BACKGROUND

Ordinance No. 921 established the City's Economic Development Program and formed the Citizen Advisory Review Committee which is charged with reporting to the Mayor and City Council in a public hearing at least once every six months.

LA VISTA CITIZEN ADVISORY REVIEW COMMITTEE

To: Mayor and City Council

Dt: March 18, 2016

Fr: Citizen Advisory Review Committee

Re: Economic Development Program Review

The Citizen Advisory Review committee is required to report to the Mayor and City Council at least once every six months regarding the Economic Development Program. The following is provided for the Committee's information and generally covers activity for FY 15 (the period from October 1, 2014 to September 30, 2015):

One application to the Economic Development Program has been received to date. The application was from John Q. Hammons to construct a full service Embassy Suites Hotel and conference center facility, which opened in July of 2008 and a Marriott Courtyard Hotel, which opened in May of 2009. These facilities are located in the Southport West subdivision.

1. The City has been collecting sales tax revenue for the Economic Development fund since its effective date. In FY15 the fund received \$600,000 in sales tax revenue, (bringing the total sales tax revenues transferred to the fund since its inception to \$3,288,000), and \$1,187,292 in loan payments (interest only) from John Q. Hammons. Expenditures in FY15 were \$1,998,854 for debt service associated with the grant and construction loan.
2. The Economic Development Fund Budget for Fiscal Year 2016 indicates a carry forward amount of \$236,821 from FY15, the fund will receive \$1,186,839 in revenue from loan payments (interest only) by John Q. Hammons, and the fund will receive \$600,000 from sales tax. Expenditures in FY16 will include debt service payments of \$1,311,426 in interest and \$685,000 in principal.
3. The City's assessed valuation for 2016 is \$1,331,138,549, which is an increase of 4.89% from 2015. Over the past 5 years, the growth in the City's valuation has averaged approximately 4.7% annually. The considerably lower than average growth rate in fiscal years 2012 and 2013 can likely be attributed to declining property values related to market sales and vacant commercial properties, especially in the 84th Street corridor. The City pursued annexations in FY13 and won the Supreme Court case regarding the annexation of SID 59, increasing the valuation for 2014. 2015 and 2016 have both shown growth in valuation.
4. Sales and use tax revenue has continued to show a substantial increase over the last several years. Sales and use tax for FY2015 was considerably higher than budgeted. The budget was prepared extremely conservative in light of the refunds that were taken by the State in 2014. The City has started to build a sales and use tax reserve for potential future rebates.

FY2010 Sales and Use Tax - \$3,499,187 (up 9.2%)

FY2011 Sales and Use Tax - \$3,741,187 (up 6.9%)

FY2012 Sales and Use Tax - \$4,471,391 (up 19.5%)

FY2013 Sales and Use Tax - \$5,999,367 (up 34.2%)

FY2014 Sales and Use Tax - \$3,212,977 (actually received less the \$2.4 million rebate)*

FY2015 Sales and Use Tax - \$6,956,421 (up 23.9% over total earned in FY14)

* (State took back \$2.4 million in sales and use tax revenue in 2014 due to State incentive programs.)

5. While considerably lower than previous years, building permit valuations have remained fairly steady since 2008.

2008 - \$43,487,781 (a decrease from the previous year).

2009 - \$27,316,647

2010 - \$50,312,009 (two large multi-family projects at the end of the year)

2011 - \$34,936,491

2012 - \$28,813,664

2013 - \$31,603,604

2014 - \$48,455,140

2015 - \$53,935,091

2016 - \$ 621,291 (January and February)

Total building permit valuations since 1997 are \$1.06 billion.

AN ORDINANCE OF THE CITY OF LA VISTA, SARPY COUNTY, NEBRASKA, TO AMEND THE LA VISTA MUNICIPAL CODE SECTIONS 92.17 AND 92.21 RELATING TO NUISANCES; TO REPEAL CONFLICTING ORDINANCES PREVIOUSLY ENACTED; TO PROVIDE FOR SEVERABILITY; AND TO PROVIDE FOR THE EFFECTIVE DATE HEREOF.

§ 92.17 ABATEMENT PROCEDURE.

(A) (1) Whenever a nuisance exists as defined in this subchapter, the city may proceed by a suit in equity to enjoin and abate the same, in the manner provided by law.

(2) Whenever, in any action, it is established that a nuisance exists, the court may together with the fine or penalty imposed, enter an order of abatement as part of the judgement in the case. ('79 Code, § 4-502)

(B) (1) It shall be the duty of every owner or occupant of real estate in the city to keep such real estate free of public nuisances. Upon determination by the Board of Health that the owner or occupant has failed to keep such real estate free of public nuisances, notice to abate and remove such nuisance and notice of the right to a hearing before the City Council and the manner in which it may be requested shall be given to the owner or occupant, or the owner's or occupant's duly authorized agent, by personal service or certified mail. Such notice shall describe the condition as found by the Board of Health and state that the condition has been declared a public nuisance and that the condition must be remedied at once. Notice of the hearing shall be given by personal service or certified mail and require the owner or occupant to appear before the City Council to show cause why such condition should not be found to be a public nuisance and remedied. Such notice shall be given not less than seven, nor more than 14 days before the time of the hearing. Upon the date fixed for the hearing and pursuant to the notice, the City Council shall hear all objections made by the owner or occupant and shall hear evidence submitted by the Board of Health. If after consideration of all the evidence the City Council finds that the condition is a public nuisance, it shall, by resolution, order and direct the owner or occupant to remedy the public nuisance at once. If the owner or occupant refuses or neglects to comply promptly with the order of the City Council, the City Council shall proceed to cause the abatement of the described public nuisance and may levy and assess the costs and expenses of the work upon the real estate so benefitted ~~in the same manner as other special assessments taxes for improvements are levied and assessed.~~ ('79 Code, § 4-302)

(3) Notwithstanding divisions (B)(1) or (2) above:

(a) If the Mayor determines that any public nuisance constitutes an immediate danger to life, safety, health, or property, the city may remove or abate the nuisance (or cause it to be removed or abated) and assess the cost thereof to the property creating the nuisance or on which the nuisance arises, to the extent necessary or appropriate to eliminate the immediacy and/or magnitude of the danger, upon 48 hours personal or certified written notice to the owner or tenant of the subject property (or the owner's or tenant's duly authorized representative) or, in light of the immediacy or magnitude of the danger, such lesser notice that can reasonably be provided under the circumstances; and, in the event any public nuisance is within the scope of Neb. RS 16-230 or 18-1752, the city shall proceed in accordance with the applicable provision or provisions thereof; and the city shall further have the option to proceed in accordance with any other applicable ordinance or state law, as amended from time to time, with respect to any public nuisance.

(b) Unless otherwise provided by state law, the city shall have the option to

Except for utilities described in § 93.002(H), any person who obtains a permit for, places, installs, locates, maintains, or uses any obstruction on, in, across, over, or under said right-of-way, shall maintain it so as not to interfere with public use of the street rights-of-way, public improvements, or utilities and in accordance with all applicable provisions of the code. Further, said person shall be solely liable and responsible for all claims, losses, liabilities, costs, and expenses whatsoever, arising out of or resulting from the obstruction, including but not limited to property damage, installation, maintenance, repair, replacement, reinstallation, removal, personal injury, and death. Utilities described in § 93.002(H) shall be maintained by and be the responsibility and liability of the person placing them in the right-of-way or obtaining a permit, license, or agreement with the city. The city shall have no obligation or liability whatsoever with respect to any obstruction placed in the street right-of-way pursuant to this subchapter or its damage or removal.

(C) Any obstructions placed or allowed to continue in the street right-of-way pursuant to this subchapter shall be maintained in a neat and orderly appearance and in good repair and condition by the owner or occupant of the property fronting on that portion of the street right-of-way on which the obstruction is located. The Building Inspector is hereby authorized to include in any permit issued pursuant to this subchapter such terms and conditions as he or she determines necessary or advisable, including but not limited to specifications and/or requirements regarding maintenance, repair, and removal, so long as not in conflict with any express provision of this subchapter or other provision of the code. Notwithstanding any other provision of this subchapter to the contrary, the Building Inspector shall be authorized to revoke any permit issued under this subchapter for failure to comply with any term or condition of the permit upon ten days advance written notice to the owner of the lot or ground adjacent to the street right-of-way on which the particular obstruction is located, in which case, the obstruction shall be unpermitted, prohibited, and subject to removal under this subchapter.

(D) (1) The city retains sole, full, and absolute right and authority to regulate and use (and authorize the use of) street rights-of-way, and nothing in this subchapter or in any permit or agreement issued or entered into by the city shall constitute or be interpreted as:

(a) Creating any license, right, or interest whatsoever in any person to any street right-of-way;

(b) Abrogating or limiting the right of the city, its licensees, or designees to perform any public works or public improvements at any time;

(c) A waiver of any other applicable code, ordinance, or regulation of the city or of the city's right to require any permit thereunder;

(d) A waiver or release of any rights of the city in or to the street rights-of-way; or

(e) Limiting the city's rights or authority with respect to said street rights-of-way.

(2) Any permission granted pursuant to this subchapter to place any obstruction in any right-of-way or allow it to remain shall be subject to all other laws, ordinances, rules, and

(E) Any dead or diseased tree in the street right-of-way, or any obstruction that is not permitted or is in violation of this subchapter shall be deemed to be a nuisance and subject to removal. The city may at any time remove or direct the removal of any obstruction:

(1) That is deemed to be a nuisance hereunder;

(2) That in the sole determination of the city interferes with use of the street rights-of-way by the city or its designees, franchisees or licensees, creates or increases risk of death, injury, or property damage, or is damaged, deteriorated, or in disrepair, or

(3) As is necessary for the city, its designee, franchisee, or licensee to perform any public work or improvement.

(F) In addition to any other authority of the city with respect to its rights-of-way under the code, state statute, or other applicable law, the Building Inspector or his or her designee shall be authorized to remove, without any prior notice, any obstruction described in division (E) of this section and not planted or installed below grade in the street right-of-way, or in the event of an emergency or when immediate removal is required in the interests of public health, safety, or welfare. In either case, the Building Inspector or his or her designee shall be authorized to, upon 30 days advance written notice, levy and assess all or any portion of the cost and expense of the work to the persons placing the obstruction in the street right-of-way or to the property owners or occupants of the lots or pieces of ground fronting on that portion of the street right-of-way on which the work is done.

(G) In all cases other than described in division (F) of this section, notice shall be given prior to removal of an obstruction from the street right-of-way. In the case of any dead or diseased trees, notice must be given describing the nuisance, to abate and remove the trees, and of the right and manner to request a hearing. In all other cases, the notice shall describe the reason that removal is required and direct such removal. All notices shall also state that the obstruction must be removed by the owner or occupant, at his or her sole cost and expense (or at the expense of the person placing the obstruction in the right-of-way), by the specified date, and if not removed by that date, the city shall have the option to remove it or have it removed at the owner's or occupant's sole cost and expense (or at the expense of the person placing the obstruction in the right-of-way). Notices hereunder shall be given personally or by certified mail to each owner, or his or her duly authorized agent, and to the occupant, if any, of the lots or pieces of ground fronting on the portion of the street right-of-way on which the obstruction is located. If within 30 days after notice of removal in division (G) of this section is given, neither the owner nor the occupant complies with the order to abate and remove the obstruction (and in the case of dead or diseased trees, neither the owner nor the occupant requests a hearing), the City Building Inspector or his or her designee may do the work or have it done at the sole cost and expense of the persons placing the obstruction in the street right-of-way, or of the owners or occupants of the lots or pieces of ground fronting thereon. Any amount that is not paid shall be levied and assessed upon the lots or grounds specially benefitted from the work ~~in the same manner as other special assessment taxes for improvements are levied and assessed.~~

(I) A permit to place, maintain, or continue any obstruction in the right-of-way pursuant to this subchapter shall only be issued to the owner of the lot or ground fronting on that portion of the street right-of-way on which the obstruction is located and shall be subject to all of the provisions of this subchapter, which provisions shall be deemed part of and incorporated into each such permit as if set forth therein and shall be enforceable against the owner and all successors in interest to the lot or ground. Except as otherwise provided in § 93.002, no fee shall be charged to obtain a permit.

SECTION 2. Repeal of Conflicting Ordinances. All ordinances and parts of ordinances as previously enacted that are in conflict with this Ordinance or any part hereof are hereby repealed.

BACKGROUND

The City and La Vista Keno, Inc. have an ongoing Lottery Operator Agreement in effect dated August 8, 2008. Richard T. Bellino, the sole owner of the shares of La Vista Keno, Inc., unexpectedly passed away on July 31, 2015. Mary Kay Bellino, personal representative of Richard T. A proposed Assignment and Assumption Agreement is presented with this agenda item. Under it, the Buyer would assume the current Lottery Operator Agreement and continue operating the City's keno lottery game in accordance with that Agreement and any applicable conditions of the Assignment and Assumption Agreement. The Buyer intends to continue operating the City's keno lottery, Swizzle Stix, Jimbo's Diner, and other food and beverage services at the same locations and in essentially the same manner as operated by the Bellinos and La Vista Keno, Inc.

I understand that any sign which is installed that is inconsistent or in conflict with this application, the supporting drawings, or the sign regulations contained in the City's Unified Development Ordinance is a violation of the City of La Vista municipal code. I further understand that the inadvertent approval of a sign application by the City that is not in compliance with the sign regulations does not create any legal nonconforming status nor does it remove any obligation to bring the sign into compliance. I understand that no sign shall be installed until a sign permit has been approved by the City of La Vista and the associated sign fee has been paid. Once a sign permit has been approved, all sign installation work must be completed in six months or the permit will expire.

I believe that all of the information on this application and on drawings submitted in support of this application is accurate. I understand that any sign which is installed that is inconsistent or in conflict with this application, the supporting drawings, or the sign regulations contained in the City's Unified Development Ordinance is a violation of the City of La Vista municipal code. I further understand that the inadvertent approval of a sign application by the City that is not in compliance with the sign regulations does not create any legal nonconforming status nor does it remove any obligation to bring the sign into compliance. I understand that no sign shall be installed until a sign permit has been approved by the City of La Vista and the associated sign fee has been paid. Once a sign permit has been approved, all sign installation work must be completed in six months or the permit will expire.

Cornerstone Church has been an active and outstanding member and contributor to the city of La Vista for over 25 years. Located on the southeast corner of 96th and Harrison it has provided an excellent location for local baseball teams to play baseball. Cornerstone has a baseball field located on its property and has donated this field to many La Vista little league teams to use at their convenience. Cornerstone would like to utilize some of the proceeds that it will receive to maintain the integrity of the baseball field so that it can continue to be enjoyed by the La Vista baseball community for many years to come.

Cornerstone has also participated in 9th inning Ministries which promotes Christian Values and encourages personal responsibility. This ministry has helped a countless number of La Vista and other regional youth in setting a course of positive behavior and dedication in their lives.

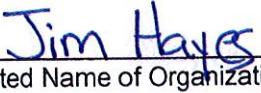

Cornerstone has participated in numerous prayer gatherings and organized community events every year in the city of La Vista.

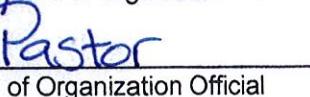

Cornerstone as well as many local businesses have felt the impact of this current recession. I believe that all of the information on this application and on drawings submitted in support of this application is accurate. I understand that any sign which is installed that is inconsistent or in conflict with this application, the supporting drawings, or the sign regulations contained in the City's Unified Development Ordinance is a violation of the City of La Vista municipal code. I further understand that the inadvertent approval of a sign application by the City that is not in compliance with the sign regulations does not create any legal nonconforming status nor does it remove any obligation to bring the sign into compliance. I understand that no sign shall be installed until a sign permit has been approved by the City of La Vista and the associated sign fee has been paid. Once a sign permit has been approved, all sign installation work must be completed in six months or the permit will expire.

I understand that any sign which is installed that is inconsistent or in conflict with this application, the supporting drawings, or the sign regulations contained in the City's Unified Development Ordinance is a violation of the City of La Vista municipal code. I believe that all of the information on this application and on drawings submitted in support of this application is accurate. I understand that any sign which is installed that is inconsistent or in conflict with this application, the supporting drawings, or the sign regulations contained in the City's Unified Development Ordinance is a violation of the City of La Vista municipal code. I further understand that the inadvertent approval of a sign application by the City that is not in compliance with the sign regulations does not create any legal nonconforming status nor does it remove any obligation to bring the sign into compliance. I understand that no sign shall be installed until a sign permit has been approved by the City of La Vista and the associated sign fee has been paid. Once a sign permit has been approved, all sign installation work must be completed in six months or the permit will expire.

I believe that all of the information on this application and on drawings submitted in support of this application is accurate. I understand that any sign which is installed that is inconsistent or in conflict with this application, the supporting drawings, or the sign regulations contained in the City's Unified Development Ordinance is a violation of the City of La Vista municipal code. I further understand that the inadvertent approval of a sign application by the City that is not in compliance with the sign regulations does not create any legal nonconforming status nor does it remove any obligation to bring the sign into compliance. I understand that no sign shall be installed until a sign permit has been approved by the City of La Vista and the associated sign fee has been paid. Once a sign permit has been approved, all sign installation work must be completed in six months or the permit will expire.

I believe that all of the information on this application and on drawings submitted in support of this application is accurate. I understand that any sign which is installed that is inconsistent or in conflict with this application, the supporting drawings, or the sign regulations contained in the City's Unified Development Ordinance is a violation of the City of La Vista municipal code. I further understand that the inadvertent approval of a sign application by the City that is not in compliance with the sign regulations does not create any legal nonconforming status nor does it remove any obligation to bring the sign into compliance. I understand that no sign shall be installed until a sign permit has been approved by the City of La Vista and the associated sign fee has been paid. Once a sign permit has been approved, all sign installation work must be completed in six months or the permit will expire.

I believe that all of the information on this application and on drawings submitted in support of this application is accurate. I understand that any sign which is installed that is inconsistent or in conflict with this application, the supporting drawings, or the sign regulations contained in the City's Unified Development Ordinance is a violation of the City of La Vista municipal code. I further understand that the inadvertent approval of a sign application by the City that is not in compliance with the sign regulations does not create any legal nonconforming status nor does it remove any obligation to bring the sign into compliance. I understand that no sign shall be installed until a sign permit has been approved by the City of La Vista and the associated sign fee has been paid. Once a sign permit has been approved, all sign installation work must be completed in six months or the permit will expire.

Subject:	Type:	Submitted By:
PURCHASE GOOSE-NECK TRAILER	◆ RESOLUTION ORDINANCE RECEIVE/FILE	JOE SOUCIE DIRECTOR OF PUBLIC WORKS

SYNOPSIS

A resolution has been prepared authorizing the purchase of one (1) 2016 Goose-Neck Trailer from Kaufman Trailer, 702 North Silver Street, Lexington, NC, for an amount not to exceed \$6,380.00.

FISCAL IMPACT

The FY 16 Street Operating Budget provides funding for the proposed purchase.

RECOMMENDATION

Approval

BACKGROUND

This goose neck trailer will be the first one in the fleet. Currently there is a shortage of long bed, high gross vehicle weight trailers. The trailer will be used to haul larger pieces of equipment such as the skid steers. The goose neck style hitch is considerably more stable and eliminates the need for a weight distribution hitch when hauling heavier loads. The local distributor is located in Beaver City, Nebraska. The trailer frame and axles carry a one-year warranty. The LED lights carry a life time warranty. Staff is recommending Kaufman as the low compliant bidder.

Kaufman Trailer	\$6,380.00
Neels Trailer	\$7,355.00

RESOLUTION NO. _____

A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA AUTHORIZING THE PURCHASE OF ONE (1) 2016 GOOSE-NECK TRAILER FROM KAUFMAN TRAILER, LEXINGTON, NORTH CAROLINA IN AN AMOUNT NOT TO EXCEED \$6,380.

WHEREAS, the City Council of the City of La Vista has determined that the purchase of a goose-neck trailer for the Public Works department is necessary; and

WHEREAS, the FY 16 Street Operating Budget provides funding for this purchase; and

WHEREAS, the goose-neck trailer is necessary for the transportation of larger equipment; and

WHEREAS, Subsection (C) (9) of Section 31.23 of the La Vista Municipal code requires that the City Administrator secure council approval prior to authorizing any purchases over \$5,000.

NOW, THEREFORE BE IT RESOLVED, that the Mayor and City Council of La Vista, Nebraska hereby authorize the purchase of one (1) 2016 Goose-Neck Trailer from Kaufman Trailer, Lexington, North Carolina in an amount not to exceed \$6,380.

MAYOR AND CITY COUNCIL REPORT
APRIL 5, 2016 AGENDA

Subject:	Type:	Submitted By:
PURCHASE TACK SPRAYER	◆ RESOLUTION ORDINANCE RECEIVE/FILE	JOE SOUCIE DIRECTOR OF PUBLIC WORKS

SYNOPSIS

A resolution has been prepared authorizing the purchase of one (1) 2016 TPS210T Tack Sprayer from Logan Contractors Supply, Omaha, Nebraska, for an amount not to exceed \$9,435.00.

FISCAL IMPACT

The FY 16 Street Operating Budget provides funding for the proposed purchase. The budget shows \$4,500 for purchase of the tack sprayer, this figure should have been \$9,500. The funding is available through savings from other purchases.

RECOMMENDATION**Approval****BACKGROUND**

This unit is replacing a tack sprayer which was built in-house 10- years ago. The existing tack sprayer only has a 12-gallon capacity which required refilling on a daily basis. The new unit has a 150 gallon capacity and only needs filled once a week. The existing unit is prone to plugging because the tack could not be properly heated. The new unit has a built-in heater which eliminates any clumping or plugging. The unit carries a 1-year warranty. Staff is recommending Logan Contractors as the low, compliant bidder.
