ZONING TEXT AMENDMENT — TRANSITIONAL AGRICULTURE DISTRICT	RESOLUTION ◆ ORDINANCE RECEIVE/FILE	ANN BIRCH COMMUNITY DEVELOPMENT DIRECTOR

**SYNOPSIS**

A public hearing has been scheduled and an ordinance prepared to amend Section 5.05 of the Zoning Ordinance regarding the Transitional Agriculture District (TA).

**FISCAL IMPACT**

N/A.

**RECOMMENDATION**

Approve.

**BACKGROUND**

A public hearing has been scheduled to consider an amendment to Section 5.05 of the Zoning Ordinance regarding the TA District.

Through staff's regular review of the Zoning Ordinance it was concluded that the "Intent" statement of the Transitional Agriculture District was not consistent with existing property with this zoning classification. An additional amendment is proposed to the Permitted Conditional Uses in the TA District, to delete "Hospital, nursing home, assisted living, convalescent facilities" from this district in order to align the uses with the intent of the district.

The Planning Commission held a public hearing on August 15, 2013 and voted unanimously to recommend approval of the amendment.

## **Section 5.05 TA Transitional Agriculture District**

**5.05.01 Intent:** The Transitional Agriculture District is established to recognize these properties as agricultural at present with the understanding that they may be suitable for development in the future. This district allows for existing agricultural properties to continue using the land in that manner for the purpose of preserving agricultural resources that are compatible with adjacent urban growth. It is not intended for commercial feedlot operations for livestock or poultry. Because the areas are not in the identified growth areas for the community, the district is designed to limit urban sprawl.
