ELECTION OF DIRECTORS TO THE LA VISTA METROPOLITAN COMMUNITY COLLEGE BOARD OF DIRECTORS	◆ RESOLUTION ORDINANCE RECEIVE/FILE	BRENDA S. GUNN CITY ADMINISTRATOR

SYNOPSIS

A resolution has been prepared to designate and ratify, as well as affirm and approve the election of, the City's three directors of the La Vista Metropolitan Community College Board of Directors for the purposes of the Condominium Board for the public library and MCC Sarpy Center and approving actions of the directors at the 2015 Annual Meeting.

FISCAL IMPACT

N/A.

RECOMMENDATION

Approval.

BACKGROUND

Currently, the City Council has elected the following persons to the Condominium Board:

- City Administrator
- Library Director
- Director of Public Works

It is proposed that Council designate these positions to hold a seat on the Board on behalf of the City. Additionally, the Condominium Board of Directors will hold its annual meeting on November 9, 2015, at which time the above directors will take action on behalf of the City and the resolution will ratify their actions.

RESOLUTION NO. _____

A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA TO ELECT DIRECTORS OF THE LA VISTA/METROPOLITAN COMMUNITY COLLEGE CONDOMINIUM OWNERS ASSOCIATION, INC.

WHEREAS, the City of La Vista Facilities Corporation ("City Facility Corporation") and the Metropolitan Community College Facilities Corporation made and entered a Declaration and Master Deed of La Vista Metropolitan Community College Condominium Property Regime dated December 29, 1997 ("Declaration") for the purposes of administering the condominium property regime and maintaining common areas of the Library/Sarpy Center; and

WHEREAS, the La Vista/Metropolitan Community College Condominium Owners Association, Inc., ("Association") was incorporated for purposes of administering the condominium property regime and maintaining the common areas under the Declaration, and the Association is governed by a Board of Directors; and

WHEREAS, pursuant to Article 1.24 of the Declaration, as amended, the City Facilities Corporation delegated to and authorized the City of La Vista ("City") to exercise voting rights with respect to the Association and its Board of Directors, and the City desires to exercise said voting rights to elect Directors of the Association.

WHEREAS, the following positions (and the individuals holding the titles) have been designated by the Mayor and City Council to be the City's three directors on the Association's Board of Director's ("City's Director's"):

City Administrator
Library Director
Director of Public Works

WHEREAS, the Association will hold its 2015 Annual Meeting on November 9, 2015, at which time and at such meeting the City's Directors shall vote on behalf of the City and in accordance with the desire of the City Council and the Mayor to nominate and re-elect the City's Director's to the Association's Board of Directors; and

WHEREAS, the Mayor and City Council desire to designate, and ratify, affirm and approve the election of the City's Directors.

NOW, THEREFORE, BE IT RESOLVED, that effective November 3, 2015, the following are hereby designated and elected to serve as the City's appointees to the Board of Director's of the Association:

City Administrator
Library Director
Director of Public Works

and further that their attendance, participation, voting and exercise of other rights

STATEMENT OF INTENT — NEBRASKA MULTISPORT COMPLEX	◆ RESOLUTION ORDINANCE RECEIVE/FILE	BRENDA S. GUNN CITY ADMINISTRATOR

SYNOPSIS

A resolution has been prepared to approve a Statement of Intent with Omaha Multi-Sport Complex, doing business as Nebraska Multisport Complex and authorizing further actions.

FISCAL IMPACT

There are substantial public benefits to be realized by the City and its residents from the proposed development of the Multisport Complex, including new construction, permanent jobs, availability of new recreational facilities at preferred rates for La Vista residents and potential for additional hotel, dining, retail, entertainment and other development, and related tax revenues.

RECOMMENDATION

Approval.

BACKGROUND

The Nebraska Multisport Complex, a nonprofit 501(c)(3) corporation, has announced plans for the development of a state of the art championship athletic complex in the City located northeast of Giles Road and Eastport Parkway. The project was presented to the City Council on July 7, 2015.

The proposed development would create a local, regional and national destination for swimming, diving, soccer and tennis. The Site of approximately 185 acres has been designated in the City's comprehensive plan for recreational uses and the topography, relatively level grade and location near the I-80 interchange, lodging and restaurants make the Site an ideal location for the Multisport Facilities.

In the interests of public health, safety and welfare, additional City public infrastructure improvements are necessary to ensure among other things sufficient public streets, public offstreet parking and uncongested traffic flows along City streets and in and around the Giles Road & I-80 interchange. The City can also facilitate tax-exempt financing for Nebraska Multisport Complex facilities and other matters without use of City taxes.

The following notes identify the key points of the Statement of Intent (SOI).

Nebraska Multisport Complex

- Responsible for cost of constructing and operating all indoor and outdoor swimming, diving, tennis, soccer and any other athletic or recreational facilities.
- Construction of multisport facilities will be financed with City revenue bonds, and Nebraska Multisport will lease the facilities from the City.
- Nebraska Multisport lease payments will be used to repay City revenue bonds and are expected to be secured in part by private donations. The schedule of Nebraska Multisport lease payments will cover debt service on the bonds.
- Bondholders will look to Nebraska Multisport to make lease payments for repayment of the bonds. City taxes will not be obligated or used on the bonds. Bond documents will be clear on this.
- Nebraska Multisport will obtain title to the facility at the end of the lease period, currently projected as 20 years.
- Operations of the multisport facilities are projected to be self-supporting by year three and generate sufficient revenues from memberships and events to cover operating costs.
- Provide La Vista residents with certain preferred rates for use of multisport facilities (including aquatic facilities to address the City's aging pool).

City

- Construct up to \$10 million public streets, parking, and other infrastructure in accordance with a prudent phasing schedule.
- Maintain public streets, parking, and infrastructure.
- Issue revenue bonds and otherwise facilitate financing for construction of multisport facilities, all as described above.

Note: The SOI is not a legally binding agreement. The SOI and described actions and improvements will be subject to development of final plans and specifications and approval and execution of definitive, legally binding documents, instruments and agreements as determined necessary or appropriate.

RESOLUTION NO. _____

**A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA,
NEBRASKA APPROVING A STATEMENT OF INTENT WITH OMAHA MULTI-SPORT
COMPLEX, AND AUTHORIZING FURTHER ACTIONS**

WHEREAS, the Omaha Multi-Sport Complex, a Nebraska nonprofit corporation and tax exempt organization under Internal Revenue Code Section 501(c)(3) doing business as Nebraska Multisport Complex ("Nebraska Multisport") announced plans for proposed development of state of the art championship athletic complex in the vicinity of the I-80 and Giles Road interchange of the City of La Vista ("La Vista") to host local, regional and national championship competitions in the areas of swimming, diving, soccer and tennis, and provide facilities for public use, including recreational swimming ("Multisport Facilities"); and

WHEREAS, Nebraska Multisport desires construction and operation of the Multisport Facilities on an undeveloped site in La Vista located northeast of Giles Road and Eastport Parkway ("Site"). The Site consists of approximately 185 acres previously designated in La Vista's comprehensive plan for recreational uses. The topography, relatively level grade, and location near the I-80 interchange, lodging and restaurants make the Site an ideal location for the Multisport Facilities; and

WHEREAS, the proposed development would create a regional and national destination for swimming, diving, soccer and tennis, and build on existing development in La Vista; and

WHEREAS, there are substantial public benefits to be realized by La Vista and its residents from proposed development of the Multisport Facilities, including new construction, permanent jobs, availability of new recreational facilities at preferred rates for La Vista residents, and potential for additional hotel, dining, retail, entertainment and other development, and related tax revenues; and

WHEREAS, in the interests of public health, safety and welfare, additional La Vista public infrastructure is required, including for example additional public streets and public offstreet parking facilities to ensure safe and uncongested traffic flows along La Vista's streets and in and around the vicinity and Giles Road and I-80 interchange; and

WHEREAS, a proposed statement of intent is presented at this meeting, which includes a description of the Multisport Facilities and anticipated financing, which statement of intent is incorporated into this Resolution by reference ("Statement of Intent").

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and City Council of La Vista do hereby approve the Statement of Intent, as presented at this meeting and incorporated herein by this reference, including without limitation the

proposed Multisport Facilities and anticipated financing described therein, and the Mayor or his designee is authorized to execute said Statement of Intent.

BE IT FUTHER RESOLVED, that the Mayor or City Administrator, or his or her designee(s), is hereby authorized and directed in his or her sole discretion to take all actions on behalf of La Vista as he or she deems necessary or appropriate (i) to negotiate and develop definitive documents and instruments, including without limitation a lease with Nebraska Multisport for the Multisport Facilities and related portions of the Site, (ii) to apply for any and all loans, grants or other potential public or private financing, funds, or assistance of any kind, nature or source whatsoever with respect to any and all of the proposed Multisport Facilities or proposed public improvements, and (iii) to otherwise carry out the actions approved in this Resolution or contemplated by the Statement of Intent.

PASSED AND APPROVED THIS _____ DAY OF _____, 2015.

Statement of Intent

This statement of intent describes planned cooperation of the City of La Vista ("La Vista") and Omaha Multi-Sport Complex, a Nebraska nonprofit corporation and tax exempt organization under Internal Revenue Code Section 501(c)(3) doing business as Nebraska Multisport Complex ("Nebraska Multisport"), and Nebraska Multisport's proposed development of a state of the art championship athletic complex designed to host local, regional and national championship competitions in the areas of swimming, diving, soccer and tennis, and provide facilities for public use, including recreational swimming ("Multisport Facilities").

Nebraska Multisport desires construction and operation of the Multisport Facilities on an undeveloped site in La Vista located northeast of Giles Road and Eastport Parkway ("Site"). The Site consists of approximately 185 acres previously designated in La Vista's comprehensive plan for recreational uses. The topography, relatively level grade, and location near the I-80 interchange, lodging and restaurants make the Site an ideal location for the Multisport Facilities.

Nebraska Multisport, at its cost and with proceeds from certain donations, grants, gifts, anticipated lease structured conduit financing, and any other available funds, will provide for the acquisition, construction, improvement and equipping of the Multisport Facilities, initially depicted in the conceptual site plan and renderings attached as Exhibit A, subject to any modifications determined necessary or appropriate, and at its cost will maintain and operate said facilities. Nebraska Multisport will be responsible for 100% of the costs of the Multisport Facilities and related financing, the design, development, construction and acquisition of which as initially depicted is estimated at more than \$100 million, excluding Public Improvements proposed to be constructed by La Vista.

La Vista, subject to any applicable statutory requirements or other potential public participation, will design, develop and construct, the following public improvements at the Site up to a total cost of land and construction contract award not exceeding \$10 million (together "Public Improvements"), and at its cost maintain and operate said improvements:

1. Public improvements within dedicated right of way as follows ("Right of Way Improvements"):

Phase 1: Initial public street (4,400 feet assumed), public sanitary sewer (2,500 feet assumed), public drainage systems, public water main (2,500 feet assumed), and public sidewalks along public streets and connecting Southport East and West

Phase 2: Additional public street (1,800 feet assumed), 120th and Giles traffic signal modification, public sanitary sewer (2,500 feet assumed), public drainage systems, public water main (2,500 feet assumed), and public sidewalks along public streets and connecting Southport East and West, and

Phase 3: Additional public street (1,100 feet assumed), railroad undercrossing, and sidewalks connecting Southport East and West.

2. Offstreet public parking facilities on the Site as follows, consistent with utilization and development of the area, to facilitate continued sensible, efficient and uncongested traffic flow in and around the vicinity and Giles Road and I-80 interchange ("Offstreet Public Parking"):

Phase 1 - 1,200 stalls (675 paved, 525 unpaved), with unpaved stalls to be paved in accordance with a schedule to be developed based on achieving specified milestones,

Phase 2 - 525 stalls (unpaved), with unpaved stalls to be paved in accordance with a schedule to be developed based on achieving specified milestones, and

Phase 3 - 250 stalls (unpaved), with unpaved stalls to be paved in accordance with a schedule to be developed based on achieving specified milestones.

Right of Way Improvements include standard street lighting by OPPD. Land on the Site required for Right of Way Improvements will be dedicated at no cost to La Vista. La Vista will purchase land required for Offstreet Public Parking at a price and on terms approved by La Vista and by the seller of said land. The actual amount and description of land required for Public Improvements will be determined by survey. La Vista, with the exception of land dedicated for Right of Way Improvements, will be responsible for paying 100% of costs of Public Improvements. Public Improvements will be subject to final plans approved by La Vista. La Vista may elect to charge and collect parking fees for mutually agreed events. Any other available public offstreet parking or shuttle services of La Vista may be used on a nonexclusive basis by the public visiting the Site or events held at the Site.

La Vista also will participate as the issuer and lessor in certain anticipated lease structured conduit financing for the acquisition, construction, improvement and equipping of the Multisport Facilities, whereby La Vista will hold legal title to the Site and Multisport Facilities and lease the same to Nebraska Multisport. Nebraska Multisport's lease payments together with any other available sources will be sufficient to repay such revenue bond financing, and tax revenue of La Vista will not be used. After repayment of all bonds, Nebraska Multisport in accordance with typical lease structured conduit financing will receive from La Vista title to the Multisport Facilities and related portions of the Site. The parties agree to cooperate with each other to obtain reduced utility connection and permit fees for the Site and to apply for financial assistance that may be applicable for the Public Improvements or Multisport Facilities.

Nebraska Multisport in accordance with its mission will make certain areas of the Multisport Facilities available for use of the general public on affordable terms. Nebraska Multisport acknowledges that La Vista's current outdoor swimming pool may be nearing the end of its useful life. Nebraska Multisport, in consideration of Public Improvements and facilitation of financing of the Multisport Facilities by La Vista, will provide La Vista residents with certain preferred rates when compared with rates charged to non-La Vista residents for use of the Multisport Facilities, including the proposed state of the art aquatic facilities. Rates and usages of Multisport Facilities by La Vista residents will be in accordance with parameters satisfactory to Nebraska Multisport and La Vista.

Construction and completion of the various Public Improvements and Multisport Facilities will be phased, scheduled and carried out based on such milestones as established and approved by La Vista and Nebraska Multisport. Rough grading of right of ways and public parking areas according to plans satisfactory to the parties will be provided by Nebraska Multisport as part of development of the Site at no cost to La Vista.

This statement of intent is not a legally binding agreement. The statement of intent and described actions and improvements will be subject to development of final plans and specifications, and approval and execution of definitive, legally binding documents, instruments and agreements, as each party determines necessary or appropriate in accordance with applicable law, in form and content approved and executed by each party.

County hotel market is improving, but not so occupied that there is not room for groups and tournaments. Rates increasing but not at pace of US as a whole.

County hotels are most full on warm weather weekends. This suggests compressed demand, where sellouts occur at the best hotels, pushing demand to lesser hotels. Late fall and early spring still available. Occupancy will force tournaments to book and block rooms early. Weekend business not enough to justify new hotel development since weekday business is not as strong and is required for more hotels.

La Vista Hotels

- City will not be able to entirely accommodate the majority of the field events and larger swimming events
- Sarpy County will be able to accommodate the majority of the projected events, outside of a few outdoor soccer events
- Larger swimming events will need approximately 45 to 65 percent of the hotel rooms in the city
- Fieldhouse and tennis events can be accommodated by the City of La Vista
