ADVERTISEMENT FOR BIDS – PEDESTRIAN OVERPASS PAINTING	◆ RESOLUTION ORDINANCE RECEIVE/FILE	JOE SOUCIE PUBLIC WORKS DIRECTOR

SYNOPSIS

A resolution has been prepared authorizing the advertisement for bids for the Pedestrian Overpass Painting.

FISCAL IMPACT

There are savings in the FY 10 budget to fund the proposed improvements.

RECOMMENDATION

Approval

BACKGROUND

The City Engineer in conjunction with Thompson, Dreessen & Dorner, Inc. has prepared plans and specifications for the repainting of the structure.

Much of the work will take place during night-time hours with total closure of 72nd Street. The need for scheduling and phasing the work during night-time hours, including traffic control and barricading, has resulted in an increase in the estimated cost of the project exceeding the original City Engineer's estimate. We are able to accommodate this through other savings in the Capital Improvement Budget.

The work needs to occur during July in order to avoid conflicts with student access to G. Stanley Hall Elementary School.

The following schedule is suggested:

Advertise for Bids	May 27 and June 3, 2010
Open Bids	June 7, 2010

AUTHORIZATION TO PURCHASE MUD PUMP	◆ RESOLUTION ORDINANCE RECEIVE/FILE	JOE SOUCIE PUBLIC WORKS DIRECTOR

SYNOPSIS

A resolution has been prepared authorizing the purchase of (1) one 2009 – used Double Piston Mudjacking Pump from Midwest Mudjacking, Inc., 14807 S. 27th Street, Bellevue, NE 68123 in an amount not to exceed \$9,000.

FISCAL IMPACT

The FY 2009/10 General Fund Street Operating budget provides funding for the proposed purchase.

RECOMMENDATION

Approval

BACKGROUND

The mud pump is used to perform mudjacking operations by the Public Works Department. Performing the mudjacking operations in-house will provide substantial savings for the City. In addition, the time delay of scheduling a contractor in emergency situations will be eliminated.

The Street Superintendent has received six quotes for the mud pump unit. The results are listed below:

Midwest Mudjacking, Inc.	H.M.I. Power Pump #2	\$9,000.00
Nebraska Rents	MJ-16 Airplaco Pump #1	\$11,550.00
Nebraska Rents	PG-21 Airplaco Pump #1	\$12,990.00
Nebraska Rents	H.M.I. Power Pump #1	\$9,530.00
Logan Contractors	MJ-16 Airplaco Pump #1	\$11,246.00
Logan Contractors	PG-21 Airplaco Pump #1	\$12,705.00

Staff recommends the used Double Piston Mudjacking Pump from Midwest Mudjacking Inc. All other quotes are for single piston units; the double piston unit provides twice the pumping pressure which expands the type of repairs that can be performed. New double piston units start at approximately \$16,000. The used unit from Midwest Mudjacking is less than one-year old and has very low hours and comes with a six (6) month warranty. The unit has been inspected by staff.

RESOLUTION NO. _____

A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA AUTHORIZING THE PURCHASE OF ONE (1) 2009 USED DOUBLE PISTON MUDJACKING PUMP FROM MIDWEST MUDJACKING, INC., 14807 S 27TH STREET, BELLEVUE, NE IN AN AMOUNT NOT TO EXCEED \$9,000.00.

WHEREAS, Subsection (C) (9) of Section 31.23 of the La Vista Municipal Code requires that the city administrator secure Council approval prior to authorizing any purchase over \$5,000.00.

28 CFR Part 35 (Judicial Administration) states that: "The purpose of this part is to effectuate Subtitle A of Title II of the ADA which prohibits discrimination on the basis of disabilities by public entities.

49 CFR part 27 (Nondiscrimination on the Basis of Disability in Programs and Activities Receiving or Benefiting from Federal Financial Assistance) states, "The purpose of this part is to carry out the intent of Section 504 of the Rehabilitation Act of 1973 (29 USC 794) as amended, to the end that no otherwise qualified disabled individual in the United States shall, solely by reason of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance."

49 CFR Part 28-140 (Employment) states that, "(a) No qualified individual with disabilities shall, on the basis of disability, be subjected to discrimination in employment under any program or activity conducted by the Department," and "(b) The definitions, requirements, and procedures of Section 504 of the Rehabilitation Act of 1973 (29 USC 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

29 CFR Part 1613 (Equal Employment Opportunity in the Federal Government) states that: "It is the policy of the Government of the United States . . . to provide equal opportunity in employment for all persons to prohibit discrimination in employment because of race, color, religion, sex, or national origin and to promote the full realization of equal employment opportunity through a continuing affirmative program in each agency."

42 USC Part 12101-12213 (The Americans with Disabilities Act of 1990) states that: "No covered entity shall discriminate against a qualified individual with a disability because of the disability of such individual in regard to job application procedures, the hiring, advancement, or discharge of employees, employee compensation, job training, and other terms, conditions, and privileges of employment."

AUXILIARY AIDS AND SERVICES

Under the Americans with Disabilities Act (ADA), State and local governments must ensure effective communication with individuals with disabilities. Public entities are required to provide appropriate auxiliary aids and service, where necessary, to ensure that communications (such as all public information, discourse, and/or announcements) with individuals with disabilities are as effective as communications with others. Auxiliary aids and services include: Braille, large print formats, assistive listening devices (ALS), TTY/TTD access, closed captioning, interactive software for various disabilities, website accessibility implements, interpreters, readers, service animals, etc.

When selecting an auxiliary aid or service, a public entity should:

- Give primary consideration to the aid or service preferred by the individual because that individual is usually best able to identify the communication barriers that hamper participation.
- Allow people the opportunity to use their own assistive technology products to achieve effective communication.
- Consider the context in which the communication is taking place and its importance.

A public entity is not required to provide:

- The requested aid or service if there is another equally effective means of communication available; however, it must give primary consideration to the aid or service preferred by the individual.
- Auxiliary aids that would result in a fundamental alteration in the nature of a service, program, or activity or in undue financial and administrative burdens. However, public entities must still furnish another auxiliary aid, if available, that does not result in a fundamental alteration or undue burden.

 - a) The date of alleged act of discrimination; or
 - b) Where there has been a continuing course of conduct, the date on which that conduct was discontinued.

In either case, the LPA or his/her designee may extend the time for filing or waive the time limit in the interest of justice, specifying in writing the reason for so doing.

Complaints shall set forth as fully as possible the facts and circumstances surrounding the claimed discrimination. In the event that a person makes a verbal complaint of discrimination to an officer or employee of the LPA, the person shall be interviewed by the Title VI Coordinator.  - h) An explanation of the actions the LPA has taken or proposed to resolve the issue raised in the complaint.
6. NDOR will forward the complaint to FHWA. FHWA Office of Civil Rights will determine the appropriate individual and/or organization to conduct the investigation.
7. Within 60 days, the Title VI Coordinator will conduct an investigation of the allegation and based on the information obtained, will render a recommendation for action in a report of findings to the head of the LPA. The complaint should be resolved by informal means whenever possible. Such informal attempts and their results will be summarized in the report of findings.
8. Within 90 days of receipt of the complaint, the head of the LPA will notify the complainant in writing of the final decision reached, including the proposed disposition of the matter. The notification will advise the complainant of his/her appeal rights with NDOR, or USDOT, if they are dissatisfied with the final decision rendered by the LPA. The Title VI Coordinator will also provide NDOR with a copy of this decision and summary of findings upon completion of the investigation.
9. Any complaints received against the LPA should immediately be forwarded to NDOR for investigation. The LPA will not investigate any complaint in which it has been named in the complaint.

MUNICIPAL CODE 114.46 - HOURS OF SALE – ALCOHOLIC BEVERAGES	RESOLUTION ORDINANCE RECEIVE/FILE	BRENDA S. GUNN CITY ADMINISTRATOR

SYNOPSIS

Discussion regarding a change to Nebraska State Statute affecting retail sale or dispensing of alcoholic liquor on the premises.

FISCAL IMPACT

N/A

RECOMMENDATION

Council direction is requested.

BACKGROUND

In this last session of the Nebraska State Legislature, LB 861 passed and will go into effect July 15, 2010. One of the provisions allowed by this legislation is to enable governing bodies to permit retail sale or dispensing of alcoholic liquor for consumption on the premises, excluding sales for consumption off the premises, later than 1 a.m. and prior to 2 a.m. on any day.

The Municipal code follows current State Statute which allows the above until 1 a.m. If it is the desire of Council to amend the municipal code to allow for this change, the times in the code would be changed to reflect this and would come to City Council for action at a future meeting. Businesses would be able to decide whether or not they want to remain open. Adoption of this change would require a vote of at least two-thirds of the members of the City Council.

LB 861 did not change the time for sales for off premises consumption, which still must end by 1 a.m.

(b) Does not prohibit sales of alcoholic liquor by a community college culinary education program pursuant to section 53-124.15.

Sec. 77. Section 53-179, Reissue Revised Statutes of Nebraska, is amended to read:

(4) Nothing in this section shall prohibit licensed premises from being open for other business on days and hours during which the sale or dispensing of alcoholic liquor is prohibited by this section.

Sec. 78. Section 53-1,104, Reissue Revised Statutes of Nebraska, is amended to read:
