

**CITY OF LA VISTA
MAYOR AND CITY COUNCIL REPORT
AUGUST 7, 2012 AGENDA**

Subject:	Type:	Submitted By:
BID AWARD – EASTPORT PARKWAY PAVEMENT MARKINGS	◆ RESOLUTION ORDINANCE RECEIVE/FILE	JOHN KOTTMANN CITY ENGINEER/ASSISTANT PUBLIC WORKS DIRECTOR

SYNOPSIS

A resolution has been prepared to award a contract to Highway Signing, Inc. of Omaha, Nebraska, for construction of the Eastport Parkway Pavement Markings in an amount not to exceed \$34,903.00.

FISCAL IMPACT

The FY 2011/12 Capital Improvement Program provides funding for the Eastport Parkway Pavement Markings in the amount of \$35,000.

RECOMMENDATION

Approval

BACKGROUND

On June 5, 2012, the City Council approved a resolution which authorized the advertisement for bids for the Eastport Parkway Pavement Markings. The plans and specifications were prepared in-house by the City Engineer. A Notice to Contractors was mailed to three contractors that typically perform this service in the Omaha area as well as being placed in the City's legal publication. The bid date was established as July 6, 2012 at which time no bids were received from the two companies that had checked out plans. These companies were contacted and one indicated the July 4th holiday prevented them from getting a bid bond in time, another indicated the requirement for a warranty on the work caused them not to bid and the third claimed no receipt of the Notice to Contractors. After consultation with the City Attorney it was determined that when fewer than two bids are received, the City may negotiate for proposals to complete the work for the budget established for the project. The Contractor that ran out of time due to the holiday and the Contractor that claimed no receipt of the Notice were again contacted. Two proposals were received which exceeded the estimate for the project. One bidder took several exceptions to the bidding requirements. See the attached Negotiation for Bids summary. Further negotiations were conducted with the lowest bidder to get a proposal within budget which is shown on the Supplemental Negotiation bid summary. This contractor, Highway Signing, Inc. successfully provided the pavement markings on Giles Road in 2010 and it is recommended that a contract be awarded to them in an amount not to exceed \$34,903.00.
