BACKGROUND

In 2005 the City of La Vista Police Department received a grant from the Nebraska Crime Commission in the amount of \$48,000.00 for the purchase of computer equipment for implementation of the electronic citation project. Seven units were purchased last fiscal year and four additional units were included in the current budget. Two units were purchased in November and the final two were scheduled for purchase this spring. The acquisition of the final two pieces of equipment for the marked police fleet will finalize implementation of the electronic citations project.
