BACKGROUND

The changes to Sections 31.21 and 133.01 are a result of American Legal Publishing Corporation incorporating the legislative changes from the 2013/14 legislative session into our Code including some minor language changes.

The changes to Section 92.15 are to insure that the erosion control facilities and plantings approved by the City will not constitute nuisances.

These changes have been reviewed by the City Attorney and City Clerk.

ORDINANCE NO. _____

AN ORDINANCE OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, SARPY COUNTY, NEBRASKA TO AMEND MUNICIPAL CODE SECTION 31.21 REGARDING CITY TREASURER DUTIES; TO REPEAL CONFLICTING ORDINANCES PREVIOUSLY ENACTED; AND TO PROVIDE FOR SEVERABILITY AND AN EFFECTIVE DATE HEREOF.

BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, SARPY COUNTY, NEBRASKA:

SECTION 1. Municipal Code Section 31.21 is hereby amended to read as follows:

§ 31.21 CITY TREASURER.

(A) (1) The City Treasurer shall receive all money belonging to the city and shall keep books and accounts in such a manner as the Mayor and City Council shall prescribe. The Treasurer shall keep a daily cash book, which shall be footed and balanced daily, and such books and accounts shall always be subject to inspection of the Mayor, members of the City Council, and such other persons as they may designate. (Neb. RS 16-717)

(2) The Treasurer shall keep all money in his or her hands belonging to the city separate and distinct from the Treasurer's own money. The Treasurer is hereby expressly prohibited from using, either directly or indirectly, the corporation money or warrants in his or her custody and keeping for his or her own use and benefit or that of any other person whomsoever. Any violation of this provision shall subject the Treasurer to immediate removal from office by the City Council, and it may declare such office vacant. The Mayor shall appoint a successor who shall be confirmed by the City Council to hold office for the remainder of the term. (Neb. RS 16-719)

(3) The Treasurer shall be required to give bond or evidence of equivalent insurance of not less than \$25,000, or he or she may be required to give bond in double the sum of money estimated by the City Council at any time to be in his or her hands belonging to the city-City, and school district, and he or she The Treasurer shall be the custodian of all money belonging to the corporation. The City Council shall pay the actual premium of the bond or insurance coverage of such Treasurer. The Treasurer shall keep a separate account of each fund or appropriation and the debts and credits belonging thereto. He or she shall give every person paying money into the treasury a receipt therefor, specifying date of payment and on what account paid. He or she shall also file copies of such receipts, except tax receipts, with his or her monthly reports, and he or she shall at the end of every month, and as often as may be requested, render an account to the City Council, under oath, showing the state of the treasury at the date of such account, the amount of money remaining in each fund and the amount paid therefrom, and the balance of money in the treasury. He or she The Treasurer shall also accompany such account with a statement of all receipts and disbursements, together with all warrants redeemed and paid by him or her, which warrants, with all vouchers held by him or her, shall be filed with his or her account in the Clerk's office. He or she shall produce and show all funds shown by such report to be on hand, or satisfy the Council or its committee that he or she has such funds in his or her custody or under his or her control. If the Treasurer fails to render his or her account within 20 days after the end of the month, or by a later date established by the Council, the Mayor with the consent of the Council may consider this failure as cause to remove the Treasurer from office. The Treasurer shall keep a record of all outstanding bonds against the City, showing the number and amount of each bond, for and to whom the bonds were issued, and the date upon which any bond is purchased, paid, or canceled. The treasurer shall accompany the annual statement submitted pursuant to Neb. RS 19-1101 with a description of the bonds issued and sold in that year and the terms of sale, with every item of expense thereof. The Treasurer may employ and appoint a delinquent tax collector, who shall be allowed a percentage upon his or her collections to be fixed by the Council not to exceed the fees allowed by law to the County Treasurer for like services, and upon taxes collected by such delinquent tax collector, the City Treasurer shall receive no fees. The City Treasurer shall prepare all paving and curbing tax special assessment lists and shall collect all paving and curbing tax special assessments. (Neb. RS 16-318) ('79 Code, § 1-309) Statutory reference: Treasurer's statutory duties, Neb, RS 16-717 through 16-722

(B) The Treasurer shall make duplicate receipts for all sums paid into the Treasury, which receipts shall:

- (1) Specify the date of payment and what account paid;
- (2) Show the source from which such funds are derived; and
- (3) By distinct lines and columns, show the amount received to the credit of each separate fund, and whether same was paid in cash, in warrants, or otherwise, one of which duplicates the Treasurer shall deliver to the person making such payment and the other he or her shall retain in his or her office and file such copy (except tax receipts) with his or her monthly reports. (Neb. RS 77-2209) ('79 Code, § 1-310)

(C) The Treasurer shall daily, as moneys are received, foot the several columns of his or her cashbook and of his or her register, and carry the amounts forward, and at the close of each year, in case the amount of money received by the Treasurer is insufficient to pay the warrants registered, he or she shall close the account for that year in such register and shall carry forward the excess. Any Treasurer who shall fail regularly to enter upon his or her cashbook the amounts so received and receipted for, or who shall fail to keep his or her cashbook footed from day to day for the space of three days, shall forfeit for each offense the sum of \$100 to be recovered in a civil action on his or her official bond by any person holding a warrant drawn on such Treasurer, one-half to the person bringing such action and one-half to the school fund of the county in which the action is brought. The cashbook, register and retained receipts of the Treasurer shall at all times be open to the inspection of any person in whose name any warrants are registered and unpaid.

(Neb. RS 77-2210 through 77-2212) ('79 Code, § 1-311)

Any Treasurer failing or neglecting to prepare and publish such statement of receipts and expenditures shall be deemed guilty of a misdemeanor and shall upon conviction pay a fine not to exceed \$25 and be liable in addition to removal from office for such failure or neglect.

(Neb. RS 19-1101, 19-1103, 19-1104) ('79 Code, § 1-312)

(Neb. RS 77-2202)

(2) On presentation of a warrant for payment to the Treasurer when there are not sufficient moneys on hand to the credit of the proper fund to pay the same, it shall be the duty of the Treasurer to enter such warrant in his or her warrant register for payment in the order of its presentation, and he or she shall endorse on the warrant the words "registered for payment" with the date of registration and shall sign such endorsement, whereupon the warrant shall draw interest at the rate fixed by the Mayor and City Council, which rate shall be endorsed on the warrant, until notice of payment shall be given the registered owner.

(Neb. RS 45-106 and 77-2203)

(3) The Treasurer shall neither directly or indirectly contract for or purchase any city warrant at any discount whatever upon the sum due on such warrant or order, and if he or she shall so contract for or purchase any such order or warrant, he or she shall not be allowed in settlement the amount of such order or warrant, or any part thereof, and shall also forfeit the whole amount due on such order or warrant.

(Neb. RS 77-1741) ('79 Code, § 1-313) (Am. Ord. 1026, passed 5-1-07; Am. Ord. 1076, passed 10-21-08)

AUTHORIZATION TO PURCHASE UPDATE FOR LIBRARY MATERIALS DETECTION SYSTEM	◆ RESOLUTION ORDINANCE RECEIVE/FILE	ROSE BARCAL LIBRARY DIRECTOR

SYNOPSIS

A resolution has been prepared approving the purchase and installation of an update to the Library's detection system from 3M in an amount not to exceed \$34,296.00.

FISCAL IMPACT

The FY 15 Capital Fund Budget provides funding for this project.

RECOMMENDATION

Approval.

BACKGROUND

The detection system ensures that materials have been properly checked out and discourages people from leaving the library with materials by use of an audible indicator in the detection gates. The current library detection system was installed when the building was constructed in 1999. Recommended update for this system is 11-13 years. Due to the age of the system (16 years) we are experiencing false detections of items on a daily basis. Due to the fact that parts for the current system are no longer manufactured, it is recommended the system be updated.

3M has been a responsive company in dealing with the aged system's maintenance and their expertise in the detection system field is nationwide. They have gone above and beyond in keeping our current system functioning. The new system includes the three 3M bookcheck units located at the Circulation Desk as well as new detection gates. The existing security tape in all of the library materials will still function with this update so replacement of security strips in the 60,000+ library books, magazines, DVDs, etc. is not necessary.

AUTHORIZE REQUEST FOR PROPOSALS – ENGINEERING SERVICES-CITY PARKING DISTRICT ACCESS IMPROVEMENTS	◆ RESOLUTION ORDINANCE RECEIVE/FILE	JOHN KOTTMANN CITY ENGINEER/ASSISTANT PUBLIC WORKS DIRECTOR

SYNOPSIS

A resolution has been prepared authorizing a Request for Proposals for engineering services necessary to perform preparation of plans and specifications and construction phase services for a public street to improve connectivity to the City Parking Lot with related drainage and intersection improvements. Proposals will be solicited from three engineering firms that have knowledge of the Southport West infrastructure.

FISCAL IMPACT

Funding for the engineering services and subsequent construction will come from bonds supported by highway allocation funds and sales tax revenue, if required.

RECOMMENDATION

Approval

BACKGROUND

The initial phase of City Parking Lot construction anticipated that there would be additional connections made to the south. Recent development activity and prospects for more activity make this an appropriate time to make additional improvements that will increase the ability to connect the new development traffic to the City Parking Lot, both vehicular and pedestrian. This may include improvements to the intersection of Westport Parkway and Southport Parkway. In addition, drainage improvements are needed to serve storm water runoff from Southport West including the runoff from the City Parking Lot.

WHEREAS, the Mayor and Council have determined that requesting proposals for engineering services for the City Parking District access improvements is necessary, and

66 th STREET REHABILITATION- INTERLOCAL AGREEMENT WITH PAPIO- -MISSOURI RIVER NRD AND SARPY COUNTY	◆ RESOLUTION ORDINANCE RECEIVE/FILE	JOHN KOTTMANN CITY ENGINEER/ASSISTANT PUBLIC WORKS DIRECTOR

SYNOPSIS

A resolution has been prepared authorizing the Mayor to execute an Interlocal Cooperation Agreement with the Papio-Missouri River Natural Resources District and Sarpy County for the undertaking of efforts required to rehabilitate 66th Street for an interim period until the permanent reconstruction takes place in the future. The agreement includes the Papio-Missouri River NRD as part of a package of work that includes rehabilitation of a road at Chalco Hills Recreation area. The City is not participating in the Chalco Hills Recreation project costs. Sarpy County will be the lead agency in preparing plans and administering the project.

FISCAL IMPACT

The preliminary estimate of the 66th Street Rehabilitation, prior to preparing the plans and specifications, is \$322,560. The City's share of this preliminary cost is \$200,050. Funding is allocated in the Capital Improvement Portion of the Budget for \$175,000 in FY15 and \$250,000 in FY16. This is Project Number PWST-10-001. This project is not expected to be completed in FY15.

RECOMMENDATION

Approval

BACKGROUND

This interlocal agreement provides the opportunity for the plans and specifications to be prepared by Sarpy County Public Works using their in-house personnel, thereby saving the participants the costs of professional engineering services. The joint project with the Papio-Missouri River NRD allows for preparing a larger package of work and potentially obtaining lower unit costs as a result of a larger package of work. 66th Street lies within the jurisdiction of both Sarpy County and the City of La Vista.

This Interlocal Cooperation Agreement made and entered into, by and between the County of Sarpy, Nebraska ("Sarpy County") and the City of La Vista, Nebraska ("La Vista") and the Papio-Missouri River Natural Resources District ("PMRNRD") (collectively the "Parties"), pursuant to the Nebraska Interlocal Cooperation Act, Neb. Rev. Stat. §§ 13-801, et seq. (1943), as amended (the "Interlocal Cooperation Act").

WHEREAS, Sarpy County is a duly existing body corporate and politic in accordance with and by virtue of the laws of the State of Nebraska; and

WHEREAS, the City of La Vista, Nebraska is a duly-incorporated city of the first class located in Sarpy County, Nebraska; and

WHEREAS, the Papio-Missouri River Natural Resources District is a duly existing political subdivision in accordance with and by virtue of the laws of the State of Nebraska; and

WHEREAS, pursuant to the authority granted to the Parties per the Interlocal Cooperation Act, the Parties desire to enter into mutually beneficial endeavors to improve 66th Street from Harrison Street to Giles Road, Giles Road from 66th Street to 69th Street, and a recreational roadway within the Chalco Hills Recreation Area. The locations of 66th Street and Giles Road are shown on the site map attached hereto as Exhibit "A" and incorporated herein by reference (to be referred to as the "66th Street Project"). The location of the recreational roadway within Chalco Hills Recreation Area is shown on the site map attached hereto as Exhibit "B" and incorporated herein by reference (to be referred to as the "Chalco Hills Project"). Collectively these are referred to herein as "the Projects" and individually as "Project"; and

WHEREAS, the purpose of this Agreement is to provide for cooperative undertakings between Sarpy County, La Vista, and the PMRNRD regarding the Projects, to set forth the agreements of the Parties regarding the responsibility for, and timing of, construction of the Projects, and to set forth the duties and responsibilities of the Parties relating to the Projects.

NOW, THEREFORE, in consideration of the mutual covenants and agreements of the Parties hereto, it is agreed by and between them as follows:

1. Sarpy County, by and through its engineers, will prepare or cause to be prepared plans and specifications for construction of pavement patching followed by an asphaltic concrete overlay in the Project areas shown on Exhibits "A" and "B". The final plans and specifications for the 66th Street Project shall be subject to approval by La Vista. The final plans and specifications for the Chalco Hills Project shall be subject to approval by PMRNRD. Such approvals shall not be unreasonably withheld. Subject to the conditions and provisions

hereinafter specified, Sarpy County shall enter into a contract for construction of the Projects in accordance with the plans and specifications approved by the Parties. Sarpy County shall not be entitled to reimbursement for the costs associated with the engineering and preparation of plans and specifications for the Projects if such work is performed by Sarpy County's own employees.

2. All Project construction work occasioned by this Agreement shall be performed by the contractors furnishing the lowest and best bid as determined by Sarpy County pursuant to formal bidding requirements as provided by law and as thereafter approved by the Parties. Bids shall contain a separation of quantities and costs for the 66th Street Project and the Chalco Hills Project. Upon tabulation of all bids received for construction of the Project, Sarpy County will review same with La Vista and PMRNRD prior to accepting bids. In the event that the actual low bid for each Project is more than 120% of the estimated construction costs set forth in Exhibits "D" and "E" attached hereto and incorporated herein by reference, the Parties may reevaluate the proposed improvements. The Parties may decide to proceed and allocate additional funding, decide to reduce the scope of work to remain within available funding, decide to rebid the project or decide not to proceed with the Project. For each of the Projects, the affected Parties will reach mutual agreement on the desired course of action if bids exceed 120% of the estimated construction costs set forth in Exhibits "D" and "E".

3. All contractors performing work on the Projects pursuant to this Agreement shall furnish a performance bond to the Parties as their interests appear, satisfactory to Sarpy County, La Vista and PMRNRD as to surety and form, which shall remain in full force and effect and until acceptance of the construction and which, in part, shall provide for the good and faithful performance of the construction contract, plans and specifications by contractor, for compliance by contractor with all applicable laws, for payment of material, labor and rentals, and for the payment of the unemployment payment to the Department of Labor of the State of Nebraska as provided by State Law.

4. The Sarpy County Public Works Director, or his designee, shall be the Project Manager and shall perform construction management services including, but not limited to, interpretation of the plans and specifications, prepare change orders if necessary, measure quantities of work, conduct project meetings, and shall determine whether the performance of the work, workmanship, quality of materials, and/or acceptability of the work is in accordance with the plans and specifications. The Project Manager shall be the final arbiter. The Project Manager shall inform the Parties prior to the issuance of any change orders that result in increased costs to another Party, and shall make available to the Parties, upon request, all documents associated with construction management. Sarpy County shall not be entitled to reimbursement for the costs associated with the construction management services.

5. All contracts with contractors, pertaining to the Projects occasioned by this Agreement shall be made by Sarpy County pursuant to Paragraphs 2 and 3 of this Agreement and said contracts shall, in part, provide full and faithful adherence to the plans and specifications for the work, partial payments during construction based upon work completed and certified by Sarpy County's engineers and approved by La Vista's or PMRNRD's project representatives, and for final payment upon completion and certification by the Parties. During the course of the construction of the Projects, La Vista and/or PMRNRD may at any time inspect the work to ensure compliance with the plans and specifications. Sarpy County shall make all payments to

contractors for work performed on the Project until completion, except as provided in paragraph 6, below.

6. (a) Unless otherwise provided in this agreement, the cost to be allocated among the Parties to this agreement shall be limited to the actual costs of construction, engineering, and legal costs to the extent associated with the foregoing, (collectively, "Costs"). Unless otherwise provided in this agreement, costs associated with bonding or obtaining financing are not to be included as Costs, nor shall payments and expenses, including but not limited to salaries, paid to or associated with a Party's own employees.

(b) The estimated Costs for the Projects are set forth on Exhibits "D" and "E" (the "Estimated Cost Schedules"). The Parties agree to allocate Costs of the Projects in accordance with the cost allocation percentages shown on the Estimated Cost Schedules. Sarpy County agrees to pay the contractor(s), as certified by Sarpy County's engineer, within the time frames required under the contract between such contractor(s) and Sarpy County. Sarpy County shall bill La Vista and PMRNRD after making progress payments to the contractor(s) for La Vista's and PMRNRD's share of the project costs. La Vista and PMRNRD will pay such bills no later than 45 days after an invoice is received from Sarpy County. The Parties to this Agreement warrant regular budgetary procedures will apply to this project; provided, however, each of the Parties agrees to appropriate and levy amounts sufficient to satisfy its share of Costs.

7. The Parties agree that no additional right-of-way is required for the construction of the Projects.

8. This Agreement shall not release the Parties to this Agreement from their responsibilities established by the Statutes of the State of Nebraska.

9. The Parties warrant to each other that they have not employed nor retained any company or person, other than a bona fide employee working solely for the Parties to this Agreement to solicit or secure this contract, and that they have not paid or agreed to pay any company or person other than a bona fide employee working solely for the Parties, any fee, commissions, percentage, brokerage fee, gifts or other consideration, contingent upon or resulting from the award or making of this contract.

10. The Parties to this Agreement hereby agree to comply and to cause to all contractors doing work occasioned by this Agreement to comply with all Federal and State laws, rules, and other applicable regulations.

11. It is the mutual desire and intention of the Parties that the 66th Street Project shall be constructed by December 1, 2015 and that the Chalco Hills Project shall be constructed between November 1, 2015 and April 1, 2016 or between June 1, 2016 and August 1, 2016. Accordingly, the Parties hereby agree to cooperate with each other and make reasonable, good faith efforts to perform their obligations hereunder in a timely manner so as to achieve the construction within these time periods.

12. Attached as Exhibit "C" is a map of the Project area, showing the area of the 66th Street Project currently within the corporate limits of La Vista. Portions of the area of the 66th Street Project not currently within the corporate limits of La Vista are designated on Exhibit "C" as Area "A". If the 66th Street Project covered by this Agreement is completed, and within 5 years thereafter, La Vista exercises powers of annexation so as to include within the corporate limits of the City, either directly or by operation of law, any portion of said Area "A" that includes improvements of the Project covered by this Agreement, La Vista shall reimburse Sarpy County for a portion the County's share of the Project costs. Said reimbursement shall be the same proportion of the County's cost paid under this Agreement as is the proportion of Area "A" that is annexed within 5 years after completion of the Project.

13. There shall be no separate legal or administrative entity created to administer this Agreement and, therefore, no separate budget established for such an entity.

14. The maintenance of the improvements in the Projects constructed under this Agreement shall be the responsibility of the Party under whose jurisdiction such improvements are located.

15. Sarpy County shall maintain records of all construction and other costs incurred in connection with the Project, and La Vista and PMRNRD shall have the right to audit and review such records at any time to assure that such records are accurate.

16. This Agreement shall commence upon the date of execution by the last party to execute the Agreement as noted below. This Agreement shall continue until such time as the Project to be performed pursuant to this Agreement has been completed and reimbursement is made to Sarpy County as provided herein.

17. This Agreement may be terminated by any party that is not in breach of this Agreement upon ninety (90) days written notice to the other party for material breach by the other party of the terms and conditions of this Agreement which shall not be cured within sixty (60) days after written notice of the breach is given to such other party, or cure shall not be commenced within said sixty (60) day period if cure requires more than sixty (60) days to complete.

18. This instrument contains the entire agreement of the parties and shall be binding upon the successors and assigns of the respective parties. No amendments, deletions or additions shall be made to this Agreement except in writing signed by all parties.

19. Nothing in this Agreement is intended to supersede, replace, or alter any of the terms or conditions contained in the agreement between Sarpy County and PMRNRD previously entered into by these parties regarding the maintenance of roads within the Chalco Hills Recreation Area.

20. The terms and performances under this Agreement shall be governed by the laws of the State of Nebraska.

21. In the event any portion of this Agreement may be held invalid or unenforceable for any reason, it is agreed that any invalidity or unenforceability shall not affect the remainder

of this Agreement and the remaining provisions shall remain in full force and effect, and any court of competent jurisdiction may so modify any objectionable provision of this Agreement so as to render it valid, reasonable.
