# Sewer Fund

The Sewer Fund is a type of proprietary fund, which is considered an enterprise fund. Enterprise funds account for business-type activities supported largely through user charges. The main purpose of this business-like approach is to provide services to consumers at a price that will cover both the current cost of operations (expenses) and the maintenance and financing of the necessary capital assets.

The primary source of revenue for the Sewer Fund are the sewer use fees. Wastewater treatment provided by the City of Omaha is a significant portion the fund's expenses. The chart below is indicative of the increasing sewer use fees as the City began collecting from subdivisions within the extraterritorial jurisdiction (ETJ) east to the interstate. In FY11, collection was expanded to include those west of the interstate, and in FY 14 for expansion to west side of 144<sup>th</sup> Street.

On August 19, 2014, the Mayor and City Council accepted the Rate Study which recommended a rate increase of 10% annually FY15 through FY19 for all classes of sewer customers with the exception of multi-family customers. The Rate Study recommended a transition in the fees for multi-family sewer users so that by FY19 those customers can be billed through the MUD billing system which will eliminate manual billing by City staff. A new sewer rate study will need to commence in FY18 to project rates beyond FY19.

## Concluding FY16 Financial Performance

**Revenues** are estimated to total approximately \$3.7 million, which is slightly less (\$149,136) than budgeted revenues in FY16. The FY16 year-end estimate being short of the budget primarily can be attributed to the late submittal of the new FY16 sewer rates to MUD for billing purposes and some areas not being converted from Sarpy County sewer use fees to La Vista Sewer use fees. Other factors include ongoing discussions with Sarpy County over the ownership of the Sarpy Industrial Sewer and recognition that a majority of the tract sewer connection fees are remitted to Sarpy and Omaha.

**Expenditures & Capital** for FY16 are projected to be nearly \$3.7 million, which is slightly less than the budgeted amount of \$3.8 million. This is a \$779,404 or a 26.3% increase over the FY15 actual amount of \$3.0 million. The increase is primarily related to the fact there were no capital expenditures in FY15.

**Fund Balance** — The difference in estimated revenues and expenditures, combined with a beginning fund balance, contribute to an FY16 estimated ending fund balance of \$1.2 million, which is \$88,597 less than budgeted. The late submittal of the new FY16 sewer rates to MUD is the primary cause.

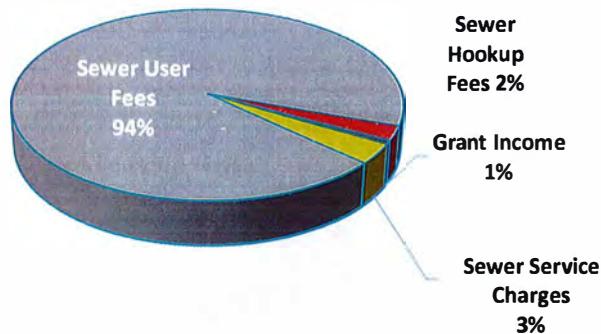

## FY17 Budget

**Revenues** for the proposed FY17 budget are estimated at \$4.16 million, which reflects growth of 12.24% over the FY16 year-end estimate level of \$3.7 million and is consistent with the recommended Sewer Study rate increases.

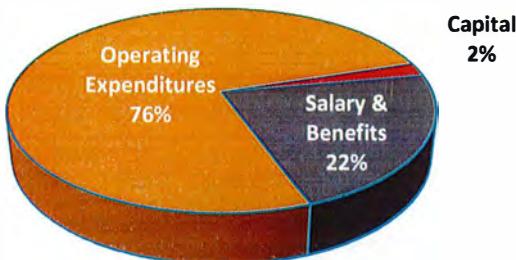

**Expenditures & Capital** — Expenditures for FY17 are projected to be \$3.8 million, which reflects an increase of 1.2% from the year-end estimate amount for FY16 of \$3.75 million, or a \$44,610 increase. Capital expenditures for FY17 are recommended at \$79,780 which is a significant reduction over FY16 year-end estimate of \$350,886. In FY16, a combination truck was purchased in the amount of \$350,886. The proposal for FY17 it is to finance the debt on a backhoe at \$39,780 over 5 years (\$180,000) and the replacement of the Director's Tahoe for \$40,000

**Fund Balance** — After expenditures and transfers to the other funds, the budget projects an ending fund balance of \$1.6 million, which is an increase of \$370,611 (30.2%) from the FY16 year-end estimate or a 30.21% increase. Because the fund balance is projected to exceed the targeted 25% reserve, any funds that exceed this are recommended to be added to the Sewer Contingency Reserve.

### FY17 Sewer Fund Revenue Sources

### FY17 Sewer Expenditures

## FY18 Budget

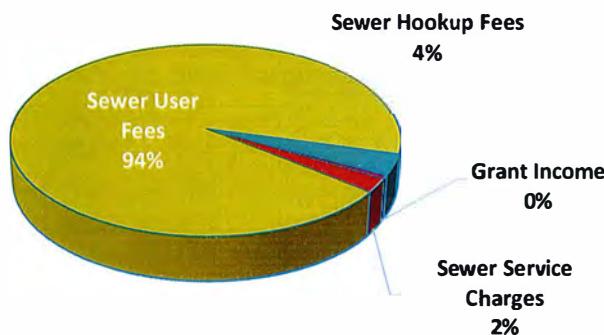

**Revenues** — Total income for FY18 is estimated at \$4.6 million, which reflects a 10% increase over the FY17 proposed budget of \$4.16 million and is consistent with the recommended Sewer Study rate increases.

**Expenditures & Capital** recommended for the proposed FY18 budget are projected to be \$4.18 million, reflecting a 10.27% increase from the recommended FY17 budget. Other contractual services increased 14% from FY17 to FY18 as a result of sewer fees owed to Omaha.

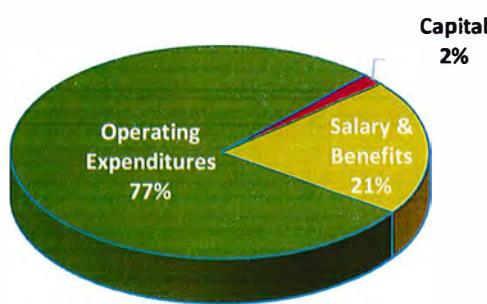

## 5 Sewer Fund Summary

**Fund Balance** — After expenditures and transfers to the other funds, the budget projects an ending fund balance of \$1.6 million, which is slightly higher than FY17 but does not leave the City with enough reserves to add to the Sewer Replacement Reserve until FY19.

### FY18 Sewer Fund Revenue Sources

### FY18 Sewer Expenditures

### Summary

The fees paid to the City of Omaha to treat sewage for the City represent of 65% for FY17 and 68% for FY18. The City of Omaha bills the City of La Vista for treating sanitary sewage and is proposing rate increases through 2018 between 9% and 10% per year.

The sewer fund budget currently includes 75/25 split with the General Fund for Administrative Services, Administration, Streets Administration and Human Resources. (*The salary and benefits of the Assistant Public Works Director/City Engineer; Secretary; and Intern are split 50/50 between Streets Administration and Sewer Administration*). Upon the

implementation of the new financial software in FY17, this split will be further reviewed. Instead of an actual funding split, it is anticipated that we will be able to track the exact time and resources allocated to sewer related issues and bill accordingly.

As noted in prior years, the City's sewer infrastructure is beginning to show its age and it is anticipated that significant repair/reconstruction will be required in the future. In anticipation of this, in FY12 the City established a Sewer Replacement Reserve of \$300,000. The recommendation is for funds in excess of a 25% cash reserve to be put into the reserve annually. This will provide for unanticipated smaller repairs and equipment that may be necessary.

There are also significant portions of the sewer system over 50 years old and will require future rehabilitation. One such area is east of 72<sup>nd</sup> north of Thompson Creek. In order to begin addressing these needs the Rate Study recommended an annual expenditure to be funded by a \$2.9M Bond issue in FY19 with annual payments of \$200,000. The study took into account various rate scenarios and found that a \$200,000 payment could be supported if bond payments are assumed to begin in 2019 and if rates are increased sufficiently to cover this expense. Nevertheless, funding recommendations will be reviewed and determined annually based on current conditions.

## Storm Water Management

The City is a recipient of the Nebraska Department of Environmental Quality Storm Water Management grant of \$22,918 annually. A local match of \$4,816 is required. This funding is used to comply with storm water management per the Clean Water Act. We have added an additional expenditure to this department in the amount of \$28,500 annually for Hell Creek Channel maintenance and anticipate adding Thompson Creek maintenance in the future years.

## Municipal Budget Notes – FY17 and FY18

### 2-41 Sewer Administration

**The Administration, Administrative Services and Human Resources budgets are partially funded by the Sewer Administration budget. The line items below fund 25% of the total of these same line items in the budgets mentioned above.**

**Budget  
Line Item**

<b>101</b>	<b>Full Time Salaries</b> This line item provides partial funding for full time positions.  FY17 - A 3% base factor is included for potential salary increases. In order to get all employees on a common salary increase date (October 1) in conjunction with the new performance evaluation system, everyone will receive a base factor increase in October 2016.  The increase in FY17 is due to moving the HR Manager's salary from Administrative Services to Human Resources.  FY18 – While a 3.75% increase for salaries is shown, during budget preparation next year we will have data from performance reviews and will be able to budget actual increase percentages.
<b>102</b>	<b>Part Time Salaries</b> This line item provides partial funding for part time and seasonal positions.
<b>103</b>	<b>Overtime</b> This line item provides partial funding for overtime expenditures. Overtime is approved on an as-needed basis.
<b>104</b>	<b>FICA</b> This is a mandatory withholding match that is a fixed percentage of salaries.
<b>105</b>	<b>Insurance Charges</b> This line item funds the City's portion of health, dental, life and disability insurance for employees. In an effort to keep health insurance rates at a manageable level, the City takes on a portion of the liability by funding a portion of the deductible, which results in lower premiums. Actual savings, if any, will depend on plan usage during a given year.  FY17 - A potential 6% increase in insurance premiums is included, but the new funding mechanism has shown good results to date and will hopefully help us better keep insurance costs under control.

FY18 – A potential 6% increase in insurance premiums is included for planning purposes, however our insurance program is reviewed annually and any necessary adjustments will be made.

**107 Civilian Pension**  
This line item partially funds the City's portion of employee pension contributions.

**201 Office Supplies**  
This line item partially funds miscellaneous office supplies including copy machine and postage meter supplies.

**202 Books and Periodicals**  
This line item partially funds the purchase of books and periodicals including new NE Revised Statute books.

**203 Food Supplies**  
This line item partially funds any food supplies purchased for meetings, etc.

**204 Wearing Apparel**  
No funding requested in this line item.

**205 Motor Vehicle Supplies**  
No funding requested in this line item.

**211 Other Commodities**  
No funding requested in this line item.

**301 Postage**  
This line item partially funds the mailing of the City Newsletter and other general mailing expenses.

**302 Telephone**  
This line item partially funds telephone services.

**303 Professional Services - Other**  
This line item partially funds services such as employee drug testing, engineering services and any additional professional services.

**304 Utilities**  
This line item partially funds all utility costs. An across-the-board increase of 3% was requested this year for all utilities.

**308 Legal Advertising**  
This line item partially funds advertising costs for employment positions and legal notices.

**309 Printing**  
This line item provides partial funding for printing the City Newsletter, letterhead and stationary, and other miscellaneous printing projects.

**310 Dues and Subscriptions**  
This line item partially funds professional memberships and certifications for employees as well as subscriptions.

**311 Travel Expenses**  
This line item partially funds all authorized trips and the expenses related to meals, lodging, transportation and miscellaneous incidental costs.

**312 Towel/Cleaning Service**  
No funding requested in this line item.

**313 Training**  
This line item partially funds all training course registrations costs and seminar costs.

**314 Contractual Services**  
This line item partially funds on-going service contracts and contracts associated with special projects.

**321 Professional Services – Legal**  
This line item partially funds legal fees.

**505 Other Charges**  
This line item partially funds the purchase of supplies that do not logically fall into any one of the scheduled accounts and other miscellaneous expenses.

## Municipal Budget Notes – FY17 and FY18

### 2-42      **Sewer Maintenance**

**The Sewer Budget consists of operating expenses related to the Sewer Division and includes the positions of 1 Sewer Foreman, 4 MWII & 1 MWI.**

#### **Budget Line Item**

**101      Full Time Salaries**  
Salaries for the positions noted above are included in this line item.  
  
FY17 – A 3.0% base factor is included for potential salary increases. In order to get all employees on a common salary increase date (October 1) in conjunction with the new performance evaluation system, everyone will receive a base factor increase in October 2017.  
  
FY18 – While a 3.75% increase for salaries is shown, during budget preparation next year we will have data from performance reviews and will be able to budget actual increase percentages.

**102      Part Time Salaries**  
This line item provides funding for one part time and one seasonal positions.

**103      Overtime**  
This line item provides overtime funding for six full-time positions. Overtime is approved on an as-needed basis. The major contributing factor to overtime is snow removal operations. Overtime is also needed during Salute to Summer, sewer plugs and occasional emergency call-outs from dispatch.

**104      FICA**  
This is a mandatory withholding match that is a fixed percentage of salaries. The line item has been increased in proportion to the proposed salary increases.

**105      Insurance Charges**  
This line item funds the City's portion of health, dental, life and disability insurance for employees. In an effort to keep health insurance rates at a manageable level, the City takes on a portion of the liability by funding a portion of the deductible, which results in lower premiums. Actual savings, if any, will depend on plan usage during a given year.  
  
FY17 – A potential 6% increase in insurance premiums is included, but the new funding mechanism has shown good results to date and will hopefully help us better keep insurance costs under control.  
  
FY18 – A potential 6% increase in insurance premiums is included for planning purposes, however our insurance program is reviewed annually and any necessary adjustments will be made.

**107 Civilian Pension**  
This line item funds the City's portion of employee pension contributions.

**201 Office Supplies**  
This line item funds supplies used in the front office, Sewer Foreman's office and general use by hourly employees.  
  
FY17 – A one-time purchase of \$1,130.00 is requested to purchase 2 Ipads. The Ipads will be used in the jet truck and combo truck for digital mapping and record keeping.

**203 Food Supplies**  
This line item funds two breakfast meetings with supervisory staff and the City Engineer.

**204 Wearing Apparel**  
This line item funds the purchase of safety boots, safety shirts, rain gear, and safety equipment for six full time, one part time and one seasonal employees.

**205 Motor Vehicle Supplies**  
This line item funds the purchase of fuel, oil, anti-freeze and tires for 8 vehicles and 12 pieces of equipment

**206 Lab and Maintenance Supplies**  
This line item funds the purchase of replacement tools and equipment such as power tools, mechanic tools, sewer tools, shovels, rakes and all other construction related tool requirements.

**207 Janitorial Supplies**  
This line item funds paper products and cleaning supplies for the Sewer Shop.

**208 Chemical Supply**  
This line item is for the purchase of chemical products used to treat sanitary sewer lines and related right-of-way areas.

**209 Welding Supplies**  
This line item funds welding supplies to maintain 8 vehicles and 12 pieces of equipment in addition to any building and grounds repairs.

**211 Other Commodities**  
No funding is requested for this line item.

**301 Postage**  
This line item includes funding for the sewer portion of the newsletter postage and other postage costs.

**302 Telephone**  
This line item covers the access to the internet for One Call and GIS mapping. Requesting an additional \$1,128.00 for air cards to operate two I pads in the field.

**303 Professional Services - Other**  
This line item funds the State of Nebraska fuel tank registration, employee drug testing, engineering services and any additional professional services

**304 Utilities**  
This line item funds all utility costs for the sewer shop and old sewer treatment plant.

**308 Legal Advertising**  
This line item funds advertising for seasonal employment positions.

**309 Printing**  
This line item funds the sewer's portion of printing the City Wise newsletter as well as other miscellaneous printing costs.

**310 Dues and Subscriptions**  
This line item funds the professional memberships and certifications for 6 full time employees. Examples include Nebraska Pesticide Applicators License and Water Operators License.

**311 Travel Expenses**  
This line item funds all authorized trips and the expenses related to meals, lodging, transportation and miscellaneous incidental costs. Funding decreased by \$2,686.00 for removing one-time CUES training.  
  
FY17 – Funding is included for most of the sewer staff to attend various conferences. Sewer Foreman, MWII & MWI attend the NWEA Fall Conference, League of Nebraska Municipalities Wastewater Operations Snowball Conference. Sewer Foreman & one MWII or MWI attend the Pumper Cleaner Expo. Sewer Foreman & MWII attend Pesticide Applicator, Metam Sodium Training. One MWII attends the AWWA Conference, One MWII Attends Pool Operator Training.  
  
FY18 – Funding is included for most of the sewer staff to attend various conferences. Sewer Foreman, MWII & MWI attend the NWEA Fall Conference, League of Nebraska Municipalities Wastewater Operations Snowball conference. Sewer Foreman & one MWII or MWI attend the Pumper Cleaner Expo. . Sewer Foreman & MWII attend Pesticide Applicator, Metam Sodium Training. One MWII attends the AWWA Conference, One MWII Attends Pool Operator Training.

**312 Towel/Cleaning Service**  
This line item funds the laundering of Public Works uniforms. Approximately \$700.00 increase due to contract with new vendor.

**313 Training**  
This line item includes all training courses and seminar costs. Funding decreased by \$300.00 from removing one-time CUES training.

FY17 – Funding is included for most of the sewer staff to attend various conferences. Sewer Foreman, MWII & MWI attend the NWEA Fall Conference, League of Nebraska Municipalities Wastewater Operations Snowball Conference. Sewer Foreman & one MWII or MWI attend the Pumper Cleaner Expo. Sewer Foreman & MWII attend Pesticide Applicator, Metam Sodium Training. One MWII attends the AWWA Conference, One MWII Attends Pool Operator Training.

FY18 - Funding is included for most of the sewer staff to attend various conferences. Sewer Foreman, MWII & MWI attend the NWEA Fall Conference, League of Nebraska Municipalities Wastewater Operations Snowball Conference. Sewer Foreman & one MWII or MWI attend the Pumper Cleaner Expo. Sewer Foreman & MWII attend Pesticide Applicator, Metam Sodium Training. One MWII attends the AWWA Conference, One MWII Attends Pool Operator Training.

**314**

**Contractual Services**

This line item funds contracts for the following services: City of Omaha sewer treatment; Heritage Crystal Clean; Papillion Sanitation; Simplex Grinnel; Sarpy County 800MHz; One Call; Cummings Generator Inspection and vehicle loan payment.

FY17 – Requesting additional \$412,371 for sewer treatment in conjunction with City of Omaha rate increases and expansion of the City's ETJ, as well as additional sewer accounts from anticipated development.

**321**

**Professional Services – Legal**

Funding requested at same level as last year.

**401**

**Building and Grounds**

Funds in this line item are used for the repair and maintenance of the sewer shop and old sewer treatment building.

**405**

**Sanitary Sewer Maintenance**

This line item provides funding for the repair and maintenance of the sanitary sewer system.

FY17 – Funding increase of \$500.00 for potential purchase of pipe patching material.

**409**

**Machine – Equipment and Tool Maintenance**

This line item funds the repair, maintenance and replacement of maintenance tools and equipment such as marking paint, pry bars, blowers and generators.

FY17 - A one-time purchase of \$5000.00 is requested for purchase of wireless communication/hearing protection head set.

**410**

**Motor Vehicle Maintenance**

This line item funds replacement parts for 8 vehicles and 12 pieces of equipment. Funding decreased by \$5,300.00 for removing one-time purchases in FY16.

**411      Radio Maintenance**  
This line item funds the repair and maintenance of the radio system.

**505      Other Charges**  
This line item funds the purchase of supplies that do not logically fall into any one of the scheduled accounts such as expenses for the annual employee appreciation dinner.

## Municipal Budget Notes – FY17 and FY18

### 2-43 Storm Water Management

#### Budget Line Item

#### 505 Other Charges

This account was created to manage grant funding made available by the Nebraska Department of Environmental Quality (NDEQ) for implementation of the Storm Water Management Plan (SWMP) for the City of La Vista. These funds must be used only for implementation of the SWMP. These funds may not be used for normal operation and maintenance or flood control. The City is required to provide a 20% match for all grant funding. The City received the first grant in 2006. For FY17 the expenses will include contracting with Up Stream Weeds for public outreach and education, Papillion Creek Watershed Partnership, printing public education brochures and miscellaneous expenses associated with public outreach events.

Year	Grant	Match	Total
2006	19,884	3,977	23,861
2007	25,000	5,000	30,000
2008	27,980	5,596	33,867
2009	27,389	5,478	32,867
2010	26,154	5,231	31,385
2011	24,082	4,816	28,898
2012	24,082	4,816	28,898
2013	24,233	4,847	29,080
2014	22,918	4,584	27,502
2015	22,918	4,584	27,502
			293,569

Anticipated that \$22,918 will be awarded each year December 2016 thru December 2021 with a \$4,584 match. Grant funding fluctuates each year assuming the NDEQ continues to fund the program.

## Sewer Fund Capital Requests

---

The department capital requests are shown below along with the funding recommendation of the Managing Directors.

### 2-42      **Sewer Maintenance**

#### **FY17**

613      Motor Vehicles

##### **Tahoe 4x4 - \$ 40,000**

The current 2002 Tahoe (#3301) driven by the Director of Public Works has over 140,000 miles. Rust has started to form on the exterior and the interior console is dilapidated. Because this vehicle is used to transport city staff, consultants, and dignitaries, it should reflect positively on the city's image. This vehicle will remain in the fleet for general transportation needs. **(Recommend approval)**

##### **Backhoe - \$ 39,780**

\$39,780 is budgeted over the next five years to cover the total approximate cost of \$200,000. Currently, we have a 2005 Case 590 Super M Series 2. The hydraulic system is losing power, the rollover protection system is rusting, and the hood and side covers are rusted exposing the engine to outdoor elements. The backhoe is used to dig up sewer lines, tear out old concrete, and snow removal. **(Recommend approval)**

#### **FY18**

613      Motor Vehicles

##### **Backhoe - \$ 39,780**

\$39,780 is budgeted over the next five years to cover the total approximate cost of \$200,000. Currently, we have a 2005 Case 590 Super M Series 2. The hydraulic system is losing power, the rollover protection system is rusting, and the hood and side covers are rusted exposing the engine to outdoor elements. The backhoe is used to dig up sewer lines, tear out old concrete, and snow removal. **(Recommend approval)**

618      Other Capital

##### **Push Camera - \$12,500**

A push camera will enable us to televise smaller pipes. It can be used by many departments (Public Works, Fire Department, City Hall, etc.) where smaller drains are present. **(Recommend approval)**

##### **Arrow Board - \$9,200**

The two arrow boards we currently own are starting to rust. By replacing these with the new Wanco LED style boards, the lights are more visible to drivers, thus increasing traffic safety. **(Recommend approval)**
