REPORTS FROM RECREATION DIRECTOR AND STAFF

Director Stopak went over the event schedule for La Vista Days on Memorial Day weekend, beginning with the community cookout, live music, chalk art and fireworks on Friday night. These will be held at the Community Center parking lot, with fireworks at the golf course. The parade is on Saturday, along with the announcement of winners for the Baby and Pet Photo contests and the Motorcycle Show & Shine. The "La Vista Has Talent" contest was cancelled due to lack of registrations. At the Sports Complex., the Midwest Performance Fliers will have a remote controlled airplane show on Saturday and Sunday. During the remaining summer months, we will also host the Urban Adventure Race on July 9, and Splash Bash at the pool on August 7.

Assistant Director Karlson reported that the Easter Egg Hunt was a huge success, even though it was a cold and windy morning. 100 prizes were given out. Karlson wants to thank all the volunteers including City Council Member Terri Quick and Melissa Karlson who were this years' Easter Bunnies. Also thank you to the Lancers, Panthers and Bellino Enterprises Booster Clubs for their donations, and the La Vista Police and Fire Departments for their help that day.

The Arbor Day celebration was held at Mayor's Park this year, with the 4th grade from G. Stanley Hall helping to "plant" an Eastern Red Bud tree, which was donated by Stoltenberg Nurseries in Bellevue. Papio-Missouri River Natural Resources District also donated tree seedlings to be given to each of the children and those attending the ceremony.

Karlson also discussed the Community cookout on Friday, May 27. For dinner there will be BBQ pulled pork, hot dogs and chips; Bouncy Town jumper and a climbing wall for the kids and the band Offutt Nightwing will entertain.

Program Coordinator Rich Carstensen said the Midwest Kite Flyers will have their annual Kite Fly Festival in La Vista on May 1. Donald Murphy, a La Vista resident, travels around the U.S. to organize these events.

This month the seniors are going to Piccolo Pete's for lunch, and are also having 90 local elementary band students for lunch and to entertain. There will be a trip to the Nebraska Quilt and the Roller-skating Museums in Lincoln, and a movie on May 25. In June, we are planning a baseball game at Werner Park and will do some "guy" things for the men to celebrate Father's Day. We will also be getting and distributing the annual Farmer's Market Coupons. La Vista receives 30 coupon booklets. If there is more than 30 people apply, we will have a lottery for the coupons.

Director Stopak introduced Ryan South. Ryan was a Recreation Supervisor at the La Vista Recreation Dept for 2 years, then La Vista Pool Manager for 4 yrs. He has now returned to the City to fill the role as Program Coordinator. Ryan is now responsible for youth and adult sports and field scheduling

The City was awarded the Tree City USA award the second week of April. This is the 20th anniversary that La Vista has been awarded Tree City by the Arbor Day Foundation. Arbor Day is April 29, and this year will be held at Mayors Park at 10:00 a.m. The 4th grade class from G. Stanley Hall will join in the celebration. They will each receive a tree seedling.

Program Coordinator Ryan South said that youth soccer and flag football were winding down to their last weeks. Youth softball will be finishing up their season with a tournament on June 10. T-Ball and Pinto baseball coaches meeting will be held next week, while the 9/10 yr. old baseball is playing in the YMCA league. Adult softball is in full swing, and will be on-going until early to mid-August.

Director Stopak announced that the City was given the go-ahead from the City Council to request bids for a consulting firm for the civic park master plan. Council also instructed staff to formulate a revised version for a new pool, with a \$5mil cap. Waters Edge was given approval to create the conceptual plans. The goal is to have a bond issue on the November 2011 ballot.

COMMENTS FROM THE FLOOR

None.

COMMENTS FROM COMMITTEE MEMBERS

Member Jeffus asked if there were any plans in placing a crosswalk on 66th street, between the East and West complexes. There are many people crossing between the two parks, and traffic is very fast. Brian Lukasiewicz, Public Works, said they do help crossing pedestrians during special events, but it had not been discussed otherwise.

Member Forst wanted to know if the staff assigned to look at the aquatic complex was going to involve the previous aquatic committee. Stopak said that they would not, but would utilize all the data that was compiled in the previous aquatic study.

Member Wiig wanted to say that she took her family to the Easter Egg Hunt and thought it was one of the most organized events she had ever been to, and her family had a great time.

Member Forst made a motion to adjourn. Seconded by Member Jeffus. Motion carried. Adjourned at 7:25 p.m.

STREET NAMING JAMES AVE.-EAST OF 69 TH STREET TO EAST LINE OF LOT 148	RESOLUTION ◆ ORDINANCE RECEIVE/FILE	JOHN KOTTMANN CITY ENGINEER/ASSISTANT PUBLIC WORKS DIRECTOR

SYNOPSIS

A public hearing has been scheduled and an ordinance prepared to consider naming an unnamed street to James Avenue. This section of unnamed street is located in the La Vista Replat subdivision east of 69th Street between 7425 South 69th Street and 7427 South 69th Street.

FISCAL IMPACT

The FY 10/11 General Fund budget provides funding for the proposed signage.

RECOMMENDATION

Approval

BACKGROUND

The resident at 7427 South 69th Street requested consideration of a No Parking designation on this section of street in order to preserve their ability to enter and exit their existing driveway on this section of street. This concern arose from the pending construction of the Keystone Trail-La Vista Link. During efforts to prepare the resolution for No Parking, which is a companion item on this agenda, it was discovered that this section of street was not named at the time of platting the La Vista Replat subdivision. Since there were no properties addressed on this section of street and it does not yet connect beyond the subdivision, there has been no need to establish a street name until this time.

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF LA VISTA, NEBRASKA TO NAME AN UNNAMED STREET TO JAMES AVENUE; AND TO PROVIDE FOR THE EFFECTIVE DATE OF THIS ORDINANCE.

BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA:

SECTION 1. STREET NAME. The name of a section of unnamed street located in the La Vista Replat subdivision east of 69th Street between 7425 South 69th Street and 7427 South 69th Street to James Avenue.

SECTION 2. EFFECTIVE DATE. This Ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

SYNOPSIS

A resolution has been prepared establishing a “No Parking Zone” on the north side of James Avenue from the east line of 69th Street easterly for a distance of 165 feet (previously an unnamed street) as recommended by the city engineer and authorizing the Public Works Department to install appropriate signs.

RECOMMENDATION

BACKGROUND

The resident at 7427 South 69th Street requested consideration of a No Parking designation on this section of street in order to preserve their ability to enter and exit their existing driveway on this section of street. This concern arose from the pending construction of the Keystone Trail-La Vista Link which begins at the intersection of 69th Street and the previously unnamed street segment. There was a concern that people using the trail would park on this street and block the ability of the resident to use their driveway. A companion item is on this Council Agenda to officially designate this unnamed street segment as James Avenue. The following is a description of the proposed No Parking Zone:

1. A No Parking Zone on the north side of James Avenue from the centerline of South 69th Street to the east line of Lot 148, La Vista Replat (aka 7425 South 69th Street).

RESOLUTION NO. _____

A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF THE CITY OF LA VISTA, NEBRASKA ESTABLISHING A NO PARKING ZONE ON THE NORTH SIDE OF JAMES AVENUE FROM THE EAST LINE OF 69TH STREET EASTERLY FOR A DISTANCE OF 165 FEET.

WHEREAS, the Mayor and City Council have determined that a "No Parking Zone" is necessary to preserve access to a property upon construction of the Keystone Trail-La Vista Link; and

WHEREAS, City Engineer and staff have reviewed the plan and recommend approval,

NOW, THEREFORE, BE IT RESOLVED, that the "No Parking Zone" on the North side of James Avenue from the East line of 69th Street Easterly for a distance of 165 feet is approved,

BE IT FURTHER RESOLVED, that the Public Works Department be, and hereby is, authorized to install the appropriate signage designating this "No Parking Zone".
