SYNOPSIS

A public hearing has been scheduled to hear comments, support, opposition or criticism with respect to the proposed purchase of properties located at 7217 Park View Boulevard and 7221 Park View Boulevard. Resolutions have been prepared to approve the purchase of the sites and to authorize and approve the execution of documents for the purchase of these sites located in the Thompson Creek grant project area.

FISCAL IMPACT

The FY 10/11 Budget contains funding for this project. Costs to acquire these properties will be reimbursed as part of the Federal Thompson Creek Hazard Mitigation Grant.

RECOMMENDATION

Approval.

BACKGROUND

At the February 2, 2010 City Council meeting the Council accepted a FEMA grant award of \$2,040,930.00 to facilitate the acquisition of up to 24 homes along Thompson Creek. In March and April agreements were approved for the appraisal, review appraisal, and acquisition services.

Upon completion of the appraisals the City Council designated the City Administrator to negotiate the purchase of the homes in the project area.

These are the final two properties to be purchased as part of the Federal Thompson Creek Hazard Mitigation Grant Project.

Pursuant to state statute, before purchasing an interest in real property, the acquisition must be authorized by City Council action at a public meeting after notice and public hearing which requirements will be satisfied at or before the meeting.
