Budget Line Item

101 Full-Time Salaries

This line item includes salaries for all full-time CD employees. A 2.5% base factor is included for potential salary increases in accordance with the compensation ordinance.

102 Part-Time Salaries

The Department currently has an authorized but unfunded position of PT Building Inspector. This position would only be filled if needed and on a temporary basis.

This line item has included funding in previous years for a PT Planning Intern. Because of the current workload and projects planned for FY14/15, there is a need for a paid PT Planning Intern. It is anticipated that the Intern would provide assistance with planning-related research, drafting reports and correspondence, initial review of sign permits, GIS Mapping, CUP annual reviews, file reorganization, assistance with the planned Comprehensive Plan Update, etc.

103 Overtime

This account includes overtime pay for the Permit Tech who attends the Planning Commission meetings and Appeals Board meetings.

104 FICA

This is a mandatory withholding match that is a fixed percentage of salaries.

105 Insurance

This line item funds the City's portion of health, dental, life and disability insurance for employees. In an effort to keep health insurance rates at a manageable level, changes were made this past year to the way this benefit is funded. The City took on a portion of the liability, which resulted in lower premiums. Actual savings, if any, will depend on plan usage during a given year. The budget does include a potential 5% increase in insurance premiums, but we are hopeful this new funding mechanism will help us better keep insurance costs under control.

107 Civilian Pension

This line item funds the City's portion of employee pension contributions.
