and Registrar, duly executed by the registered owner in person or by such owner's duly authorized agent, and thereupon the Paying Agent and Registrar on behalf of the City will deliver at its office (or send by registered mail to the transferee owner or owners thereof at such transferee owner's or owners' risk and expense), registered in the name of such transferee owner or owners, a new Bond or Bonds of the same interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the Bonds by this ordinance, one such bond may be transferred for several such bonds of the same interest rate and maturity, and for a like aggregate principal amount, and several such bonds may be transferred for one or several such bonds, respectively, of the same interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a Bond, the surrendered Bond shall be canceled and destroyed. All Bonds issued upon transfer of the Bonds so surrendered shall be valid obligations of the City evidencing the same obligation as the Bonds surrendered and shall be entitled to all the benefits and protection of this Ordinance to the same extent as the Bonds upon transfer of which they were delivered. The City as said Paying Agent and Registrar shall not be required to transfer any Bond during any period

from any Record Date until its immediately following Interest Payment Date or to transfer any Bond called for redemption for a period of 30 days next preceding the date fixed for redemption.

Section 4. In the event that payments of interest due on the Bonds on an Interest Payment Date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such Interest Payment Date and shall be payable to the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Section 5. Bonds shall be subject to redemption, in whole or in part, prior to maturity at any time on or after the fifth anniversary of the date of original issue thereof at par plus accrued interest on the principal amount redeemed to the date fixed for redemption (or such other date as may be determined in the Designation). The City may select the Bonds to be redeemed for optional redemption in its sole discretion. Bonds for mandatory redemption shall be selected by the Paying Agent and Registrar using any random method of selection determined appropriate by the Paying Agent and Registrar. Bonds redeemed pursuant to the requirements for mandatory redemption shall be redeemed at par plus accrued interest on the principal amount redeemed. The Bonds shall be redeemed only in amounts of \$5,000 or integral multiples thereof. Bonds redeemed in part only shall be surrendered to said Paying Agent and Registrar in exchange for a new Bond evidencing the unredeemed principal thereof. Notice of redemption of any Bond called for redemption shall be given, at the direction of the City in the case of optional redemption and without further direction in the case of mandatory redemption, by said Paying Agent and Registrar by mail not less than 30 days prior to the date fixed for redemption, first class, postage prepaid, sent to the registered owner of such Bond at said owner's registered address. Such notice shall designate the Bond or Bonds to be redeemed by maturity or otherwise, the date of original issue, series and the date fixed for redemption and shall state that such Bond or Bonds are to be presented for prepayment at the office of said Paying Agent and Registrar. In case of any Bond partially redeemed, such notice shall specify the portion of the principal amount of such Bond to be redeemed. No defect in the mailing of notice for any Bond shall affect the sufficiency of the proceedings of the City designating the Bonds called for redemption or the effectiveness of such call for Bonds for which

notice by mail has been properly given and the City shall have the right to further direct notice of redemption for any such Bond for which defective notice has been given.

Section 6. If the date for payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in La Vista, Nebraska, are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

Section 7. The Bonds shall be in substantially the following form:

Section 8. Each of the Bonds shall be executed on behalf of the City with the manual or facsimile signatures of the Mayor and City Clerk of the City. The Bonds shall be issued initially as “book-entry-only” bonds using the services of The Depository Trust Company (the “Depository”), with one typewritten bond per maturity being issued to the Depository. In such connection said officers are authorized to execute and deliver a letter of representations (the “Letter of Representations”) in the form required by the Depository, for and on behalf of the City, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the Bonds. Upon the issuance of the Bonds as “book-entry-only” bonds, the following provisions shall apply:

(a) The City and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds as securities depository (each, a “Bond Participant”) or to any person who is an actual purchaser of a Bond from a Bond Participant while the Bonds are in book-entry form (each, a “Beneficial Owner”) with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds,

(ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the Bonds.

The Paying Agent and Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee, and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so, the Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the City, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(c) If the City determines that it is desirable that certificates representing the Bonds be delivered to the Bond Participants and/or Beneficial Owners of the Bonds and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of bond certificates representing the Bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the Series 2022 Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee;

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section.

(f) In the event of any partial redemption of a Bond unless and until such partially redeemed Bond has been replaced in accordance with the provisions of this Ordinance, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced or upon termination by the City of book-entry-only form, the City shall immediately provide a supply of bond certificates for issuance upon subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement bond certificates upon transfer or partial redemption, the City agrees to order printed an additional supply of bond certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting officers. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bond certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption) such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such Bond. After being executed by the Mayor and City Clerk, said Bonds shall be delivered to

the Treasurer of the City who shall be responsible therefor under his/her official bond and such Treasurer shall maintain a record of information with respect to said Bonds in accordance with the requirements of Section 10-140, R.R.S. Neb., as amended, and shall cause the same to be filed with the Auditor of Public Accounts of the State of Nebraska. The Bonds shall not be valid and binding on the City until authenticated by the Paying Agent and Registrar. The Bonds shall be delivered to the Paying Agent and Registrar for registration and authentication. Upon execution, registration and authentication of the Bonds, they shall be delivered to the City Treasurer, who is authorized to deliver them to the Underwriter, as initial purchaser thereof, upon receipt of the purchase price thereof plus accrued interest thereon to date of payment of the Bonds. Such initial purchaser shall have the right to direct the registration of the Bonds and the denominations thereof within each maturity, subject to the restrictions of this Ordinance. The Underwriter and its agents, representatives and counsel (including the City's bond counsel) are hereby authorized to take such actions on behalf of the City as are necessary to effectuate the closing of the issuance and sale of the Bonds, including, without limitation, authorizing the release of the Bonds by the Depository at closing. The Bond Purchase Agreement (the "Purchase Agreement") to be entered into between the City and the Underwriter with respect to the purchase of the Bonds from the City, in such form as the Authorized Officer executing the Purchase Agreement shall in the exercise of his or her own independent judgment and absolute discretion determine to be necessary, proper, appropriate, advisable, or desirable in order to effectuate the issuance, sale, and delivery of the Bonds, be and the same is hereby in all respects authorized, adopted, specified, accepted, ratified, approved and confirmed.

Section 9. The City Clerk is directed to make and certify a transcript or transcripts of the proceedings of the Mayor and City Council precedent to the issuance of said Bonds, a copy of which shall be delivered to the Underwriter.

Section 10. The proceeds of the Bonds shall be applied to the costs of the Project as described in Section 1 hereof, including payment of any related warrant indebtedness and issuance expenses for the Bonds. Pending such application the City Treasurer shall hold such proceeds.

Section 11. The Bonds are special obligations of the City payable from, and secured as to the payment of principal and interest by a pledge of the additional ½ percent sales and use tax imposed pursuant to Ordinance No. 1216 (as described and defined in Section 1 hereof as the “Additional Tax”). The City hereby pledges the Additional Tax to the payment of the principal of and interest on the Bonds. The City hereby further agrees that it shall dedicate such portion of its property tax levy authority (as provided in Section 77-3442, R.R.S. Neb., as amended) as is necessary to provide funds which, together with receipts from the Additional Tax as pledged to the payment of the Bonds and any other monies made available and used for such purpose, will be sufficient to pay the principal of and interest on the Bonds as the same fall due (including mandatory sinking fund redemptions). The pledge of the Additional Tax provided for in this Section 11 for the Bonds shall not prevent the City from otherwise applying receipts from the Additional Tax in any year so long as sufficient receipts from such fund have been set aside for the payment of principal and interest falling due in such year on the Bonds. In addition, the City further reserves the right to issue additional bonds payable on par with the Bonds equally and ratably secured by a pledge of receipts from the Additional Tax.

Section 12. The Mayor and City Council hereby authorize the Authorized Officers, or each individually, to approve and deem final, within the meaning of Rule 15c2-12 under the Securities Exchange Act of 1934, as amended, a Preliminary Official Statement with respect to the Bonds and the information therein contained and to approve and deliver a final Official Statement for and on behalf of the City. The Authorized Officers, or any one or more of them, are hereby further authorized to take any and all actions and enter into any and all agreements and execute any documents deemed necessary or appropriate in connection with the issuance and sale of the Bonds, and any such actions previously taken are hereby ratified and confirmed.

Section 13. The City hereby (a) authorizes and directs that an Authorized Officer execute and deliver, on the date of issue of the Bonds, a continuing disclosure undertaking (the “Continuing Disclosure Undertaking”) in such form as shall be satisfactory to the City and in compliance with Rule 15c2-12 of the Securities and Exchange Commission, and (b) covenants and agrees that it will comply with and carry out all

of the provisions of the Continuing Disclosure Undertaking. Notwithstanding any other provision of this resolution, failure of the City to comply with the Continuing Disclosure Undertaking shall not be considered an event of default hereunder; however, any Participating Underwriter (as such term is defined in the Continuing Disclosure Undertaking) or any Beneficial Owner or any Registered Owner of a Bond (as such terms are defined in the Continuing Disclosure Undertaking) may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the City to comply with its obligations under this section.

Section 14. The City hereby covenants with the purchasers and holders of the Bonds herein authorized that it will make no use of the proceeds of said issue, including monies held in any sinking fund for the payment of principal and interest on said Bonds, which would cause said Bonds to be arbitrage bonds within the meaning of Sections 103 and 148 and other related sections of the Internal Revenue Code of 1986, as amended (the “Code”), and further covenants to comply with said Sections 103 and 148 and related sections and all applicable regulations thereunder throughout the term of said issue. The City hereby covenants and agrees to take all actions necessary under the Code to maintain the tax exempt status (as to taxpayers generally) of interest payable on the Bonds. The City hereby authorizes the Authorized Officers, or any one or more of them, as, if and to the extent appropriate, to designate the Bonds as its “qualified tax-exempt obligations” pursuant to Section 265(b)(3)(B)(i)(III) of the Code and covenant and warrant on behalf of the City that the City does not reasonably expect to issue tax-exempt bonds or other tax-exempt interest bearing obligations aggregating in principal amount more than \$10,000,000 during the calendar year in which the Bonds are issued (taking into consideration the exception for current refunding issues). The City agrees to take all further actions, if any, necessary and appropriate to qualify the Bonds herein authorized as such “qualified tax-exempt obligations” as and to the extent permitted by law.

Section 15. The Authorized Officers are authorized to obtain an insurance policy (the “**Bond Insurance Policy**”) issued by the Bond Insurer guaranteeing the scheduled payment of the principal of and interest on the Insured Bonds, and take any and all actions necessary or appropriate in connection with

obtaining such Bond Insurance Policy. Notwithstanding any other provision of this Ordinance to the contrary, the following provisions shall be applicable to any bonds designated as Insured Bonds:

(a) As used in this Section 15, “**Insurer**” shall be defined as follows: “Assured Guaranty Municipal Corp., a New York stock insurance company, or any successor thereto or assignee thereof”. “**Policy**” shall be defined as follows: “the insurance policy issued by the Insurer guaranteeing the scheduled payment of principal of and interest on the Bonds when due”. Other capitalized terms used in this Section 15 but not otherwise defined shall have the meanings ascribed to them elsewhere in this Ordinance.

(b) The Insurer shall be deemed to be the sole holder of Bonds designated as Insured Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the holders of the Insured Bonds are entitled to take pursuant to the Bond Ordinance pertaining to (i) defaults and remedies and (ii) the duties and obligations of the Registrar. In furtherance thereof and as a term of this Bond Ordinance and each Insured Bond, the Registrar and each holder of the Insured Bonds appoint the Insurer as their agent and attorney-in-fact with respect to the Insured Bonds and agree that the Insurer may at any time during the continuation of any proceeding by or against the City under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an “**Insolvency Proceeding**”) direct all matters relating to such Insolvency Proceeding, including without limitation, (A) all matters relating to any claim or enforcement proceeding in connection with an Insolvency Proceeding (a “**Claim**”), (B) the direction of any appeal of any order relating to any Claim, (C) the posting of any surety, supersedeas or performance bond pending any such appeal, and (D) the right to vote to accept or reject any plan of adjustment. In addition, the Registrar and each holder of the Insured Bonds delegate and assign to the Insurer, to the fullest extent permitted by law, the rights of the Registrar and each holder of the Insured Bonds in the conduct of any Insolvency Proceeding, including, without limitation, all rights of any party to an adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding. Remedies granted to the holders shall expressly include mandamus.

(c) The maturity of the Insured Bonds shall not be accelerated without the consent of the Insurer and in the event the maturity of the Insured Bonds is accelerated, the Insurer may elect, in its sole discretion, to pay accelerated principal and interest accrued, on such principal to the date of acceleration (to the extent unpaid by the City) and the Registrar shall be required to accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date as provided above, the Insurer’s obligations under the Policy with respect to such Insured Bonds shall be fully discharged.

(d) No grace period for a covenant default shall exceed 30 days or be extended for more than 60 days, without the prior written consent of the Insurer. No grace period shall be permitted for payment defaults.

(e) The Insurer is a third party beneficiary to this Bond Ordinance.

(f) Any amendment, supplement, modification to, or waiver of, the Bond Ordinance or any other transaction document, including any underlying security agreement (each a “**Related Document**”), that requires the consent of holders or adversely affects the rights and interests of the Insurer shall be subject to the prior written consent of the Insurer.

(g) The rights granted to the Insurer under the Bond Ordinance or any other Related Document to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the holders and such action does not evidence any position of the Insurer, affirmative or negative, as to whether the consent of the holders or any other person is required in addition to the consent of the Insurer.

(h) Only (1) cash, (2) non-callable direct obligations of the United States of America ("**Treasuries**"), (3) evidences of ownership of proportionate interests in future interest and principal payments on Treasuries held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor and the underlying Treasuries are not available to any person claiming through the custodian or to whom the custodian may be obligated, (4) subject to the prior written consent of the Insurer, pre-refunded municipal obligations rated "AAA" and "Aaa" by S&P and Moody's, respectively, or (5) subject to the prior written consent of the Insurer, securities eligible for "AAA" defeasance under then existing criteria of S&P or any combination thereof, shall be used to effect defeasance of the Insured Bonds unless the Insurer otherwise approves.

To accomplish defeasance of the Insured Bonds, the City shall cause to be delivered (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Insurer ("**Accountant**") verifying the sufficiency of the escrow established to pay the Insured Bonds in full on the maturity or redemption date ("**Verification**"), (ii) an Escrow Deposit Agreement (which shall be acceptable in form and substance to the Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that the Insured Bonds are no longer "Outstanding" under the Bond Ordinance and (iv) a certificate of discharge of the Registrar with respect to the Insured Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the City, the Registrar and the Insurer. The Insurer shall be provided with final drafts of the above-referenced documentation not less than five business days prior to the funding of the escrow.

Insured Bonds shall be deemed "Outstanding" under the Bond Ordinance unless and until they are in fact paid and retired or the above criteria are met.

(i) Amounts paid by the Insurer under the Policy shall not be deemed paid for purposes of the Bond Ordinance and the Insured Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the City in accordance with the Bond Ordinance. The Bond Ordinance shall not be discharged unless all amounts due or to become due to the Insurer have been paid in full or duly provided for.

(j) Claims Upon the Policy and Payments by and to the Insurer.

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date ("**Payment Date**") there is not on deposit with the Registrar, after making all transfers and deposits required under the Bond Ordinance, moneys sufficient to pay the principal of and interest on the Insured Bonds due on such Payment Date, the Registrar shall give notice to the Insurer and to its designated agent (if any) (the "**Insurer's Fiscal Agent**") by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Insured Bonds due on such Payment Date, the Registrar shall make a claim under the Policy and give notice to the Insurer and the Insurer's

Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Insured Bonds and the amount required to pay principal of the Insured Bonds, confirmed in writing to the Insurer and the Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Policy.

The Registrar shall designate any portion of payment of principal on Insured Bonds paid by the Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Insured Bonds registered to the then current holder of the Insured Bonds, whether DTC or its nominee or otherwise, and shall issue a replacement Bond to the Insurer, registered in the name of Assured Guaranty Municipal Corp., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Registrar's failure to so designate any payment or issue any replacement Bond shall have no effect on the amount of principal or interest payable by the City on any Bond or the subrogation rights of the Insurer.

The Registrar shall keep a complete and accurate record of all funds deposited by the Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Insured Bond. The Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Registrar.

Upon payment of a claim under the Policy, the Registrar shall establish a separate special purpose trust account for the benefit of holders of the Insured Bonds referred to herein as the **"Policy Payments Account"** and over which the Registrar shall have exclusive control and sole right of withdrawal. The Registrar shall receive any amount paid under the Policy in trust on behalf of holders of the Insured Bonds and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Registrar to holders of the Insured Bonds in the same manner as principal and interest payments are to be made with respect to the Insured Bonds under the sections hereof regarding payment of Insured Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything in the Indenture to the contrary, the City agrees to pay to the Insurer (i) a sum equal to the total of all amounts paid by the Insurer under the Policy (the **"Insurer Advances"**); and (ii) interest on such Insurer Advances from the date paid by the Insurer until payment thereof in full, payable to the Insurer at the Late Payment Rate per annum (collectively, the **"Insurer Reimbursement Amounts"**). **"Late Payment Rate"** means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Insured Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The City hereby covenants and agrees that the Insurer Reimbursement Amounts are secured by a lien on and pledge of the Revenues and payable from such Revenues on a parity with debt service due on the Insured Bonds.

Funds held in the Policy Payments Account shall not be invested by the Registrar and may not be applied to satisfy any costs, expenses or liabilities of the Registrar. Any funds remaining in the Policy Payments Account following a Payment Date shall promptly be remitted to the Insurer.

(k) The Insurer shall, to the extent it makes any payment of principal of or interest on the Insured Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Policy (which subrogation rights shall also include the rights of any such recipients in connection with any Insolvency Proceeding). Each obligation of the City to the Insurer under the Related Documents shall survive discharge or termination of such Related Documents.

(l) The City shall pay or reimburse the Insurer any and all charges, fees, costs and expenses that the Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Related Document; (ii) the pursuit of any remedies under the Bond Ordinance or any other Related Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Bond Ordinance or any other Related Document whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Bond Ordinance or any other Related Document or the transactions contemplated thereby, other than costs resulting from the failure of the Insurer to honor its obligations under the Policy. The Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Bond Ordinance or any other Related Document.

(m) The Insurer shall be entitled to pay principal or interest on the Insured Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the City (as such terms are defined in the Policy) and any amounts due on the Insured Bonds as a result of acceleration of the maturity thereof in accordance with the Bond Ordinance, whether or not the Insurer has received a Notice of Nonpayment (as such terms are defined in the Policy) or a claim upon the Policy.

(n) The notice address of the Insurer is: Assured Guaranty Municipal Corp., 1633 Broadway, New York, New York 10019, Attention: Managing Director – Surveillance, Re: Policy No. \_\_\_\_\_, Telephone: (212) 974-0100; Telecopier: (212) 339-3556. In each case in which notice or other communication refers to an Event of Default, then a copy of such notice or other communication shall also be sent to the attention of the General Counsel and shall be marked to indicate “URGENT MATERIAL ENCLOSED.”

(o) The Insurer shall be provided with the following information by the City or the Registrar, as the case may be:

- (i) Annual audited financial statements within 180 days after the end of the City’s fiscal year (together with a certification of the City that it is not aware of any default or Event of Default under the Bond Ordinance), and the City’s annual budget within 30 days after the approval thereof together with such other information, data or reports as the Insurer shall reasonably request from time to time;
- (ii) Notice of any draw upon the Reserve Fund within two Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Maximum Required Reserve and (ii) withdrawals in connection with a refunding of Insured Bonds;
- (iii) Notice of any default known to the Registrar or City within five Business Days after knowledge thereof;
- (iv) Prior notice of the advance refunding or redemption of any of the Insured Bonds, including the principal amount, maturities and CUSIP numbers thereof;

- (v) Notice of the resignation or removal of the Registrar and the appointment of, and acceptance of duties by, any successor thereto;
- (vi) Notice of the commencement of any Insolvency Proceeding;
- (vii) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Insured Bonds;
- (viii) A full original transcript of all proceedings relating to the execution of any amendment, supplement, or waiver to the Related Documents; and
- (ix) All reports, notices and correspondence to be delivered to holders of the Insured Bonds under the terms of the Related Documents.

In addition, to the extent that the City has entered into a continuing disclosure agreement, covenant or undertaking with respect to the Insured Bonds, all information furnished pursuant to such agreements shall also be provided to the Insurer, simultaneously with the furnishing of such information.

(p) The Insurer shall have the right to receive such additional information as it may reasonably request.

(q) The City will permit the Insurer to discuss the affairs, finances and accounts of the City or any information the Insurer may reasonably request regarding the security for the Insured Bonds with appropriate officers of the City and will use commercially reasonable efforts to enable the Insurer to have access to the facilities, books and records of the City on any business day upon reasonable prior notice.

(r) The Registrar shall notify the Insurer of any failure of the City to provide notices, certificates and other information under the transaction documents.

(s) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Bond Ordinance would adversely affect the security for the Insured Bonds or the rights of the holders of the Insured Bonds, the Registrar shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Policy.

(t) No contract shall be entered into or any action taken by which the rights of the Insurer or security for or sources of payment of the Insured Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Insurer.

Section 16. The City's obligations under this Ordinance with respect to any or all of the Bonds herein authorized shall be fully discharged and satisfied as to any or all of such Bonds and any such Bond shall no longer be deemed to be outstanding hereunder if such Bond has been purchased by the City and canceled or when the payment of principal of and interest thereon to the respective date of maturity or

redemption (a) shall have been made or caused to be made in accordance with the terms thereof, (b) shall have been provided for by depositing with a national or state bank having trust powers, or trust company, in trust, solely for such payment (i) sufficient money to make such payment and/or (ii) direct general obligations (including obligations issued or held in book entry form on the books of the Department of Treasury of the United States of America) of or obligations the principal and interest of which are unconditionally guaranteed by the United States of America (herein referred to as “U.S. Government Obligations”) in such amount and bearing interest payable and maturing or redeemable at stated fixed prices at the option of the holder as to principal, at such time or times, as will ensure the availability of sufficient money to make such payments; provided, however, that with respect to any Bond to be paid prior to maturity, the City shall have duly called such Bond for redemption and given notice of such redemption as provided by law or made irrevocable provision for the giving of such notice. Any money so deposited with such bank or trust company in excess of the amount required to pay principal of and interest on the Bonds for which such monies or U.S. Government Obligations were deposited shall be paid over to the City as and when collected.

Section 16. All documents, agreements, certificates, and instruments related to the Bonds shall be valid, binding, and enforceable against the City when executed and delivered by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by electronic signatures laws, including any relevant provisions of the Uniform Commercial Code, in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each document, agreement, certificate, and instrument related to the Bonds may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same document, agreement, certificate, or instrument, as applicable.

Section 17. This Ordinance shall be in full force and effect from and after its passage and publication in pamphlet or electronic form as provided by law.

PASSED AND APPROVED THIS 4TH DAY OF NOVEMBER 2025.
